RECRUITS WANTED.—Attention is called to Lt.-Col. Peake's recruiting ad for the new Siege Battery which appears elsewhere in this issue. Those recruiting now will be permitted to return home for the spring planting receiving full pay for their time.

DIED IN B. C.—The death occurred at Mission, B. C., on April 14th, of Mrs. Bruce Wright (formerly Annie Cameron) daughter of John R. Cameron, Albany, following an illness of a few months. The deceased was a devoted husband, one son, her father, John R. Cameron, and brother Henry living at Albany. The remains will be brought to her old home for burial.

ISLANDER ENLISTS.—Private J. Frank Oliver son of Mrs. Jessie Oliver, formerly of Alberton now living in Worcester with her daughter, Margaret C. Oliver graduate nurse enlisted sometime ago in Brandon, Manitoba with the 79th Battalion C. Company and is now in Halifax N. S. waiting to start for England with the Company. Private Frank Oliver is a brother of Mr. Norman Oliver, Alberton.

PRESENTATION TODAY.—The event of the season takes place in the event of the season takes place in the Summerside this evening at 7 o'clock when the Abegweit Chapter, Daughters of The Empire will present a full set of bugles and drums to "C" Company 105th Battalion. The Summerside Band will be in attendance and a programme of music, addresses etc. will be presented. Everybody is going to be present.

WOUNDED NOT KILLED.—The report in Saturday's issue that Sergeant John Nicholson of Hazel Grove had been killed in action happily proves to be an error. It appears however that he has been wounded. He is a son of Mr. Angus Nicholson of Hazel Grove and enlisted in the 26th Battalion at St. John. He is about 25 years of age. In the list of casualties copied from an exchange the same day, the name of Gunner Malcolm C. McAulay appeared among those who died from wounds. This also fortunately appears to be an error caused from a transposition of the type in the list of killed and wounded.

WEDDING BELLS.—The home of Mr. and Mrs. H. B. MacLeod of Fessil-fer was the scene of a very pretty wedding on Wednesday noon April 12th when their niece Miss Bessie D. Proffitt of Burlington, P. E. I., was united in marriage to Mr. Arthur K. Stewart of Calgary by Rev. W. K. Thompson. The bride looked charming dressed in white crepe de chene, and shadow lace with veil and orange blossoms carrying a bouquet of bridal roses. Miss Elsie Park and Miss Jean Macleod acted as bridesmaids, while Mr. Lloyd Crowe supported the groom. After doing justice to a dainty luncheon prepared by the hostess the bridal party motored to Cranbrook where Mr. and Mrs. Stewart left by the afternoon train for their new home in Calgary, accompanied by showers of rice, confetti and good wishes. The bride's travelling suit was of blue silk poplin with picture hat to match. The bride is well known in Kimberley, having resided there for the past year.

SPRINGFIELD.—The district is to be congratulated on having secured a teacher who is second to none in the Province, Percy J. E. Haslam, first year student at Hycliffe College, Toronto, returned to his home recently. Mr. Haslam intends to remain in the latter part of September. His many friends are pleased to welcome him back.—The Springfield Egg Circle is doing a rushing business under the able management of Mr. P. Sinclair who is very popular with his many friends.—The general mail courier M. T. Lambe continues to discharge his onerous duties in a punctual and obliging manner despite the many difficulties which he has to overcome. At the annual tournament of the Springfield Chest Club was recently held. The trophy was won by Mr. John S. Haslam.—Union Division S. O. T. continues to meet regularly and much interest is manifested in the work. The following are the officers for the present quarter:—W. P. Nelson Matheson; W. A. Mrs. Everett Haslam; R. S.—Peter Sinclair; A. R. S.—Bessie MacKenzie; F. S.—D. N. Mackay; Treas.—Walter MacKenzie; Chap.—Laura MacKenzie; Con.—Willie Haslam; A. Con.—Jack Matheson; O. S.—Charles MacKenzie; P. W. P.—John Haslam.

USE "TIZ" FOR SORE TIED, ACHING FEET

NO MORE PUFFED-UP, BURNING SWEATY, CALLOUSED FEET

Just take your shoes off and then put those weary, shoe-crinkled, aching, burning, corn-pestered, bunion-tortured feet of yours in a "Tiz" bath. Your toes will wriggle with joy; they'll look up at you and almost talk and then they'll take another dive in that "Tiz" bath. When your feet feel like lumps of lead—all tired out—just try "Tiz." It's grand—it's glorious. Your feet will dance with joy; also you will find all pain gone from corns, callouses and bunions. There's nothing like "Tiz" It's the only remedy that draws out all the poisonous exudations which puff up your feet and cause foot torture. Get a 25 cent box of "Tiz" at any drug store or department store—don't wait. Ah! how glad your feet get; how comfortable your shoes feel. You can wear shoes a size smaller if you desire.

THE MACKIESON PROPERTY.—This property situated on the corner of Euston and Pownal streets was offered at auction on Saturday but did not sell. The highest bid was \$5,500. The reserve was \$6,000.

At his sons residence, Dominion No. 1, Cape Breton on April 16th, Mr. John Gillis, aged 74 years. He formerly resided in Caledonia, where his remains were brought by his son William. His two daughters, Mrs. McPhee and Miss Christine both of Somerville, Mass. came to pay their last respects to a kind and affectionate father.

DALTONIA.—A correspondent writes that the residents of that part of the country which surrounds the Dalton Sanatorium have decided that the region shall henceforth be known by the name "DALTONIA." The name is happily chosen; for it looks well, and sounds well and pays a delicate compliment to the Island's foremost philanthropist.

SAD DEATH.—The sad death occurred at Summerside on Tuesday evening, April 25th, of Ida Althea, daughter of Bernard and Mrs. DesRoches aged 2 months and 8 days. The little one was put to bed by her mother about 8 o'clock in apparent good health and a half hour after was found dead. The sorrowing parents have the sympathy of the community in their sad bereavement.

LOBSTER SEASON.—The date for "setting the lines" has arrived but the ice holds fast and refuses to allow the "monsters of the deep" to be disturbed. Two new lobster packing establishments have been added to the list this year. Dr. J. A. Johnston is opening a large factory at Jude's Point at the head of Tignish Harbour, and the McDonald Brothers of Waterford are adding another to the numerous factories that dot the Waterford shore.—Y.

AGED RESIDENT ILL.—His many friends will be sorry to learn of the illness of Mr. John Stewart of Mount Albion. Mr. Stewart who is in his ninety-seventh year has always enjoyed excellent health till the present. He always took an active interest in the welfare of the community in which he lived for so long and was always ready to lend a helping hand. His friends hope to see him again in the near future and to enjoy his acquaintances for years to come, for though old in years is still young in mind.

FOOT AMPUTATED.—A telegram received in this City from the Adjutant General contains the information that Private David Fanning, of Charlottetown, reported wounded in the left foot a short time ago, has had the foot amputated in a hospital in France. The condition of the patient is reported as serious. It is a remarkable coincidence that this same leg was broken twice on different occasions several years ago. Much sympathy is felt for the parents of this brave Canadian young man but it is to be hoped that reassuring news regarding his condition will soon be received.

TELEPHONE EXTENSION.—A meeting was held in Mount Albion School, Wednesday evening to consider the advisability of erecting a Telephone line through Mount Albion, Hazelbrook, Waterside and Birch Hill. Benjamin J. Jenkins was appointed chairman, Ludlow Jenkins, Secretary. A general discussion as to probable cost, route and benefits to be derived took place and it was unanimously agreed that if satisfactory arrangements could be made with the Company that he be erected as soon as convenient. Committee consisting of Messrs J. W. Ballou, Seymour Myers and the Secretary were appointed to canvass the district to find out the number willing to take boxes also to meet the manager at an early date when they would report at their next meeting, after which meeting adjourned to meet May 7th.

On April 20th 1916 there passed to his Eternal reward Peter Moser of Glen Forest at the advanced age of eighty years. Deceased was a kind and inoffensive man, a good neighbor and a loving husband, and father. He bore his sufferings with great patience, not a murmur escaping his lips. Deceased was born in Dublin, Lunenburg Co. N. S. and came to this country forty-four years ago. He leaves beside his sorrowing widow, two sons and three daughters Mrs. Geo. Publicover of North Rustico, Mrs. Chas. Lutes of Glen Forest, Mrs. James Lutes of Glen Forest, Edward of Mount Vernon, and Charles at home. The services at the house and grave were conducted by Rev. John Gillis of Wood Island, who spoke very feelingly. Interment took place at Wood Island Cemetery. (N. S. papers please copy).

Production and Thrift

CANADA'S CALL FOR SERVICE AT HOME

Produce More and Save More

The Empire needs food. If you are not in the fighting line you may be in the producing line. Labour is limited—all the more reason to do more than ever you can produce. Every little helps. You are responsible for your own work. If you cannot produce as much as you would like, produce all you can. Work with the right spirit. Put fighting energy into your effort and produce now when it counts. The more you produce the more you can save. Producing and saving are war-service.

Make Your Labour Efficient

In war-time do not waste time and energy on unimportant and unprofitable work. Economize labour. Put off unproductive work till after the war, and, if possible, help in producing something needed now. Let us not waste labour. Canada needs it all. If possible help to feed the Allies. Make your backyard a productive garden. Cultivate it with a will. Make your labour count for as much as possible.

Do Not Waste Materials

There should be no waste in war-time. Canada could pay the annual interest on her war expenditure out of what we waste on our farms, in our factories, in production. The way for a nation to save is as good as a pound of increased to-day because of thrift in time of peace. The men, and women of Great Britain are not only "doing" but are learning to "do without."

Spend Your Money Wisely

Practise economy in the home by eliminating luxuries. Wasting our dollars here weakens our strength at the front. Your savings will help Canada to better investment.
