In Memoriam
MR. HENRY WHITE

There passed away at his home in Hampshire, in the early hours of Monday morning, December 2nd, Mr. Henry White, at the advanced age of 78 years, after a short illness of six days. The deceased, who was a highly respected resident of Hampshire, was widely known throughout the country, as he had followed the trade of carpenter for more than fifty years.

There are left to mourn the loss and to cherish the memory of a kind and loving father and husband, a sorrowing widow, two daughters and two sons, Derril of Kingston, Chester at home, Mrs. Lorne Smith, of Kingston, Mrs. William Wilkie of St. Vincent, Minn; one brother, John R., of Stancho, and one sister, Mrs. Powers, of Boston, a daughter, Mrs. Oliver Tremere and a son Levi predeceased him some years ago.

The funeral took place on Wednesday afternoon and was largely attended by many sorrowing friends who came to pay their last tribute of respect. The services were conducted by the Rev. Mr. Chapman and Rev. E. M. Aitken, of Cornwall. The remains were tenderly laid to rest in Hampshire Cemetery. The pall bearers were Daniel McLean, Harry Holmes, Oliver Tremere, Lyman Tremere, James McLeod and Hampson Bowman.

MR. G. WELLINGTON MURPHY

At 3836 High Street, Ecorse, Michigan, on Christmas morn, there passed to his eternal rest George Wellington (Wallie) Murphy, of a sudden attack of heart failure. Deceased was a former native of Kensington, P. E. I., and was well known and beloved by all. He was in robust health prior to his death, and was but 45 years of age. He was active in police circles, having been Sergeant of Detectives in Boston, Mass., for twelve years, Captain of Police in River Rouge, Mich., for four years, and chief detective for the Grand Trunk Railways at River Rouge, Mich., for three years. In his business dealings he was always square and above board with all.

His funeral took place from Gallagher's Funeral Home to Our Lady of Lourdes Church on Monday, December 30th, at 9 a. m., thence to Holy Cross Cemetery, Detroit. Requiem High Mass was sung by Rev. Father Glemet, and services at the grave were conducted by Rev. Father Hogan, of River Rouge, Mich.

He leaves to mourn their loss his wife, Lina Florence and son Charles Thomas, of Ecorse, Mich.; also his mother, Mrs. Edward Murphy, and two brothers, Edward and Fred, of Kensington, P. E. I.

The pall bearers were Alexander McKee, Ernest P. McCarville, John Thompson, of Ecorse, Mich., Edward Torey, of River Rouge, Mich.; Wallace McKenna and Emmet Murphy, of Detroit, Mich.

Eternal rest grant unto him, O Lord, and let perpetual light shine upon him, and may he rest in peace. (Other papers please copy)

MISS CATHERINE ROSS

The death occurred at Union Road, on November 29th, of Miss Catherine Ross, aged 85 years. Five weeks before her death she fell and broke her hip. She suffered much, and death came as a release from pain. An entrance to the Heavenly Home, for which her long life was but a preparation.

POLICE COURT—At the Police court yesterday morning a case of theft was adjourned till Thursday morning.

CHURCH OF SCOTLAND—There will be preaching service in the Church of Scotland at Canoe Cove on Saturday evening January 11, at seven o'clock. Rev. Wallace Mac-Walker conducting the service.

ACKNOWLEDGEMENT—The Trustee Board of the Protestant-Orphanage deeply appreciates the efforts of the several collectors and gratefully acknowledges receipt of \$39.25 from Central Lot 16 and Belmont per Mrs. J. C. Aitken and Miss Etta Hutchinson.

BIBLE SOCIETY MEETING—At tonight's meeting in St. James Church the annual meeting of the P. E. I. Bible Society will take place. Mr. W. A. Stewart will occupy the chair. Rev. Mr. Vincent will give the address. Mr. John P. Wheeler will present his report as Secretary of the Charlottetown Committee and the Officers and executive for 1929 will be appointed. It is hoped there will be a large attendance. A collection for the funds of the Society will be taken up.

MINISTER ORDAINED—The ordination of Mr. Gordon Moreside of North River Corner, P. E. I., took place at Princeton, Maine, on Oct. 21st, 1929. A crowded church and a banquet given in honor of the occasion, showed that the people appreciated the honor conferred on their talented young pastor. Mr. Moreside, having answered a lot of hard and difficult questions as to his Christian experience, his call to the ministry and his views on Bible doctrine, the entire satisfaction of the examining committee, the church desired his ordination and was unanimously elected to proceed with it.

SANATORIUM PLANS NEARLY COMPLETED—The site of the new Provincial Sanatorium already reported to be under consideration by the Board of Commissioners, has been decided upon. It is located on an area of land belonging to the Monaghan estate which extends east from North River Road to within forty feet of the Pollock (McGill) property and north from McGill Avenue about 288 feet. This site was chosen after very careful consideration of all available locations near or within the limits of Charlottetown. The building will face approximately south east, its location within the city limits giving it the advantages of light, water, sewerage, system, fire protection, nearness to source of supplies and to railway and hotel accommodations. The plans and specifications which are being prepared by Mr. E. S. Blanchard of Charlottetown are about complete. They are at present, in the hands of Messrs. Scoopes & Feustmann, Saranac Lake, who have been employed as consultant architects with Mr. Blanchard. Tenders for the construction of the building will be called for shortly, and operations will be begun at the earliest possible date, depending on weather conditions. The Commissioners report that the campaign for the building fund, conducted by Mr. C. M. Williams, was splendidly supported.

Early in life she joined the Methodist Church at Union Road and for upwards of half a century, attended faithfully the services there.

Of a kind and sympathetic nature, she was ever ready to respond to the call of sickness and sorrow, and in many homes her presence was welcomed.

She leaves to mourn and cherish her memory, many friends to whom her passing brought sorrow.

She has gone to dwell in the "many mansions" prepared for the people of God.

Her body was laid to rest in the old Cemetery at Union Road, beside her parents, four brothers, and one sister, whom she had long mourned.

"And with the morn, these Angel faces smile,
Which I have loved since and lost awhile."

MT. HERBERT SCHOOL

The annual Christmas School Concert of Mt. Herbert School was held in the schoolhouse on Wednesday evening, December 18th. SUCCESSFUL FIRST CLINIC—There were 231 children inoculated at the diphtheria immunization clinic at West Kent School in two hours yesterday morning when the campaign of the Red Cross Society for the immunization of all the children of the city was begun under most favorable conditions. This represented quite a high percentage of the pupils enrolled in Grades 1 to 8, also the pupils from St. Peter's Day school. The inoculations were given by Dr. Yeo and Dr. Goodwill with the Red Cross nurse assisting. The children were most interested in the procedure and were very much surprised that the injection was done so quickly and that it was completed before they realized it. Today the immunization clinics will be conducted at Prince Street School in the morning and for pre school age children and infants not younger than nine months at the Red Cross office in the afternoon.

STERLING INSTITUTE—This Institute met on Dec. 16th, at the home of Mrs. Thomas Bolger, Gorge River. There was a good attendance. The meeting was presided over by the president, Mrs. John Quinn. After the opening exercises, quite a lot of business was discussed. It was decided to give the school children a Christmas treat, at the school concert and decided to become Santa-Pal, to help cheer one of the little ones in the Guardian's list. School prizes were planned and hooks for the children's clothing were ordered. The attention of the meeting was then called and a presentation of a French ivory toilet set and an address read to Mrs. Bolger, the retiring President on behalf of Sterling Institute, as a mark of appreciation for the service she has given. Mrs. Bolger although taken by surprise made a very fitting reply and warmly thanked the members for their gift and kind words. The meeting was then brought to a close by singing God Save The King, and lunch was served by Mrs. Bolger, assisted by Mrs. Reid. The next place of meeting was not decided on.

WEDDING BELLS—On December 29th, a very pretty wedding took place at St. Malachias Church, Kensington, when Miss Violet M. McCabe was united in the holy bonds of matrimony to Mr. John M. Mulligan, both of Newton. The ceremony and nuptial Mass were performed by Reverend M. J. Smith, P. P. Hymns were beautifully rendered by Misses Gertrude and Winnifred McIvor, while Mr. Charles McIvor played the wedding march. The bride was attired in rose serge crepe dress with hat and shoes to match while the bridesmaid was attired in a mulberry dress with hat and shoes to match. The young couple were attended by Miss Mabel L. Mulligan, sister of the groom and Mr. John R. McCabe, brother of the bride. The bride is a graduate of the Jersey City Hospital, New Jersey and has been practicing her profession there for the past two years. She was tendered several showers before she left U. S. A., where she endeavored to all. After the wedding ceremony the immediate families of the bride and groom had dinner at the bride's home and then left on a short honeymoon trip to Montreal, Quebec and the eastern cities. They returned January 2nd, and were tendered a wedding reception at the home of the bride, where a good time was had by all young and old alike. Many useful and beautiful gifts were received. The groom's gift to the bride was a three strand set of pearls, to the bridesmaid, a necklace, and to the groomsmen, a pair of kid gloves. The Guardian joins their many friends in wishing them a long and happy journey through life.—E.

ADVENTURER IN CITY—A former Charlottetown boy, Mr. Taylor Day, who has gained for himself the reputation of an adventurer is, at the present time, visiting the haunts of his boyhood. Mr. Day is well-known for his exploits of 1921 in travelling from Halifax to Vancouver by sea in a fourteen foot rowboat. On this adventurous trip of 14000 miles he was accompanied by Mr. Joe Morrison also a former Charlottetown boy, although he spent his boyhood in this city. Summerside was his birthplace. He left the Island in 1909. In July 1921 the great adventurer began for a prize of \$16,000 put up by a number of sportsmen of Canada and the United States. The greatest difficulty was met at the outset during the crossing of the stormy Bay of Fundy. Delaware Bay also presented another difficulty. However both crossings were met with cool courage, and in the end determination won. The adventurers skirted the shores of the Gulf of Mexico where they encountered clouds of mosquitoes and passed through the Panama Canal. The little boat was the smallest craft that had ever gone through that wateryway. The latter half of the trip was along the western coasts of Mexico and United States. The adventurers arrived in Vancouver on November 1, 1922 after a journey of sixteen months. During the course of the trip, on which they were allowed to take no money or other means of conveyance other than their row boat, the men visited many important officials at the various ports at which they sailed.
