**Armistice Day
Program At Queen
Square School**

Last Wednesday afternoon a fitting Armistice Day program was carried out at Queen Square School. The chairman for the occasion was John Walsh, a Grade X pupil.

The program opened with the singing of O Canada by the school. The role of war dead in World War II was then read by Leith Sweeney, as was also a poem "We Remember Them" in tribute to their sacrifice. A one-minute silence was observed by the student body in memory of the boys from Queen Square School who made the supreme sacrifice. This was followed by a school chorus "Land of Glad Tomorrows".

The chairman then called upon the guest speaker, Col. J. D. Stewart, D.S.O., who gave a timely address on the meaning of Armistice Day. During the course of his address the speaker stressed the following points: The importance of the Queen Square School Cadet Corps and others in furnishing officer material for the services in World War II, the meaning of real freedom as Canadians enjoy it today, and what the buying of poppies means to disabled veterans. The personal experiences that he had while overseas, gave additional interest to his talk.

At the conclusion of his remarks a well merited vote of thanks was moved and seconded by Don McNally and Vernon Gallant, pupils of Grade IX. Col. MacDonald added his words of appreciation to Colonel Stewart for this interesting message to the pupils. The program closed with The King.

**Middleton Mayor Is
Nominated By Liberals**

MIDDLETON, Nov. 11—John Douglas McKenzie, 59, creamery operator and Mayor of Middleton yesterday was nominated by a strong majority to represent the Liberal Party in the December 19 by-election in the constituency of Digby-Annapolis-Kings. Mayor McKenzie defeated the only other nominee, Roland D. Sutton. Fort Williams, president of the Apple Marketing Board at the Liberal nomination convention held at the Capitol Theatre this afternoon by a vote of 129 to 49.

Sport Echoes

(Continued from Page 6)

merside sextet showed the same superiority over their rivals for a second time in the second and third periods and Davis in the net for the sailors had to be good to stave off the attack of the Westerners in each case. Towards the end of each of these sessions our All-Stars suffered a total eclipse and the fans found their way through the fog to chalk up their rather convincing victories. Now, it isn't plausible that the Navy boys would solve our boys' style of play and then lose it again for a time in each period, is it? Hence, as the geomancers say, we lost because the players couldn't stand the pace, and they couldn't stand the pace because they were not yet in condition.

So chuckle about it, Charlottetownians. Give us the old razzberry while it is still in season. But that last loud guffaw is the one that counts, isn't it? And we can still hear the echo of the one the Summerside players and fans indulged in at the end of last season.

Young Wilfred Arsenault in the nets for Summerside was in no wise to be blamed for the defeat. His work in the local cage was entirely satisfactory and we think he will do. The brilliance of Davis in the Navy net overshadowed his efforts a bit, but he turned in a game that should, and we believe did, meet the approval of the local management.

There are nearly 10,000,000 radios in Great Britain, or one for every five persons.

Large Remembrance

(Continued from Page 1)

that "the human qualities which bring victories in earthly wars are not enough to win the peace which is the gift of God to the children who do His will." Canon Malone stated the purpose of the remembrance service and commended the souls of the dead to God's everlasting glory.

In a well-ordered ceremony, wreaths were placed on the Monument by Lt-Governor J. A. Bernard on behalf of the Crown; Premier J. Walter Jones for the Provincial Government; Maj. N. W. Lowther, M.M. for the Mayor and City of Charlottetown; Capt. J. J. Connolly, V.D. for the Canadian Legion (B.E.S.L.); Mrs. E. G. Pophin, president Women's Auxiliary of the Canadian Legion; Lt. C. H. **...WHERE BATTERIES
MUST BE DEPENDABLE!**

At the first sign of fire, the forest ranger instinctively reaches for his telephone, confident his call will go through.

To justify the confidence which has been built up in the reliability of telephone service, the telephone companies leave nothing to chance. From long experience their engineers know that Exide batteries are thoroughly dependable. KEEP THIS FACT IN MIND WHEN SELECTING A BATTERY FOR YOUR AUTOMOBILE.

Ask the Exide dealer in your community to check your battery every two weeks. He will help you get the most life out of your present battery and, only when a new battery is essential, will he recommend the proper Exide to suit the electrical requirements of your car.
