A Card

To the Electors of the City of Charlottetown

Having been presented with a largely signed requisition to become a candidate for the Mayoralty, after due consideration I have decided to do so.

For some years past I have had the honor of representing Ward 5, and during that period have served in several Committees, and for four years Chairman of the Street Committee.

Regarding the civic policy, in the future as in the past, I will devote my best energies and abilities to the advancement and improvement of the commercial interests and general welfare of the City.

While practicing the greatest economy commensurate with a fair measure of progress, I purpose if elected to continue the good work that has marked the regime of the out-going Council. In common with my fellow citizens, residing and doing business here, it shall be my duty to the utmost of my ability, to promote the welfare of all and safe-guard the various departments of civic activities.

Earnestly soliciting your support.

I am yours respectfully,

JAMES PATON.

THE GOLDEN MEAN.

The prices asked by the E. W. Taylor Store occupy the golden mean between two undesirable extremes. They are neither so high as to be above the means of ordinary purchasers, nor so low as to make the store cater only to the very cheap class of trade. We aim to make this a highly satisfactory watch, optical and jewelry store to all who are willing to pay a reasonable price for a worthy article.

W. K. Rogers,
Manager P. E. I. Branch, Canada Life Assurance Co., Charlottetown, P. E. I.

DEAR SIR:—I am just in receipt of a notice from the Canada Life advising me that the premium on my policy is more than covered for the balance of my life time by the profits just declared for the last five years.

My policy is for $2000 on the straight life plan, annual premium $46 00 with profits taken every five years in permanent reduction on premium. It was taken out in April 1870 and every five years since thend without a single exception, my premium has been reduced. From 1900 to 1905 I was asked to pay $5.18 per year on the $2000 and now the Company advise me that for the balance of my life they will pay me $2.82 per year beside paying my premium for me, and this amount to be paid me will be further increases every five years as long as I live. It is needless to add that I am well pleased with such excellent result, and liberal treatment and I wish the Company the success it merits.
