

One of the finest characteristics of Seal Brand Coffee is its rich, full body.

Thin and watery coffee is unknown in households that use Chase & Sanborn's Seal Brand.

ASEPTO SOAP POWDER

Give the Dishes and Pans an "Antiseptic" Wash

Your dishes and pans will be sweeter and cleaner when washed with ASEPTO in place of soap. ASEPTO does the work quicker and better—and contains a germicide that destroys all disease germs. Especially should this antiseptic powder—ASEPTO—be used to clean a dish or jar which has contained meat, fruit or vegetables that have "gone wrong." ASEPTO costs but 5c a package—is the only washing compound that will not burn the hands—and is odorless.

Manufactured by THE ASEPTO MANUFACTURING CO., St. John, N.B.

What Sunshine Furnace does

Sunshine Furnace is designed and constructed to heat a house, church, school or store, and does this more satisfactorily than any other known furnace or other style of heating apparatus. It does this more rapidly than the hot water boiler because, as soon as fire is started in Sunshine Furnace, heated air can be obtained for the rooms.

SUNSHINE FURNACE

It does this more conveniently than the hot water boiler, because it has no radiators to take up room, congregates dust and mar the paper and woodwork.

It does this more hygienically than the boiler because pure air is admitted to the furnace through a cold air pipe.

Do you know him?

Every horseman knows him to be king of sires for the Maritime Provinces of 1908, with 2 to 1. He was a champion colt trotter and is a sire of champion colt-trotters. He has ten to ten standard list today, and a dozen more ready to drop in with the asking. 3 of his colts have brought in upwards of \$2,000 in the last few months.

Did you see him and his four year old son "Ozen" D. (3) 2, 27, step an exhibit mile at the Kings County fair last September at Georgetown in 2, 25, without any preparation. "He is a dandy." Did you ever see the like? was the expression of every one, and it was well said for it was never before equalled in King's County.

If you don't know all about him, look him up, before you risk breeding your valuable mare elsewhere.

I have a little booklet which is yours for the asking, that will tell you all about the Leading Sire of the Maritime Provinces and his progeny.

"BRAZILIAN" will make the season of 1909 at owner's stables, Montague. For further particulars, terms, etc call and see or write the owner.
