Remembrance Day At Souris

Citizens of Souris gathered in front of the Legion Home to honor the war dead. A parade was called which moved to the cenotaph by Sgt. Major L. H. Cheverie under command of Capt. McCarey. Stewart, Legion Members, Reserve Army, Boy Scouts and School children.

Service at the Monument was impressive, beginning with a salute from the town siren at 10:58. The silence was observed. Cpl. L. Strong sounded Last Post and Reveille while church bells added a further touch of solemnity. At 11 A. M. President B. L. Stewart read the remembrance poem "They Shall Not Grow Old" which was followed by an address from Father Ayers.

Annual Meeting Montague Curling Club Held

On Friday evening the Montague Curling Club held their annual meeting at the Club room with a large number of members in attendance. The meeting was presided over by the president, Mr. Keir Clark. The minutes of the past meetings were read by the secretary, C. St. Clair Trainor, which were approved. Mr. Trainor then presented the financial statement showing receipts of \$1,327.77, expenditures of \$1,302.92, and balance of \$24.85. The report was adopted. The report of Carl Stewart, games committee chairman, showed the following winners of trophies, Clarkson Shield — A.E. Sullivan, skip, C. MacDonald, L. Wigington, James McLean. Special pins — Keir Clark, skip; W.R. Gilbert, H. Fraser, A.E. Sullivan; Strawberries — Dr. L.A. Johnston, skip; H. Higginbotham, L. Johnston, James MacLean. Bears trophy — Dr. G. Inman, skip, L. Wigington, H. Stewart, D. Sempie; Regal Flour — C. Boudreau, skip; R. Beck, D. Coffin, E. Carver. Physical Fitness — C. Boudreau, skip; R. Beck, D. Coffin, E. Carver.

In closing his report Mr. Stewart urged that two former members be retained on the games committee who through their experience would make the drawing up of games so much the easier. The election of officers and committees followed: President, Keir Clark (re-elected); 1st vice-president, Carl Stewart (re-elected); 2nd vice-president, A.E. Sullivan (re-elected); secretary-treasurer, C. St. Clair Trainor (re-elected).

Nominating committee L.H. Poole, A.E. Sullivan, C.S. Stewart; ice committee G. Gordon, J. Larkin, G. MacDonald; entertainment, L.H. Poole, L.A. Johnston, H. Smith; games, C.S. Stewart, C.H. Kydd, D. Coffin; building, G. MacIntyre, K. Clark, A.C. MacKay; membership, F.G. MacIntyre, Ralph Beck, Walter Beer; publicity, H.F. Landry, Bryer Llewellyn; outside games, L.H. Poole, K. Clark, C. St. Clair Trainor.

It was decided that the appointment of a junior committee be postponed to a later date. Under new business a lengthy discussion took place regarding the purchasing of the kitchen annex erected by the ladies of the Beaver Club. Since the ladies are intending to build a permanent dance hall, the disposal of the kitchen presented a problem. The curlers have decided to purchase the kitchen for \$300.00, the acquisition of which will be to the advantage of the curlers.

Owing to some dissatisfaction regarding the time at which the teams should be on the ice, it was moved that 9 p.m. and 11 p.m. should be the deadline, so that the ice should be clear for the second games at 9 p.m. It was also moved that the new set of matched stones be assigned to a definite ice, and to remain there for the season. Discussion also followed regarding another new set for the second ice, but this was deemed inadvisable at the moment. However, since some years ago eight identical sets had been purchased at one time, it was thought possible that these might be acquired, thereby having a second matched set for the second rink. Consequently a committee to approach the owners of these sets was appointed, comprising Messrs L.H. Poole, James Larkin and A.E. Sullivan.

It was moved and seconded that the fees of \$15.00 for experienced curlers, \$10.00 for first year curlers, and \$5.00 for associate members, remain in effect for the ensuing year.

The matter of curling on Saturday night was brought under discussion, and such curling met with general approval with those interested arranging their respective games.

A vote of thanks was tendered the ladies of the Beaver Club for newly decorating the club room. The meeting then adjourned.
