A despatch from Houlton, Me., dated April 13th, says:—The manslaughter charge against Jack Leon, Chicago, in connection with the death of Billy Dunning at Presque Isle last November, was dropped in the supreme court today. Leon pleaded guilty to another indictment for engaging in an illegal fight and paid a fine of \$50. Dunning was a native of this province.  
Major C. Leigh, 4th Heavy Brigade, Charlottetown (P. E. I.) has been appointed Officer commanding heavy battery (sub-section), Artillery of the Coronation contingent. Another P. E. Islander who will attend the coronation is Capt. W. A. McKie of the 19th Battery, C. F. A., Montreal. He will be as Lieutenant of Field Battery, Artillery. He belongs to this city.  
William Colwill, Colville, who has been laid up at the home of his brother Septimus H. Colwill, New Haven, undergoing treatment for a broken limb, sustained three months ago, has returned to his home and is now rapidly regaining his usual strength although he cannot yet walk without the use of crutches. During his illness he was attended to by Dr. Murchison, Clyde River.  
Albert Newman, Kingston, who is suffering with a broken leg, was reported Saturday to be doing as well as expected. Mr. Newman is laid up as the result of an accident on Wednesday of last week. He was sawing wood at his brother's place, Hamilton Newman's, Kingston, and was blasting a log. In some way the blast went off sooner than was expected and before Mr. Newman could get out of the way the log was thrown against his leg with great force. He was struck just below the knee and suffered a very bad break. Dr. Murchison was summoned and set the limb and his careful treatment since the injury has afforded the patient much relief. Mr. Newman's brother resides about two and a half miles from his own place and he has not yet sufficiently regained strength which will permit his removal to his home but it is expected that he will be taken there in the course of a few days.  
The Wordsworth evening at Prince Street School on Thursday evening was a decided success. Henry Smith acted as chairman. Piano duets were splendidly rendered by Misses Fannie Robertson and Lillian Fletcher, and Misses Jean Allen and Lois McEwen. The recitations reflecting great credit on the school were given by Misses Florence Chappelle, Edith Jenkins, Edith Love, Jean Fullerton, Isabella Toombs, Melita Costello and Hazel Milliken. The choruses by the "School" were a rare musical treat and much of the praise is due Prof. Wright for the able way in which he has trained these young ladies. The selections were as follows:—"Land of Hope and Glory," "Madeline," "The Soldiers Chorus," and "When the Lights are Low." Special mention might be made of Miss Blatch's solo, "O Dry those Tears" with a beautiful violin obligato played by Miss Kathleen Turner. The delight of the audience was manifested in the hearty way they encored this number. The paper read by Prof. G. D. Steel, M. A. was both interesting and instructive. This paper dealt with the life of Wordsworth in such a manner that even the youngest could understand and enjoy it. A vote of thanks to Prof. Steel was given by Mr. James, seconded by Mr. Turner. The evening closed with the National Anthem.

Had Severe Pains In His Back. Could Hardly Work.  
Mr. Alfred E. Davis, Gorrie, Ont., writes:—"For some years I suffered from severe pains in my back and could hardly work at all, and when I stooped down to pick up anything felt as if my back must break. I was advised to try Doan's Kidney Pills, and after taking two boxes I was entirely cured, and feel that I cannot speak too highly in their favor."  
"This was nearly four years ago and I still remain cured."  
Those who have never been troubled with kidney trouble do not know the suffering and misery which those afflicted undergo.  
Weak, lame or aching back comes from the kidneys, and when the kidneys are out of order the whole system becomes deranged.  
Doan's Kidney Pills are a specific for all kidney troubles.

The other day James Callaghan, Tailor, made the statement that he can make as up-to-date a garment as any tailor on Fifth Avenue, New York. He has travelled through the States and has had a practical experience in the work-shops of American cities and fully understands the little details that go to make a garment classy. The perfect fitting collars, the smooth and properly adjusted shoulders, the properly shaped lapel, the gracefully hanging sleeve, are a few of the features that go to make this garment something out of the ordinary. Give him a call and he will demonstrate to you the truth of this statement. 4-5dwstrff.

Unique and interesting features were introduced for variety at the shows in the popular People's Theatre last Thursday and Saturday. Herman and McNichol appeared in specialty acts. Joe McNichol introducing a wonderful roller skating act. His songs went well and his roller skating was carried to the work of an artist. Any one more at home on the roller skates would be hard to find and he gave an exhibition second to none ever seen here. Jack McNichol was another marvel at his rifle shooting, knocking the ashes off the cigar in Dr. Herman's mouth and in fact exhibiting a dexterity with the rifle that would be hard to surpass. It is with regret that it has to be recorded that Emery White farewelled singing "The Songs My Mother Used to Sing" and Tosti's Goodbye." He sang as never before and in his "Good-bye" carried the good wishes of hundreds with him as well as grateful remembrances of the sweet songs sung as never singer here sang them before. Dr. Herman's accompaniments on the violin was a feature of the shows and the photo-plays were simply grand.
