HERE IS GOOD ADVICE TO TAKE

It will help those who have **Kidney and Bladder Troubles.**

There are other "old enemies" similar to the one mentioned in this testimonial. Kidney and Bladder Troubles are always enemies to good health. As soon as you start to take GIN PILLS these ailments begin to disappear. It is the same in cases of Lumbago, Sciatica and like complaints. This letter illustrates the benefit of GIN PILLS.

Winnipeg, Jan. 6th.

"I have been a sufferer from Lumbago for some years past and during Christmas week had a very acute attack which confined me to the house. About the latter part of April, I met your Mr. Hill and mentioned my complaint to him. He advised me to take GIN PILLS. I have been taking them at intervals during the early part of the present winter, and up to date have had no return of my old trouble—in fact, I feel better than I have for years and think that my old enemy has vanished for good and all."

H. A. JUKES.

THIRTY YEARS AGO.—An Amherst exchange in recording the happenings of thirty years ago, says:—"H. Price Webber, well known in Charlottetown, the veteran showman, was then enjoying his halcyon days. He had just closed a seven nights' engagement in Amherst. The last play presented was "British Born."

HARTSVILLE.—Rod McKay is doing a rushing business this season with his gasoline engine. He is a hustler.—Allan McLeod paid a visit to Hartsville last week.—Highland Division, S. O. T., No. 265, is progressing favorably under the program contest, the girls against the boys.—Wills Nicholson of Stanley Bridge is visiting Murdoch A. McLennan, Hartsville.

YORK.—A very interesting meeting of Excelsior Institute met in York Hall Feb. 22nd when Dr. J. C. McDonald gave a very helpful address on the care of the horse. He gave his address from three standpoints viz.—Feed, exercise and sanitary conditions, after which a number of the members made some helpful remarks. At the close of the meeting a unanimous vote of thanks was tendered to the doctor which he replied to in a suitable manner. The institute will meet again Saturday evening, March 1st, 7.30 p. m. B. C. Hardy, Union, will demonstrate on lightning protection and the ladies are specially invited to attend.

A pleasing dentifrice that has no bad points and all the good features of the best is Rexall Tooth Powder. It is just the thing for preventing and curing acid mouth, destroying all bacteria and as a gum hardener and tooth whitener it is in a class all its own. Put up in sanitary tin can with patent sixteen top. 25c. The McKinnon Drug Co., Corner Great George and Kent Sts. Mtf.
