Why A Farm Needs A Milwaukee Air Power Water System

Combined in a few words, the answer is: Because it is the best investment a farmer can make. Time spent in carrying water, in pumping water and in taking the stock to the watering trough is time that can be used to better advantage at other work.

The matter of home comfort also is important. Isn't the wife of the farmer just as good as the city woman?

What about the children? Is there any reason why they should not have a home equipped with a bath room and inside toilet just like their city relations?

And to think what it means in case of fire to have a hose handy and eighty pounds water pressure to fight it with.

Call in the next time you are in town and look over our demonstrating outfit.

"ORANGE PICNIC.—Star of the East L. O. L., Georgetown, held their annual picnic at "Rowandale" the home of Mr. and Mrs. John A. Gordon, Brudenell River. A large number were present and a good time was enjoyed by all, the time being pleasantly spent in games on the lawn, also in running, leaping and throwing the light stone. Tea was served beneath the trees, the wants of the inner man being fully attended to. As the shades of night were falling the company departed for their respective homes, but before doing so, a hearty and unanimous vote of thanks was extended to Mr. and Mrs. Gordon for the use of the grounds and for their assistance in making the day's outing such a success.

"GLEN WILLIAM SCHOOL.—The semi-annual examination of Glen William School was held on the afternoon of Wednesday June 30th. The pupils were examined by their teacher, Miss Katie Matheson and acquitted themselves in a most praise worthy manner. After the examination the pupils entertained their visitors with songs and recitations. Prizes for regularity of attendance were presented to John Martin and Sadie MacDonald by their teacher, Mary MacLeod and Margaret Martin were presented with diplomas, granted by the Board of Education for the successful completion of the elementary subjects. Miss Mary MacLeod read a nicely written address to the teacher, expressing the regrets the pupils felt at her departure. On behalf of the school, Master Robert MacPherson presented her with a nice gift as a further token of their love and respect. In a few well chosen words the teacher thanked the pupils for their kind words and loving gift, and expressed the real sorrow she felt to see the connection with the school. After candy had been passed to visitors and pupils by the teacher appreciative remarks were made by the visitors and regrets were expressed that Miss Matheson's valued services were not to be secured for the ensuing year.

"Bobby, your mother tells me you are a very bright boy, and she expects you to be a great man," said Mr. Blossom, as he sat in the parlor waiting for Bobby's sister. "Ma never does 'speak right. She doesn't know what she's talking about. She told dad she 'spected you and my sister would be married 'fore spring, and that was more than a year ago."

MacDonald, Laurier, and Borden popular esteem. While congratulating him on his promotion to the larger field we cannot help a feeling that owing to our liking for him had we our way, we would be mean enough to keep him in New Glasgow. We are awfully sorry to see him go and in this we are endorsed by his hosts of warm friends in business, the church and in curling circles.

North Milton School Examination.

The semi-annual examination of North Milton School was attended by quite a number of rate payers and visitors. The pupils were examined by the teacher and showed by their prompt answers

that they had received careful training. Two of the pupils, Leslie Hooper and Eric Coles received their school leaving certificates from the Department of Education. A prize given for the best flower or vegetable garden was won by Elizabeth Coles.

After the examinations an enjoyable program of dialogues, reading and recitations was rendered by the pupils.

Complimentary remarks were made by Mr. Fred Rodd congratulating the teacher and pupils upon a successful examination and progress made by the school.

The teacher was presented with an appreciable sum of money, and the following address read by Elizabeth Hooper:—

To Miss Sadie Bell, North Milton School.

Dear Teacher:—

It is with mixed feelings that we, your scholars, and our parents, gather this afternoon to bid you good-bye and wish you God-speed in your venture in a newer con-

try. While we shall miss your kind help and instruction and your genial smile, we trust that you may make new friends, and attain to fame in our great North West. May you have a pleasant journey thither, and may Dame Fortune smile upon you, and in due time bring you safely home again crowned with the laurels of success.

We ask you to accept the accompanying gift as a very small token of our appreciation of all you have done for us, and hope it may help make your long journey a little more pleasant. We will not readily forget you and trust that you will some times think of us.

Signed on behalf of the North Milton School,

ELSIE D. HOOPER,

ERIC H. COLES.

The teacher in a few well chosen words thanked the people for their kindness. The singing of our National Anthem brought the Examination to a close.
