Yes, I see it all now

The Reason Why

Shorey's Ready to Wear Clothing . . .

Is better in style and finish than what I can get from my tailors.

Of course a large concern like Shorey's can keep a staff of experienced workmen upon one class of work from year to year until they become absolutely perfect, while a tailor's hands produce a sack coat to-day, a dress coat to-morrow and so on, consequently they cannot be expected to attain the proficiency of Shorey's workmen.

Shorey's Guarantee Card in the pocket of every garment shows that the firm is bound to give perfect satisfaction in every instance.

MISS ETHEL MCNUTT, of Charlottetown, is the guest of Miss Ethel Hunt for a few days visit.

MR. ALEX MCKENZIE, son of Mr Alex McKenzie, of Charlottetown, who has been visiting his aunt, Mrs C B Saunders, during the past few days, returned to Boston Saturday morning.

THE Railway picnic from Moncton held at Point du Chene Saturday was one of the largest and most successful ever held at that place. There were about 1500 people present the excursionists coming in 2 trains of 15 cars each.

MASTER LORNE READ, son of Capt. T. W. Read, is the proud owner of the smallest driving team in town, a Shetland pony and a dog cart imported from Halifax, via City of Ghent, Friday afternoon. The pony is a handsome little animal and drives about with as much dignity as his larger brethern.

CITIZENS were called out Friday night about 11 o'clock by a fire alarm rung for a slight blaze in the rear of the vacant building formerly occupied by Mr John McKenzie, The fire started between the walls and the ground floor and was making considerable headway when discovered by Policeman Peters. A few buckets of water, however, quenched the flames and the service of the fire engine which arrived promptly was not needed. The origin of the fire is unknown.

A LETTER received a few days ago, from Nr Nathan McFarlane, announces the arrival of himself and party at Dawson City. The trip is deseribed as a picnic all the way through with but few of the hardships they had expected to encounter, and all enjoying the best of health. Five of the party had started on a prospecting trip up the Stewart River, and at time of writing were 45 miles up. In his next letter Mr. McFarlane promises to give an account of the prospecting trip and its results.

Defy Rockefeller.

NEW YORK, Aug.5—The assessors of the towns of Mount Pleasant and Greenburg have scored on William Rockefeller Despite his efforts to forestall it, they have filled their assessment rolls for 1898, valuing his property at $2.6000,500. This was done despite the fact that Referee Hayradt of Poughkeepsie decided over a week ago that the Rockefeller property in Mount Pleasant was only worth $353,775.

The new assessment is an increase of $1.500 over that of last year.

TERRIBLE BREAKING OUT

CURED BY CUTICURA

I was afflicted with a terrible breaking out. I was treated by the very best physicians, who pronounced it blood poison, but it got worse. I was suffering untold agony, and finally had to give up work. CUTICURA REMEDIES were suggested, which I immediately procured. From the first, I experienced a soothing relief, notwithstanding my intense pain. I improved right along till at last *I was entirely cured, and not a sign on my body anywhere* indicating that anything had ever been the matter with me.

WRITS OUT FOR PLEBISCITE.

OTTAWA, Aug. 5.—A proclamation will appear in tomorrow's Canada Gazette providing that the writs for the plebiscite were ordered today, 5th of August, and that they are made returnable on the 3rd of November. As already said voting on the plebiscite takes place on the 29th September.

BABY ECZEMA AND SCALD HEAD

Infants and young children are peculiarly subject to this terrible disorder, and if not promptly arrested it will eventually become chronic, Dr. Chase made a special study of Eczema and disease of the skin, and we can confidently recommend Dr. Chase's Ointment to cure all forms of Eczema. The first application soothes the irritation and puts the little sufferer to rest.

A TEST CASE.

ST. JOHN, N. B., August 6—A test case under the provincial liquor act will be tried next Wednesday. The defendant is Saloonkeeper Byas, charged with selling liquor to an interdict, that is, one whose friends have given notice that he shall not be furnished liquor. There are a hundred such interdicts in St. John, and dealers say that although they have notices they do not know them when hey see them.

Old England's Flag, vs. Dr. A. W. Chase

The virtues of Dr. Chase's remedies are known the world over and like old England's flag the sun on them never sets.

Dr. Chase's Ointment, Kidney-Liver Pills, Catarrh Cure, Syrup of Linseed and turpentine and Liver Cure enjoy the confidence of every body. They have won their way into the public favor on merit. Their sterling qualities and high standing and purity have made them the household word all round the world. All dealers sell and recommend them.

Judge McGuire Fills the Place.

OTTAWA, Aug. 4.—(Special)—The papers which have been announcing Judge Dugas' appointment to the Yukon should understand that two judges cannot well hold the same position, and that Judge McGuire still fills the place.

The Medical Profession Recommended Dr. A. W. Chase's Ointment.

Dr. C. M. Harlan, writing in the American Journal of Health, February 10th, says—"Among the proprietary medicine deserving, recognition is Dr. Chase's Ointment as a remedy for Piles, Eczematic skin eruptions of all kinds, or which it has been used with marked success and has effected remarkable cures in many obstinate cases which seem to baffle the skilful medical attendant."
