MUSICAL TREAT AT CARDIGAN

The parishioners of Cardigan are still talking laudably about the concert given in the hall on Monday, April 1st. Such a programme as was furnished was quite fit to grace the boards of any of the best auditoriums.

Leading off was that musical genius, Rev. Father Theodore Galant, Sturgeon, who in a masterly organ selection set a high standard for the succeeding performers.

The next number was a vocal solo, well sung by Mr. Green, Vernon River. Mr. Green has a rich and powerful bass voice which is heard to splendid advantage in solo work.

A recitation by Master Donald McLaren, Cardigan, was most creditably given. Master McLaren was "bright at home" on the stage and with good enunciation, accentuated by a strong voice which could be heard anywhere in the hall acquitted himself admirably.

Upon her appearance to sing Miss Mary Collins, Vernon River, who is always a favorite with Cardigan audiences was accorded an unequivocal reception. Her pleasing soprano voice, which showed training and gave evidence of considerable culture, was heard in two well selected ballads.

Mr. Andrew McDonald, Cardigan, surprised his friends when he came out to deliver a cornet selection. The solo was well played and heartily enjoyed by all.

This was followed by a recitation by Miss Hazel Lewis, who interpreted a "heavy" and difficult piece in a most successful manner.

One of Charlottetown's most popular female vocal artists, Miss Georgina Kelly, made the acquaintance of a new audience and left an excellent impression of the fine qualities of her splendid voice. She will always be a welcome number on any Cardigan programme.

The dramatic ability of Cardigan was exemplified in the staging of a one act farce entitled "As Like as Two Peas." The following participated—Messrs. M. McLaren, Ella Beaton and Messrs. Andrew McDonald, Richard McPhee and Bertram Walsh and all interpreted their respective roles in a clever and accomplished way. It would be invidious to particularise each member of the cast was just good. It is hoped that the high appreciation of their efforts in this sketch will serve as an incentive to further productions of this nature.

Mr. J. P. McInnis, Charlottetown, was well received and rendered two popular ballads which were highly appreciated by the audience as shown in the unstinted applause given.

Last but not least was the vocal solo by Rev. Dr. Bernard Gillis who captivated his audience with his beautiful tenor voice in two choice selections.

The whole affair was a grand success, from every point of view, and the Reverend Pastor feels truly grateful to all and so expressed himself at the conclusion of the programme in a sincere and concise speech.

The sale of baskets which followed netted over two hundred and fifty six dollars.—Com.

IN MEMORIAM

MRS REUBEN BREHAUT
 (Née Cathrine McPherson)

Mrs. Reuben Brehaut, Lyndale, (Née Cathrine McPherson) was born in Lyndale fifty-two years ago, and peacefully passed away on March 18th after an illness of several weeks. She leaves to mourn their loss her husband and four children, one son and three daughters, the eldest being about nineteen years—Robert, Sadie A., Ella A., and Mary P.

Two sisters and two brothers also survive her—Mrs. Green of Boston, Mrs. M. Marchison, Mt. Buchanan, Belfast, Donald in New Zealand, and L. H. of Lyndale, on the old home. Mrs. Brehaut was an intellectual woman of the qualities and noble Christian character. She will be greatly missed not only in the home and community, but in the church of Orwell Head where she was a consistent member. She was a teacher in the S. School and active in the societies of the church.

She seemed to be specially needed among her family of growing children, but a wise Father called her away, and it is fitting to submit to His will.

The funeral service was held in the Orwell Head Church, conducted by her pastor, Dr. McEwen, and the remains laid away in the cemetery near by. Truly blessed are the dead who in time of health make ready for the great change and who pass home to receive the welcome given to those who are faithful.

WM. GORDON McLEOD.

Wm. Gordon McLeod, son of Mr. and Mrs. J. M. McLeod, Vernon, was only twenty-four years old, so passed away at the beginning of his young manhood. He leaves to grieve beside his father and mother, two sisters and two brothers, Mrs. S. Mac-

tin of Kinross, Mrs. Capt. Murray of the neighboring Province, and Malcolm and Dingwell at home. Also his faithful, loving young wife and little daughter. Mr. McLeod with his wife and child moved to Trenton, N. S., a year ago, where he was employed in connection with the munition works. While there he received some injury which brought back an attack of rheumatism from which he suffered before. He was treated in the hospital in Trenton, and later brought to his father's home. He had during his illness the best medical skill available and gentle nursing. At times there were slight hopes of recovery. For the sake of his loved ones he would like to live. But Gordon committed himself fully to Him, who is wise in His dealings, merciful in His judgment, and faithful to His promises to those who trust Him. Thus on March the fourth he passed away fully resigned to the will of God.

The funeral services were held at the home on the sixth of March, and although the day was stormy, a large concourse of people gathered to follow the remains to the last resting place. Dr. McEwen, his pastor, led the services and his favorite selections of songs were rendered by friends of the deceased. The interment was in Orwell Cemetery.

MRS. ALLAN McLEAN

There passed away from this life a much respected citizen of Clyde River on Feb. 23 in the person of Mrs. Allan McLean. She was a quiet homemaker, but a gracious, godly woman. As a wife and mother she excelled many. Her home influence still lives in the lives of her children and grandchildren. She was for many years a helpful member of the Clyde River Baptist Church and her last words to her Pastor were "which ever way it be, whether life or death, it is well with me." The funeral service was conducted at the home of her son Mr. Charles McLean, by the Pastor Rev. A. Hurn assisted by Rev. W. McLeod.

Sweet is the memory of her gracious life
 Sweet will it be to meet her again.

MRS. MARCILINE GALLANT.

On March 23rd there passed away to her eternal reward at the age of 93 yrs. and two months Mrs. Marciline Gallant, wife of the late Etienne Arsenault, Urbain Ville. Deceased was the oldest inhabitant of the parish and leaves to mourn the following near relatives; a brother Peter Gallant and a sister Mrs. Lamable Arsenault and one daughter, Mrs. Gilas Arsenault. Her last years were spent at the home of her step-son Hubert Arsenault, where she continued to live her Christian life and to bless the young generation growing in that home. Her interment took place from St. James Church, Egmond Bay on 25th—M.

MR. DONALD McPHERSON

There passed peacefully away at Charlottetown on March 12th, 1918, after a few days illness, Mr. Donald McPherson at the advanced age of ninety years. Quiet and unassuming, the deceased was a man of sterling qualities and

 A. C. Maddonald,
 Lieutenant Governor
 GEORGE THE FIFTH, by the Grace of God of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.
 To all to whom these presents shall come or may concern.
 WHEREAS, it has been made clear that an adequate supply of foodstuffs to Great Britain and her Allies is now one of the most critical and essential problems in connection with carrying the war to a triumph;
 AND WHEREAS, Our Province of Prince Edward Island by virtue of its agricultural resources and good farming lands, occupies a position of special responsibility and opportunity;
 AND WHEREAS, the season approaches which shall determine for another year the amount of foodstuffs the way to a triumph;
 AND WHEREAS, Our Province of Prince Edward Island by virtue of its agricultural resources and good farming lands, occupies a position of special responsibility and opportunity;
 AND WHEREAS, the season approaches which shall determine for another year the amount of foodstuffs the way to a triumph;
 WE THEREFORE, believing it to be the aspiration of Our people to discharge every responsibility as in the past, and confident of their willingness to take advantage of the opportunity involved, to the end that the cause of righteousness for which we struggle may be advanced, have thought fit, by and with the advice of Our Executive Council for Our said Province, to appoint and do hereby appoint a week of Dedication and Preparation for the period of production, approaching, beginning on the twenty second day of April instant.
 AND WE DO HEREBY URGE and request the careful consideration and patriotic co-operation of all Our people in the matters herein set forth to the end that each and everyone may prepare to do all that is possible to increase the production of foods; and particularly to assist in the formation of Greater Production Committees and in the work ensuing therefrom;
 AND WE DO HEREBY FURTHER URGE and request that each and every Clergyman in Our Province shall from his pulpit on Sunday the fourteenth day of April instant, set forth the facts of the food situation as it affects the Allied cause, emphasizing the responsibility resting on this favoured land, and invoking the blessing of Almighty God on the human efforts put forth towards production; that they may be blessed by Him Who alone giveth the increase;
 ALL OF WHICH PREMISES all Our loving subjects and all others whom it doth or may in any wise concern are hereby required to take notice and govern themselves accordingly.
 WITNESS: Our trusty and well-beloved His Honour Augustine Collin Macdonald, Lieutenant Governor of Our said Province, in Council, at Charlottetown, in said Province, this tenth day of April in the year of our Lord One Thousand Nine Hundred and eighteen and in the Eighth year of Our reign.
 By Command,
 ARTHUR NEWBERY
 Assistant Provincial Secretary.

Commencing April 22nd
Suggestions for Preparation Week

- EQUIPMENT**
1. Examine, repair, paint, and oil machinery.
 2. Have extra swingletrees, doubletrees, and three and four horse eveners.
 3. Now is the time to order spraying and harvesting machinery.
 4. A lost half day may affect harvest.
- HORSES**
1. Increase the feed as work increases.
 2. Be good to the colt, bathe his shoulders with warm brine before work starts. Use cold water on his shoulders every time he comes in from work.
 3. Should the season be late work only such sized areas of land at one time as can be seeded before bad weather sets in.
 4. Should it happen that work is started before the field is all quite ready, the damp places should be frequently harrowed until the moisture content is just right for it to break up nice.
 5. Roll all new meadows as soon as they are firm enough to carry the horses. This will greatly increase the yield of clover.
 6. Sow mixtures; equal parts of wheat, oats and barley; or equal parts oats, barley, and peas or vetches. They yield more than either one alone and can be used for soiling or pasture if necessary.
- CROP PLANS**
1. Sow cereals in the following order, as soon as possible after the land is ready to be worked, wheat, oats, peas, then barley.
 2. Plant potatoes and corn when the land is warm and mellow.
- SEED**
1. See that all seeds are vital, vigorous, suitable and clean.
 2. Treat against smut in grain and scab in potatoes with formalin.
 3. If in doubt test your seeds.
