Our people are looking forward to the Islanders' Reunion and Summer Carnival to be held here next July with great hopes. The enquiries from foreigners for more particulars of the affair continue to pour in. So large a crowd of visitors is expected that the great question which is at present confronting the Tourist Asssociation is the matter of arranging for accomodation for the vast numbers that are likely to come. Merchants are ordering souvenir goods in large quantities, and other signs of preparation on the part of business men, alive to the importance of the occasion, go on apace. Different societies and churches are applying to the Tourist Association for days on the program; but only a few will be fortunate ones, as the Association is reserving the days for those who are in the best position to make the program a complete success. The program it is expected will be ready for publication in a week or two Reduced fares on all railway and steamboat lines are assured and will also be published shortly.

Wonderful Cure by Dodd's Kidney Pills in Newfoundland

Little Willie French Swelled from Head to Foot with Dropsy and Given up by Doctors—is Strong and Healthy Again.

Scilly Cove, Nfld. March 21.—(Special.)—Trinity Bay District is ringing with the wonderful cure of the little son of William French of this place. He had Dropsy so badly that all hope was abandoned and for thirty days and nights his parents watched by his side expecting that almost every day would be his last. Dodd's Kidney Pills cured him. The father tells the story as follows:

"My little boy Willie, six years of age, was taken sick the last week of January, 1903. His legs began to swell and we sent for the doctor, who said he had Kidney Disease of the worst kind with a heavy chill. He gave him some medicine, but the little fellow continued to get worse till he was swelled from his head to his toes and he burst open. Such a case the eye of man never saw.

"Myself and wife were up thirty nights; we never left his side, expecting every hour would be his last. The doctor said the only remedy was to tap him, but he did not do it because the kidneys were too far gone to remedy.

"So with the poor boy given up to die I started using Dodd's Kidney Pills, and to my great surprise after taking five boxes my boy is as strong and hearty as ever he was.

"I am able to say before the whole world that Dodd's Kidney Pills, through the help of God, and nothing else, was the means of saving the life of my little boy.

Farmers as a rule lay in their stock of seeds, such as wheat, oats, clover, timothy, etc., early in the season, but the supply of seeds for the vegetable garden is left for "any old time." After the farm crop is in, is plenty time in the estimation of most farmers for a vegetable garden. Now farmers this order of things should be reversed. As a rule the garden plot is fit for tilling before the rush of farm work commences, and if it is not planted before that, it is generally left to take care of itself. To be successful in many lines of vegetables, an early start is of paramount importance—onions, parsnips, beets, carrots, peas, cabbage, lettuce radish, turnips, celery, cauliflower, etc, can be planted as soon as the ground is fit to work, and as an inducement for early sales of vegetable seeds, J. J. Gay & Son make the following offer, good to the 1st of May. Persons buying from us in the market or sending by mail $1.00 may select seeds amounting to $1.25 and at this rate for as many as they may require. It must be understood that this premium is allowed only on flower and vegetable seeds by the packet and ounce and not on seeds by the pound or quart. All vegetable seeds are 5c per packet and by the ounce 10c excepting onions 15c ounce, cabbage 20c an ounce; all flour seeds in stock 5c packet. We direct special attention to our sweet pea seed. There is none better, very few as good, 5c packet, 10c ounce, or one quarter lb. 20, one lb. 60c. —J. J. Gay & Son, Charlottetown, and Market House. 3—22 Tu Fri & w 1 mo
