OFF TO PULP WOODS.—A large number of farmers and farmers sons are going to the Maine pulp-woods. Donald McInnis, Charwood and his son Herbert, student, St. Dunstan's University, James Hennessy, A. J. McAulay and Angus McAdam, Hermanville, have gone this week. Many of the lobster fishermen are also preparing to go, as fishing appears to be about done.

SCHOOL DANCE-SOCIALS.—Two very successful dance socials, in aid of the teachers supplements, took place during the week, one in the school house at Charwood, Tuesday night and the other in the school house at Rockbarra, Wednesday evening. At these dance socials the ladies bring pies or baskets. The dance is much more appreciated by the young folk than a concert and are very popular forms of amusement this spring in the eastern parts of the Island.

With a beautiful camera and the following address: To Miss Myrtle Deighan, Our Dear Teacher: We cannot find words to express our sorrow at your departure from our school, where you have labored so faithfully for the past two years, and have given the best of satisfaction in everything taught. By your untiring and encouraging efforts in the path of learning and above all, by your kindness in the school room, you have endeavored yourself to all the little ones, which time can never efface with humble hearts, we extend to you our thankfulness, for the pains and trouble you have always taken in trying to instill learning into our youthful minds. You performed your duties with such good will and patience, that we shall always look back on those days spent together as the happiest of our lives. We cannot allow you to depart from us, without offering you some little token of our appreciation of your kindness, which we ask you to accept, with our very best wishes as a remembrance of us all. In behalf of your affectionate pupils.

NEW YORK, July 6.—Tex Richard has announced that he will start negotiations at once to match Jack Dempsey with the winner of the Luis Firpo-Jess Willard bout for the world's title fight probably at Boyle thirty acres in September or October. Willard and Firpo, who will battle at the Jersey city Arena July 12, have signed an agreement under the terms of which the winner will be matched with Dempsey, Richard said.

A Willard at YOUR Price!

Whether you want the finest battery you can buy or the best you can buy at the price you want to pay, there's a Willard that just meets your needs.

For the Willard line is a complete line—the only complete line, because it includes not only wood-insulated batteries in a wide range of sizes and prices, but also the only Threaded Rubber Batteries made.

The lowest-priced reliable battery made is a Willard—the most efficient, most dependable, longest-lived battery is a Willard. And you can take your pick of any number of batteries in between, each one representing the kind of value that is possible only with large-volume-low-cost manufacturing, unusual resources and equipment, and long experience.

Each Battery a Leader!

Willard Wood-Insulated Batteries are the batteries which first established Willard reputation and they still lead their class, being better today than ever before.

The Still Better Willard Batteries with Threaded Rubber Insulation contain the biggest single improvement in battery construction since the earliest days of electric starting and lighting.

They have longer life; need less re-charging; have more "punch" to start a cold engine; are less likely to suffer from over-charging and do away with a repair bill of \$10 or more for re-insulation.

up to that of last year. This in itself is a very creditable fact when we consider the number of societies that contributed to the Christmas box for Trinidad. Death has claimed twenty-one of our members. Some of these being our most earnest and valued workers, but we can only say in the words of that beautiful hymn:—"Sleep on beloved and take thy rest. Lay down thy head upon the Saviour's breast. We loved thee well but Jesus loved thee best."

The following are the statistics for our Presbyterial to date:— Average attendance 535; Number added, 76; Life members, 28; Scattered helpers, 218; Members died, 21; Increase in funds, 27; Decrease, 24; Thank offering services held, 40; Mission boxes sent, 17 and 3 parcels; Societies taking up definite study, 26; Copies of Message, 964; Reports required, 320. Once more we have reached the end of a year; another milestone in our journey passed. In the year to come we must awake to the fact that the vast majority of the population is waiting for the Gospel. The generation after generation of heathen people—people capable of receiving the gospel have died in darkness since the Lord instituted and commended His church. How appalling the thought, yet how ill disposed we are to give value to these facts. The cry of absolute need is incessant through all the days of the year. It is the cry of the starving millions for bread. It comes to us through summer's heat and winter's cold. From Africa, India, Japan, Korea, the Isles of the sea, from Moslem lands. Thousands and thousands pass in Christless Graves each year. What does this mean to the church? What does it mean to each one of us? Let each one ask herself, how far am I responsible? Then let us by God's Grace try to redeem our failures of the past year. Let the motto of each member be "Pray and work." Yet let us remember,

pray and idly stand. And wait the stone to roll away at God's command. He will not break the binding cords upon us laid. If we depend on pleading words and will not aid. Respectfully submitted, ANNIE MATHESON, Secretary.

Mrs. Tait reported the packing of the Xmas Box for last year for Mrs. Morton in Trinidad. Thirty-four societies contributed to this box which was packed in Charlottetown and which arrived safely at its destination. The Secretary read a letter from Mrs. Morton telling how delighted she was with the contents of the box, and said how grateful they were to the Presbyterial of P. E. Island for sending it. The Home Mission Secretary, Mrs. R. McNeill, gave her report, emphasizing the need of consecration in our Missionary work. 50 societies contributed to Home Mission work. 19 have increased their giving, 11 have decreased. Mrs. R. A. Jamieson, of St. John who was a representative of the General Board at the Presbyterial, spoke of the urgent need of Home Mission work in the Maritime Provinces. A recommendation that had been passed by the Executive was then read to the meeting, which was as follows: WHEREAS, this Presbyterial has voted certain sums of Home Mission money for the support of Jewish work in the Maritime Provinces, and these now amount to the sum of \$2,000.00, two thousand dollars, and whereas our Synod has decided against undertaking distinctive Jewish work in its bounds at the present time, and therefore the aforesaid sum of \$2,000.00 is lying idle, and whereas there is urgent need of more money to support the Home Mission work which our Synod is now carrying on. Therefore the Executive Committee of this Presbyterial would recommend that the money in question be released for present use and allocated to the support of Home Mission work already existing in our Synod.

After discussion by several of the delegates it was moved by Mrs. Adams, seconded by Mrs. H. H. Rogers, that the recommendation be adopted. An assenting vote was given by the meeting. Motion was made for adjournment of the meeting till afternoon, when Rev. Mr. McLean appeared and in the name of the Tyne Valley ladies, invited all delegates and visitors to luncheon in the Hall adjoining the church. After doing justice to the splendid repast, and no other word could be used to describe it—the delegates returned to a social hour meeting old friends, and back again to the church at 2.30 o'clock for the afternoon session. After devotional exercises led by Mrs. Montgomery there was a roll-call of Delegates, resulting as follows:—Delegates, 78; Visitors, 150. The secretary of Young People's work being absent, her report was read by Mrs. McMurdo. This report showed only an average attendance at the meetings held during the year, the girls not taking as much interest in mission work as their leaders would like to see. Different ways of raising money had been tried but the voluntary offering was urged, as being the best way of contributing. Mrs. Keith Boswell, Mission Band Secretary, reported 44 Mission Bands, all but 4 or 5 have reported this year and are doing excellent work. After Mrs. Boswell's very excellent report was read, Mrs. Hubert Phillips sang a solo which was very much appreciated by the delegates and friends who completed the church. Rev. E. J. O. Fraser, one of our Missionaries who is home on furlough from Korea, then gave a talk on Korea, which was listened to with great interest. He spoke of the wonderful work some of the native Christians do among their heathen friends and neighbors, all their eagerness to tell to others the good news of the Gospel that they themselves have heard from our Missionaries. Miss Louise Lawson, Pres. Treasurer, gave her report, the auxiliaries leading in contributions were North Belvedere with \$726.00, New

E. I. PRESBYTERIAL IN 36TH ANNUAL CONVENTION

The 36th annual meeting of the P. E. Island Presbyterial was held on July 4th in the picturesque little village of Tyne Valley. The weather was ideal, and the good Tyne Valley and the surrounding country gave a very hearty welcome to all the delegates and those who came to attend the different sessions. The meetings were largely attended, and a deep interest was shown in the work that was done during the year, as reported by the secretaries and the different officers. The morning session opened with earnest prayer by the President, Neil McLeod of Summerside, followed by devotional exercises led by Rev. D. K. Ross of Belvedere, who gave a short but very interesting address, and the devotional period closed with the singing of Hymn No. 100. When the business was taken up the following committees were formed, as follows:—Nominating Committee, Mrs. Adams, Mrs. B. W. Tanton, Summerside. Mrs. Tait, Charlottetown and Mrs. Christie, Alberton. Resolutions Committee—Mrs. R. Rogers, Charlottetown, Mrs. E. J. Alberton, and Mrs. D. M. McMurdo, Hunter River. Finance Committee—Miss Myrtle Alberton and Miss Stavert. An address of welcome was given by Mrs. Vans McLean of Tyne Valley, followed by Mrs. Tait, Charlottetown. Fr. Matheson, of O'Leary, Pres. Secretary then read her report which listened to with great interest. The following is the report: The Officers and Members of the P. E. I. Presbyterial, and their Fellow Workers:—

Once again it is our privilege to meet in annual convention; to look into the faces and to clasp the hands of old friends; to make new and lasting friendships but chiefly to review our work of the past year, to note the success and failure, to plan anew for our future efforts in the great cause of Missions. In this report I would like to bring before you a few of the reasons why we should be active in mission work. The original commission given to men to preach the Gospel there is no mention of any nation. The Grace of God appeared bringing salvation to all people,—therefor the message is for all mankind with no distinction of tribe, tongue or section of the globe. The gospel is not a matter of locality, it is a matter of humanity. It is needed by all, it is suited to all, it is the right of all to have it. All men, whatever the color of skin, characteristic of tongue or measure of intelligence, are under sin's curse and need the Saviour. It is their right to know Him. To even raise the question of the suitability of the gospel to the darkened people in the regions beyond is irrelevant. If the gospel is not suited to them then it is not suited to us, to deny them the right to have it is to misunderstand the purpose of Christ's coming to the world; it is to say that the atonement is local in its sphere and benefit, that Christ's religion is for only part of the world. Shall those who know not the Saviour be permitted to pass away without an opportunity to know Him. May we awake to the tragedy of our indifference to His commands and realize before it is too late our responsibility and opportunity. The evangelization of the whole world must be the supreme purpose of the Church; therefore it must be the supreme purpose of the Presbyterial Church in P. E. Island, therefore of every congregation and

individual members. Only as we adjust our lives to God's purpose for His church will we realize our best life and highest prosperity in our local congregations and in christian work in the homeland. We do not forget that the Master's last promise "Lo I am with you all ways" is connected with His last command "To disciple all nations." The promise of His divine presence is available for all those who grasp the great thought of a lost world and seek to meet His will in regard to it. How often do we hear the question, Do missions pay? They do in every way. No investment of money pays such high interest as that expended for the furthering of the knowledge of Christ. I am pleased to report the organization of two new auxiliaries during the year, Wood Island with an enrollment of 85 members, and Alma recently organized, this makes a total of 67 auxiliaries. Of these 61 have reported. Those not reporting are, Caledonia, Mayfield, Appin Road, West St. Peters, Georgetown and Greenwich. The average attendance is still small, only 33 per cent. Societies certainly have a good excuse for non-attendance during the past winter. Yet a little thought and planning on the part of our members would give us a larger attendance, which would doubt be a means of greater success. The Societies making the highest average are, Lower Montague, Rollo Bay and Lot 16. Twenty-one of the other Societies make fifty per cent or over, all the rest fall below. Wood Islands leads in membership, followed by Zion, Kensington and Orwell. Seventy-six members have been added during the year. Peter's Road and Tyne Valley leading with six each. The number of life members for the year is twenty-eight, Kensington and Summerside having the most, four each. There is a slight increase in the number of Messages taken. This little paper stands on its own merit and is well worth the small sum asked for it, and still there are five Societies that do not take a copy of it. The number of boxes sent is well

prayed and idly stand. And wait the stone to roll away at God's command. He will not break the binding cords upon us laid. If we depend on pleading words and will not aid. Respectfully submitted, ANNIE MATHESON, Secretary.

London, \$615.00; Summerside \$601.00; Kensington \$579.40; O'Leary, \$360.00. Total amount raised for Foreign Missions, \$5,998.73. Home Missions, \$2,388.20. Widow's Chain Fund, \$67.95, making a total of \$8,453.88. In addition to the above, St. James' Auxiliary and C. G. I. T. has sent the sum of \$184.00 and Zion Church Auxiliary and C. G. I. T. \$90.00 as a personal gift to Dr. Florence Murray in Korea. Also Elmisdale Auxiliary sent \$24.00 to British Guiana to help educate a young girl there. An excellent paper written by Mrs. McPherson was read by Mrs. Robertson of Kensington. The hope was expressed that this paper might be published in the "Message" so that all our Auxiliary members might read it. The report of the Nominating Committee was as follows: Hon. President, Mrs. B. Rogers; President, Mrs. N. McLeod; Secretary, Mrs. Matheson. Treasurer, Miss Louise Lawson; Home Mission Secretary, Mrs. Christie, Mission Band Secretary, Mrs. Keith Boswell; Literature Secretary, Mrs. Waite, Summerside; Y. P. Secretary, Miss Adelaide Humphrey. It was moved and seconded that the society send an expression of their deep sympathy to Mrs. B. Rogers, Alberton, the Hon. President of the Presbyterial, in her recent bereavement. A vote of thanks was tendered the retiring officers, Mrs. R. McNeill, Mrs. K. J. Martin and Miss M. McDonald, and words of appreciation spoken of their faithful work during the years that they held office. The evening meeting was a public one, and very interesting. The greetings of the Presbytery of P. E. Island were given to the delegates by Rev. Mr. Robertson and Rev. Mr. Christie. Excellent music was rendered by the choir. Rev. Mr. Fraser of Korea spoke of the work in Korea, and of the need of more money to carry on the work. Mrs. Jamieson spoke on Home Mission Work and told of visiting some of our Home Mission stations in the Maritime Provinces and of work in our Girls Home in Truro. Rev. Mr. Stavert dismissed the meeting with the Benediction and a very interesting Presbyterial was over.
