SOJOURNERS PROMISE GREAT REVELATIONS AT ANNUAL SESSION

CINCINNATI, O., Dec. 21.—Important discoveries, far beyond the present scope of science, are to be revealed for the first time at the 77th annual meeting of the American Association for the Advancement of Science opening here Dec. 27.

The convention, meeting in 15 sections and representing practically every branch of scientific study and development will continue through to Jan. 2, 1924.

The convention, meeting in 15 sections and representing practically every branch of scientific study and development will continue through to Jan. 2, 1924.

The association now has more than 10,000 members in good standing representing the following sciences: Mathematics, physics, zoology, botany, anthropology, psychology, sociology and economics, philology, engineering, medicine, agriculture and education.

INCIDENTALLY THE OWNER OF THE house or shop burgled will be able to recover damages for broken

IN MEMORIAM MRS. MATTHEW BURNETT

Her family abroad, and many friends were very much shocked when they received the news of the sudden illness of Mrs. Matthew Burnett, of Fort Augustus, which

caused her death, after only two weeks of illness, of paralysis. The late Mrs. Burnett was the third daughter of the late Hugh Cumiskey and was born in Glenfinnan 68 years ago, removing to Fort Augustus about 42 years ago, out of that time she spent fifteen years in Charlottetown, then removing back again she remained there till the time of her death.

The late Mrs. Burnett was a woman of high standing in the community she lived in. She was loved by her children and as a partner will always be missed. Her first thought was her religious duties, never forgetting that life was but a fleeting shadow; they came her children's welfare, always caring for them with her tenderest love. She was one of those motherly women that is seldom found in those days, mild, humble, kind and loving, always ready with a helping hand when needed. She was visited every day by her kind and loving pastor the Rev. A. J. McDonald, Fort Augustus. She leaves to mourn a loving husband, one son and three daughters, and an adopted son, James Hayes; The

son is James of Dorchester, Mass., Mrs. Frank and Louis O'Brien of Sumnerville, Mass., also Florence Burnett, of the same place, all whom were at her bedside during her illness till her death came Wednesday, Dec. 12. Her sons—the late, Thos. Burnett of the Charlottetown Post Office pre-deceased her about two years and a half ago. Her sisters and brothers are Mrs. Jas. Trainor, Glenfinnan; Nellie of Cambridge, Mass.; Jas. H. Cumiskey of Webster's Corner, and Hugh on the old homestead. Her funeral took place Friday morning last to Saint Patrick's Church where a Requiem High Mass was celebrated by the Rev. A. J. McDonald, thence the remains were laid to rest in the cemetery beside her two sons John and Thomas. May her soul rest in peace. (Patriot and American papers please copy.)
