KRUGER EXPECTED

To Take the Aggressive at Once.
A DUTCH FEDERATION
Plot Discovered—70 Transports Engaged—The Venezuelan Judgment

PARIS, Oct. 3.—[Special].—The Anglo Venezuelan arbitration award given out today, is unanimous, and is regarded as a compromise.
Great Britain loses some of her claims in the interior and on the coast.
LONDON, Oct. 3.—[Special].—There is no change in the Transvaal situation, and the Boers are expected at once to take the aggressive.
The British force on the Transvaal border while probably enough for defence is too small for offensive operations.
Apparently there is truth in what the peace party papers have often hinted at that the underlying motive actuating the British Government throughout the negotiations has been the suppression of what they have reason to believe was a far-reaching conspiracy for the establishment of a Dutch federation from the Zambesi to the Cape.
The authority for this statement is Mr. Chamberlain himself. In conversation, the secretary of state for the colonies said that one great factor of the situation which could not be brought before the public, for fear that the government's object might be misinterpreted, was the cabinet's well-defined understanding that for months, a carefully fostered plot on the part of Schreiner, Steyn and Kruger, had been in progress to form a Dutch federation.
It is known that the government has obtained a large number of steamships. Some put the number as high as 70.
England will find no difficulty in that respect, as she had the right to call upon several of the most important lines, and these are never backward in time of need.
new enterprise will be in operation. Further announcements will be made respecting the night of opening etc.

SHAMROCK-COLUMBIA RACE

The Time Limit Cut Short A Most Exciting Contest.
SHAMROCK SLIGHTLY LEADING
She Lad at The Start, Was Passed and Regained the Front—Time Expired When Three Miles From the Goal—Shamrock Stock Goes Up—The Day's Event Was a Surprise—Next Race Thursday.

NEW YORK, Oct. 3.—[Special].—Today, the first of the Anglo-American yacht races was a great day for the spectators who thronged the hundred of steamers and excursion craft as well as every point from which a view of the contest could be obtained.
Unfortunately the yachts could not finish within the limit of five hours, and hence the day's event, although intensely exciting, and on which a good deal of money was staked, is declared "no race."
The start was made at 11.15, the Shamrock crossing the line first. She got a good lead, and then lost it but picked up again on the beat home.
As first one boat and then the other had the lead the excitement was intense.
When the time limit expired at 4.45 p. m. the Shamrock was a short distance ahead and about three miles from the finish line.
The breeze at the start was strong from the northeast but during the race it fell away.
The race was fifteen miles to leeward and return. Had the wind kept up sufficiently to have completed the course the Shamrock would have been an undoubted winner.
The result of the contest is to greatly change the current of opinion as to which will be the ultimate victor.
It had been held that the Shamrock's only chance of victory was in a strong breeze, and that the Columbia would out-sail her in a light breeze so that nearly every one was surprised.
The excursion boats, which proved so troublesome in the Dunraven contest of a few years ago were today sometimes in the way and hampered the yachts in their movements.
The next race, or the first race, as it will be, will come off on Thursday, weather permitting.
The race was witnessed by a host of notable persons, among whom were Lord and Lady Minto, who are the guests of Governor Roosevelt.

Fond Hearts Beat In Unison at the Altar.

George Burgess Weds Miss Myrtle Cameron of Crapaud.—Waldron B. Sellar to Miss Minnie Rodd at Brackley Point Road, Taunton Nuptials.

A very pretty wedding took place last evening at the residence of Mr. R. H. Cameron, Crapaud in which his daughter Miss Myrtle and Mr. George Burgess, manager of the Crapaud Creamery Co. were united in marriage. Rev. Thomas Hicks was the officiating clergyman. The bride was supported by her cousin, Miss Mary Cameron, Augustine Cove, as bridesmaid and the groom by Mr. R. E. Spillet, Charlottetown, as groomsman. As the party entered the parlor the wedding March was gracefully rendered by Mr. Hicks. The bride was dressed in white silk, and carried a beautiful bouquet. The bridesmaid was dressed in white muslin. The bride was given away by her father. Many valuable gifts were presented to the bride and the groom was the recipient of a beautiful present from the directors of the Crapaud Creamery Co.
After the ceremony many relations and friends of the bride and groom sat down to an enjoyable repast. The happy couple left this morning for Bluevale, Ontario for a wedding tour followed by the good wishes of their many friends.

One of those pleasant events occurs this evening at the residence of the bride's uncle, Mr. Joseph Kennedy, Brackley Point Road, when Miss Minnie Rodd will be united in marriage to Waldron B. Sellar, of Somerville, Mass. The ceremony will be performed by Rev. D. McLean, who will be assisted by Rev. Mr. Layton, of Marshfield. The bride will be given away by her uncle, Mr. Joseph Kennedy, Brackley Point Road, will look charming in a gown of blue grey henrietta cloth, trimmed with white cheffon and carries an elegant bouquet of flowers. The bridesmaids will be Miss Maggie Rodd and Miss Maggie Sellar and will be dressed in white organdie, trimmed with black velvet baby ribbon and Valenciennes lace. The groom's gift to the bride is a set of sable furs and to each of the bridesmaids a beautiful opal brooch. The wedding presents are numerous and costly. After the ceremony a rich supper will be served. They will leave to-morrow morning by the western express for Summerside, en route to their future home in Somerville, Mass. THE GUARDIAN joins with the many friends of Mr. and Mrs. Sellar in wishing them a happy wedded life.

COLONEL HUGHES

Says 250 Officers Have Volunteered.
TWENTY THOUSAND MEN
From Canada Ready to Go to South Africa—Pacaud Wins His Big Suit.

OTTAWA, Oct. 3.—[Special].—In the case of Pacaud v. S. the Queen the Supreme Court today gave judgment in Pacaud's favor.
This was the suit of the Government for the \$100,000 Baie de Chaleurs money alleged to have been wrongfully received by Pacaud.
Colonel Hughes M. P. has arrived from Port Arthur. Despite official disfavor, the colonel is as enthusiastic as ever over his proposed regiment for South Africa.
That the military spirit is strong in the Dominion is abundantly evident from the number of replies received to the colonel's circular. Over 250 officers have volunteered for service and the tender of men ranges in the vicinity of 20,000.
The offers come from all parts of Canada, the maritime provinces and the far West being as keen for service as the volunteers of Ontario and Quebec.
Even a company of Indians from Ontario—trained volunteers—are anxious to get a slip at Oom Paul. Colonel Hughes declines to discuss the point raised by the militia department that he is acting contrary to the army act.
