TH RAKER'S PRAYER

Let me but do my work from day to day,
In field or forest, at the desk or loom,
In roaring market-place or tranquil room;
Let me but find it in my heart to say,
When vagrant wishes beckon me astray,
"This is my work; my blessing, not my doom;
Of all who live, I am the one by whom
This work can best be done, in the right way";
Then shall I see it not too great, nor small,
To suit my spirit and to prove my powers;

Then shall I cheerfully greet the laboring hours,
I thank Thee, Lord, for lavish love
On me bestowed,
Enough to share with loveless folk
To ease their load,
Thy love to me I'll could spare,
Yet dearer is Thy love I share.
—Robert Davis.

The New Suits have Arrived

For the past years WE HAVE set the standard for what is to be the correct wearing apparel for men for the in-coming season. It is but natural that men now look to us for what is correct and to guide them in matters pertaining to their dress.

We now extend a general invitation to the men of Charlottetown and surrounding country to visit our clothing department on the second floor. It is now the largest and best stocked in the Maritime Provinces.

There are many shades colorings this season which promise to make it of unusual interest to men, and we believe a banner clothing season. Our clothing department is now considerably enlarged giving it nearly double the floor space formerly occupied.

We now extend a general invitation to all to visit this department and see the many new lines offered this season, and remember our usual guaranteed satisfaction or money refunded.

A specially made suit in a number of good patterns is our \$10.00 line.

AMERICAN INCOME TAX BILL PASSES HOUSE.

WASHINGTON, March 19—The Democratic excise bill to virtually tax everybody's income when it is \$5,000 or more a year passed the house today, 250 to 40. The Democrats voted solidly for it and carried eighty Republican votes with them. Forty regular Republicans were in opposition.

The bill now goes to the senate where its fate is a guess.

PLUTO M'DEVIIT SURE HE WILL WIN CONGRESS FIGHT.

WILKESBARRE, Pa., March 19—The millionaire for a day, John J. McDevitt of this city, is back today from Harrisburg, where he filed his nomination papers as a candidate on the Democratic ticket for Congress from this district. He said of his plans: "There is nothing in my election. When I'm elected I'm going to take 500 voters, workmen, to Washington to see me inaugurated. They'll go behind ten engines, and they'll stay in Washington for a day and a night, and each'll have a room and a bath. My New York trip won't be in it."

KAISER GIVES UP SEA CRUISE.

BERLIN, March 19—Announcement made here today that Emperor Wilhelm's contemplated Mediterranean cruise had been abandoned caused comment and may develop into a political sensation of the first order. The announcement was made subsequent to a visit which Navy Minister Tirpitz paid to the imperial palace, which was only one of a long series of conferences which the Kaiser held with high naval officials throughout the day. Coming so close upon the speech made by First Lord of the Admiralty Churchill in the British Parliament yesterday, when plain talk on the relative naval strength of England and Germany was frankly given to the members, the sudden activity in German government circles had a two-fold significance.

"It represents pure Democracy and pure food," is the quotation attributed to Mr. Burleson.

Health Gone

Business men, and women, too, are gradually coming to realize that their most precious property is health. Whatever financial troubles may come, if only health remains there is always another chance.

And if precious in adversity it is equally so in prosperity. The all-important thing is to preserve it by guarding against a breakdown at the first symptoms. Nervousness, falling appetite, bad blood, skin troubles, weakness—all are danger signals. Take Vinol, right away, and restore your strength, enrich your blood and calm your nerves. Rev. Geo. W. Ruland of Keene, N. H., says when he was run down and overworked, Vinol did even more good than was claimed for it. Vinol is our delicious cod liver and iron remedy that has done so much good, to our own knowledge, that we guarantee it to please you. Your money back if it does not. E. A. PRESIDENT QUINN HAS BIG SCHEME ON PAPIS

BOSTON, March 19—A professional ice hockey team for Boston and the establishment of a circuit of four American professional hockey teams, which will include the Hub seven, is advocated for next season by T. Emmett Quinn, president of the National Hockey Association of Canada.

President Quinn is in Boston in connection with the professional hockey games which are being played at the Boston Arena by the four teams in his league. lb@

Boston people have seen this sport grow in popularity by leaps and bounds during the past two years, and the wave of sentiment in favor of it will continue to increase rather than otherwise, he predicts.

The wishes of the fans in this regard are analogous to baseball games. Wouldn't any baseball fan prefer to see a major league game than an amateur game?

The control exercised in professional hockey also keeps in check rough tactics. This same control is also exercised over the officials.

These are only a few of the points which show the advantages of professional over amateur hockey, not to mention how much faster in speed how much more ability in stick handling and every other point of the game in which the professionals are superior to amateurs.

Next year our league will be increased to six teams, as Toronto and Tecumseh have been added, and, aside from providing a better game for spectators, the establishment of professional hockey in Boston and other America cities would enable play-offs for international honors.

A WEAK, ACHING BACK CAUSED HER MUCH MISERY

Could Not Work and Had No Ambition For Anything.

Those who have never been troubled with kidney trouble do not know the suffering and misery which those afflicted undergo.

Weak, lame or aching back comes from the kidneys, and when the kidneys are out of order the whole system becomes deranged.

Doan's Kidney Pills are a specific for all kidney troubles.

Mrs. W. R. Hodge, Fielding, Sask., writes:—"A few lines highly recommending Doan's Kidney Pills. For this last year I have been troubled very much with nasty sick headaches, and a weak, aching back which caused me much misery, for I could not work and had no ambition for anything. My kidneys were very badly out of order, and kept me from sleeping at nights. I tried many kinds of pills and medicines but it seemed almost in vain. I began to give up in despair of ever being well and strong again, when a kind neighbor advised me to try Doan's Kidney Pills, which I did, and am thankful for the relief I obtained from them, for now I am never in trouble with a sore back or sick headaches. I will always say Doan's Kidney Pills for mine, and can highly recommend them to any sufferers."
