—WORK PADS, breeching, collars, hames, traces, reasonable price at Brace's. L-572-1-6-2.

—BUYING FURS TO JANUARY 8th.—Mr. Justin Potter of Paris, France, will continue purchasing Silver Foxes, paying good cash prices for same at office of B. Graham Rogers, Summerside, L-526-12-24-11, Jan. 8.

—SAD NEWS RECEIVED.—Mrs. Arsene Poirier received the sad news of the death of her brother, Mr. Camille Perry, who passed away at his home in Boston on Christmas eve.—S.

—CONGRATULATIONS.—The many friends of Mr. and Mrs. Irving Frederick of Summerside are receiving the congratulations of their friends on the arrival of a lovely baby girl on Sunday January 2nd at their home.—S.

—RETURNED HOME.—Miss Mollie MacKenzie has returned to her home in Boston after a pleasant Christmas holiday on Linkletter Road, the guest of Miss Effie Jeffrey.—S.

—WEDDING BELLS.—A quiet wedding was solemnized on Monday evening Jan. 3rd at the United Church, Summerside, when Sybil R. Hodgson, only daughter of Mr. and Mrs. James Hodgson, became the bride of George H. Clark, eldest son of Mr. and Mrs. Howard Clark, Alberton. The ceremony was performed by Rev. M. Davies. The following morning Mr. and Mrs. Clark left for Bathurst, N. B., where they will reside. Prior to her marriage the bride was showered by her friends at the home of Mrs. Jordan Hardy, Hills River, when she received many gifts of linen, glass and silver, also by the Guild of Alberton United Church where she was presented with a beautiful rug and tray.

SEEKS CHANGE

(Continued from page 1)

At conclusion of a preliminary hearing yesterday, Robicheau was committed for trial, charged with the murder of Cohen who died of gunshot wounds received Dec. 17.

Meanwhile, 23-year-old Frances Ward, scheduled to be one of the main witnesses at the trial, was back in custody of police, who had instructions from Chief Justice Baxter that she be treated "not as a prisoner, but simply as a lady who is remaining there (in county jail) until the trial."

Freed as a police witness following yesterday's preliminary hearing, Miss Ward was taken back into custody on charges from the Crown under an order issued today by the Chief Justice.

"This girl is a witness," he told Deputy Sheriff A. Clifford. "She is not charged with anything. She is simply being detained and she must not be treated as a prisoner."

Only one request was made by Miss Ward, when the Chief Justice asked if there was anything she wished—she asked to see her 24-year-old boy-friend against whom she was expected to testify at the trial. Chief Justice Baxter explained the request could not be granted.

Fate of another material witness, Louis Frateur, 43, remained uncertain tonight. C. Herbert Maxwell, inspector in charge of immigration here, disclosed that a recommendation that Frateur be deported to Italy, on grounds of "illegal entry" had been made to the Minister of Mines and Resources. Frateur has appealed the recommendation, and his appeal forwarded to Ottawa.

Gallant Wins Summerside Snooker Title

A large number of fans assembled at the City Billiard Parlours at Summerside on Monday night to witness the competition played for the snooker championship.

The first game got under way at 8 p. m., this contest was between the low scorers, Henry Martin and Roy "Pony" Daley, the game ended with Daley the victor by a score of 42 to 27. By winning the low scorers section Daley was eligible to play the winner in the high scorers section. The first game in the high scorers section was played between George Bishop and John Hayes, Hayes being victorious the score ending 36 to 27. Following this game Roland "Porky" Lyle and Val "Cople" LeBlanc (both high runners) played, LeBlanc winning over Lyle with the score ending 32 to 22. The winners in the high scorers section John Hayes and Cople LeBlanc then played with LeBlanc again victorious, with a score of 39 to 27.

The semi-finals between Cople LeBlanc and J. LeRoy "Sammy" Gallant, in this game LeBlanc was eliminated by Gallant the score ending 35 to 23. The final game for the championship between the low scorer "Pony" Daley and Gallant was played, Gallant defeating Daley with a score of 48 to 27 (Gallant's score being the highest of the evening).

The highest run recorded in Summerside was made by LeRoy Gallant about two weeks previous to the competition when he run 84 points out of a possible 107. It was regretted that Joseph Arsenault, Summerside boy, who is attached to the R. C. R. permanent force at Halifax and who was a high runner in the competition returned to Halifax on Monday morning and was unable to compete.

Mr. George Bishop, manager of the parlours donated a very substantial award to the winner, Harry Bishop was official referee while Glendon "Hoss" DesRoches handled the score board. Another contest will be held at a future date.—S.

Week Of Prayer Service At Summerside

All the services for the week of prayer in Summerside have been very largely attended and the service on Wednesday in Trinity United Church was no exception.

Rev. A. B. McDiarmid was the speaker. Rev. L. E. G. Davis presided and conducted the devotional period.

On Thursday Rev. J. B. Wilson was the speaker in the Presbyterian Church.

"God in Christ"
Text: "God was in Christ reconciling the world unto Himself."

Mr. McDiarmid dealt briefly with the question of "divinity"; how it was answered, by the Greeks with a mythical being having at least one divine parent, Hercules a good example; by the Romans with a superman; by the Christians with the Son of God.

The fact is obvious that, between God and man, or between divinity and humanity there is a great full fixed, but man must aspire to approximate to the revealed life of the Son of God.

The Son of God was landed in the world through the normal channel—but with no ties of earthly love born out of parental passion that would blind Him to the earth and make Him a creature of it, as is the case with a humanly conceived child.

The world is continually producing prodigies—children touched with genius, and science makes each an object of its study. Science never considered the case of Jesus; it was too elementary. As the scripture makes plain this strange power He possessed came from His father, "God was in Christ." The word of God enshrines the life of God in Christ and it is the stronghold of our faith.

Tracing the phases of his life ending with the scene on the cross where He prayed "Father forgive them." He couldn't plead their innocence, so he pleaded their ignorance—"They know not what they do."

The story of God in Christ is redeemed from ranking among the great epics of the world's secular literature by having a deep spiritual purpose.

SCHOONER

(Continued from page 1)

everything appeared ship-shape on board. Belief was expressed, however, that fuel was exhausted or mechanical trouble was experienced, otherwise the crew could have worked their craft through "leakage" in the ice. 130 gallons of fuel were taken on board prior to the vessel's departure from Georgetown for her home port where she was to lay up for the winter.

Times of the "Montcalm's" arrival would depend on ice conditions encountered on the 550 mile voyage from Quebec City, Mr. E. E. Clawson, marine agent at Charlottetown said yesterday. If the icebreaker was sailing through heavy ice speed would be reduced greatly at night. The Montcalm sailed from Quebec Wednesday and that night was ordered to proceed "with all possible speed" to the rescue of the "Mahone." Last word of the icebreaker's position was 10 a. m. yesterday when she was reported near the mouth of the St. Lawrence River.

Local marine officials expressed the opinion last night that if the weather conditions remained favorable the "Mahone" was in no immediate danger.

AIRMAIL INCREASE

WINNIPEG—More than 20 tons of airmail passed through the airmail office in the Winnipeg postal district during November. The December volume is expected to be larger.

KNEES WENT STIFF IN HIS SLEEP

Agony to Move Them When He Awoke

"For three years," writes this City man, "I suffered with pains across the lower part of my back. In the morning, I awoke with knees so stiff that it was agony to move them. Special treatment would make the pain a little easier—but that was all. Then a friend recommended Kruschen, which my doctor said I might take. I began with about a coffee-spoonful first thing in the morning. To my surprise I found my rheumatic aches and pains disappearing. I kept on with Kruschen, and although I am more than middle-aged, I have been free from pain for two years."

A. W. Rheumatic conditions are often the result of an excess of uric acid in the body. Two of the ingredients of Kruschen Salts have the power of dissolving uric acid crystals. Other ingredients assist Nature to expel the dissolved crystals through the natural channels.

Trade Board Arranges For Annual Meeting

Arrangements were made for the annual meeting of the Summerside Board of Trade at an adjourned meeting held last evening with the President, Mr. J. F. Arnett, presiding. It was decided to hold the meeting on the 27th to take the form of a banquet and entertainment.

Mr. Arnett, as chairman of the Fox Educational Week, gave a verbal report on the activities of the committee and stated that the fox demonstration had been successful from every angle. Letters of appreciation had poured in from those who had attended covering the Island from Tingleh to Souris. Mr. W. E. MacDonald said, that it was the most interesting event he had witnessed for many years and the committee deserved great credit for the way they had put the thing over. "They had bulldozed better than they knew."

Several communications were read and discussed and matters arranged for the annual meeting.—S.

FACTUMS

(Continued from page 1)

Interlocking and co-operative system extending across the Dominion, the newspaper factum states. Interference by a provincial legislature with newspapers in one province would injure the whole system.

For this and other reasons the factum claims the newspaper press is a national undertaking and belongs to the federal parliament's sphere of jurisdiction. The Canadian Press in its leased wires extending across the country represents a means of communication between provinces and the whole newspaper setup is comparable to telegraph, telephone and radio broadcasting, all of which are under Dominion jurisdiction.

Christmas Closing At Lennox Island

The children of Lennox Island School held their Christmas Closing just before Christmas.

The school room was filled with friends and parents of the children.

The teacher, John J. Sark, presided and introduced the speakers. He remarked that their beloved pastor, the late Rev. John MacDonald was still sorely missed by the children, as they always looked upon him as their Santa as he distributed gifts so generously to the children.

A generous gift of money was sent by His Hon. Lieut. Gov. DeBlos which was given as prizes for perfect attendance and class work.

The gift was appreciated by parents and teacher.

Speeches were given by several present congratulating the pupils on their work and the prompt manner in which they answered their examination questions, the speeches of Anthony and John Lababe were particularly encouraging.

After the examinations the children were treated to fruit and candy by their teacher. And the happy event was brought to a close.

Some of the speakers remarked that the school needed some repairs as with a big fire on the school was quite drafty.

The teacher hoped that they would be able to fix it up in some way to make it more comfortable for the winter.

Soviets Trim Capitols In Opener 4-1

The Soviets marked up one game to their credit last evening in the Crystal Rink by defeating the Capitols four to one, in the opening encounter of the MacLean League.

Mr. A. E. MacLean, M.P., made the first face off at centre ice to start the game and the league.

The first period got away smoothly and for ten minutes the boys were feeling each other out and backskating pretty carefully. Reggie Phillips then opened the scoring for the Soviets on a nice solo play from his own blue line. The pace quickened noticeably and for the balance of the period continued fast, getting rougher as the Capitols strove to even the score.

The second period was just nicely under way when Norman Wright drew a two minute penalty for tripping, and Leo Gauthier counted the second goal for the Soviets; his clearing shot from centre ice deflected from Mann's stick into the net. The game continued getting rougher, and Referee Chick Gallant found it necessary to penalize two Soviet men, Reggie Phillips and Wilfred Perry, doing two minutes each, but both times their team mates rose to the occasion and held the Capitols scoreless.

B. I. Rayner counted the Capitols lone tally in the first few minutes of the third period, unassisted, making the score 2-1 and raising his team's hopes for a victory.

Much heavy body checking was in evidence during this period, and Harold MacFarlane livened things up with his damaging upsets to the opposing defence.

Just when it looked as if the score would remain unchanged, the Soviets counted again when A. Clow scored on a face-off pass in front of the Capitols' net, closely followed by another counter from Reggie Phillips on a bouncing angle shot. This ended the scoring for the game, making the final score read 4-1 for the Soviets.

SUMMARY

1—Soviets, Phillips, unassisted. No penalties.
2—Soviets, Gauthier, unassisted. Penalties: Reggie Phillips, Wilfred Perry, Norman Wright.

3—Capitols, Rayner, unassisted.
4—Soviets, Blackeye Clow.
5—Soviets, Phillips, unassisted. Penalties: Gauthier, Harold MacFarlane.

Line-up

FREEDOM OF PRESS URGED AS ESSENTIAL

Validity Of Alberta Measure To Be Contested Next Week.

(By The Canadian Press)

OTTAWA, Jan. 6.—Canadian daily newspapers and their news-gathering association, The Canadian Press which for that purpose operates leased telegraph wires across the Dominion, constitute an interlocking and co-operative system which would be injured by any provincial or section regulations, it is submitted in a factum filed today with the Supreme Court of Canada on behalf of the Canadian Daily and Weekly newspapers.

Constitutionally and logically such a system fell under the jurisdiction of the federal parliament so that any regulation would be uniform across the Dominion. The factum explained the Dominion-wide services of The Canadian Press and stated every daily paper in Alberta was a member.

Interference by a provincial legislature with the newspapers of a province is illegal because the news press of Canada has attained such dimensions as to affect the body politic of the Dominion, the factum continued.

The factum will be the basis of argument in next week's reference on the validity of the bill "to ensure the publication of accurate news and information" passed recently by the Alberta legislature.

The newspapers associations contend the bill contemplates a drastic censorship of the press and that censorship of the press is and must logically be a matter for the exclusive jurisdiction of the federal parliament.

Interference by a provincial legislature with the newspapers of a province is illegal because the news press of Canada has attained such dimensions as to affect the body politic of the Dominion, the factum continued.

The factum will be the basis of argument in next week's reference on the validity of the bill "to ensure the publication of accurate news and information" passed recently by the Alberta legislature.

Moncton Civic Election Jan. 15

(C.P. By Guardian's Special Wire) MONCTON, N. B., Jan. 6.—Nomination papers of 17 candidates for the nine seats on Moncton City Council were filed with City Clerk L. T. Tingleh today, assuring a contest in every ward.

Mayor W. E. McManis will be opposed by former Alderman A. J. Taylor. Eight members of the present council are seeking re-election.

Hearing Set Back In New Brunswick

(C.P. By Guardian's Special Wire) FREDERICTON, N. B., Jan. 6.—Premier A. A. Dymally of New Brunswick revealed today that the Royal Commission on Dominion-Provincial relations will not sit here in February as had been planned.

Premier Dymally said it would be impossible to have New Brunswick's brief ready for presentation at that time. He was unable to say when the Commission would sit here but it was believed it would be in March or April.

Prominent Pictou Mason Succumbs

PICTOU, Jan. 6.—Following an illness of five years Duncan W. English, retired coal merchant and prominent citizen of Pictou, died at his home on Faulkland street at noon Monday, Jan. 3, at the age of 84 years. Mr. English had a noteworthy record of membership in fraternal orders having been a member of Eastern Star Lodge No. 1, I. O. O. F., for 57 years and of New Caledonia Lodge No. 11, A. F. and A. M. for 55 years. He held 50-year jewels from both orders.

Mr. English followed the sea in his early year, later entering the coal business in which he was engaged for many years until ill health forced his retirement. He was an adherent of First Presbyterian Church, Mr. and Mrs. English celebrated their golden wedding a few years ago.

He is survived by his wife, formerly Miss Mary Johnston, three sons, Town Clerk James P. English, Clifford and Clare G., and two daughters, Mrs. W. T. Ferguson and Miss Edna, all of Pictou. He also leaves one brother, John G. English of Abercrombie.
