Charles II. 1660 - 1685

Coming to the English throne when the nation was weary of the strict discipline of the Roundheads, Charles II. led an extravagant existence scarcely paralleled in British history.

There is scarcely a parallel in smoking history for REX Cigarettes —for the delicacy of their flavour and the exceptional quality of the regal Virginia tobacco of which they are made. You'll like them!

TEX RICKARD BARGAINING FOR STOCK IN NEW YORK

(Canadian Press)

NEW YORK, Mar. 4.—Negotiations are pending for the purchase by Tex Rickard, New York boxing promoter of 51 per cent. of the stock in the New York Giants Baseball Club for $2,500,000 according to the Times. Rickard failed to lure Jacob Ruppert into disposing of the New York Yankees for $4,000,000 and his offer of $2,000,000 for a half share in the club also was turned down. In bidding for one of the local ball clubs, Rickard is understood to be seeking a great outdoor sports arena here where in addition to baseball, prize fights can be staged in the Summer and football in the Fall. Rickard is to be Manager and Promoter of a large Indoor Sports Arena in Philadelphia, here he hopes to launch Professional Hockey with National Hockey League franchise and also contemplates extending his indoor sport promoting activities to Detroit and Pittsburgh, the Times revealed that Rickard also plans to erect an Automobile Speedway on Boyles Thirty Acres, Jersey City site of the Dempsey Carpentier heavyweight battle in 1921.

PRINCE EDWARD ORCHESTRA

SPEEDWAY RACES TODAY

Providing the weather conditions are favorable, the Charlottetown Horsemen are going to have the speedway cleared for the afternoon's racing.

There is a bunch of seven classes all well matched horses that will mean speed from the word go to the wire and there is every reason to believe that the finishes will be the closest yet.

The increase of horse fans from race day to race day gives every evidence of their appreciation of the good racing being given them by the horsemen and no doubt today will be no exception.

The New Speedway is the most popular place for winter racing yet, especially for the spectators, who have considerable shelter when viewing the races which they would not get were the races being held on the Harbor ice.

Winter horseracing is taking a great hold on the public this season and there is no doubt that before the season closes record crowds will be in attendance.

The horsemen are surely deserving of every encouragement for the many splendid afternoons amusement given the public for it has been a real treat on every occasion to see the horses in action and from all indications horse racing has received a big boost in Charlottetown this winter, and the different horses taking part will be watched with much interest during the summer racing meets. The races will start at 2 p. m. if conditions are favorable.

WILL PLAY VICS TONIGHT

Moncton Rovers Arrived in City Last Night for Opening Intermediate Game

The Moncton Rovers, champions of their section in the race for Maritime intermediate honors arrived in the City last night and are registered at the Davies.

They will play the Victorias tonight, game starting at 9.15.

This fixture will be the first of a series of two, home and home, games, goals to count.

The Rovers annexed the Moncton City League championship and also won their first elimination with Sackville, beating the latter 8 to 2 on the total goal score. They are a husky and likely looking aggregation of hockeyists who are expected to give the Island Intermediate champions a game from bell to bell.

Tonight's fixture should be productive of exceptional and brilliant hockey as both teams are reported in excellent shape and ready to go.

The following is the Moncton lineup: Goal, H. Wilson; Defence, F. James, L. Stevens; Forwards, H. Banks, E. Bobkirk, R. Crowhurst, E. Smith, P. Belliveau, A. Ferguson.

Mr. Roy Blakney is manager.

It is likely that Mr. Fred Moore will handle the game.

The Victorias will leave for Moncton Monday morning where they will play the Rovers on Tuesday night.

"Y" Bowling

CHURCH LEAGUE

The United easily defeated the Baptists by 668 pins, G. Toombs rolled the high single and three of 319 and 654 pins.

7—Jolly Jingles will meet the Whirlwinds the Whirlwinds seem to be winning easy this section, so the Jolly Jingles will have to watch out for this section.

GLASS HEELS FOR DANCING

Another striking fashion in shoes is the use of a glass heel for dancing. They catch and reflect the light. Unlike Cinderella's slip-pers they have a foundation of wood, and are, therefore, serviceable as well as pretty.

Babe Ruth Signs Contract With New York Yanks

(Special to The Guardian)

NEW YORK, N. Y., March 4.—Babe Ruth signed his $210,000 contract with the New York Yanks today in the presence of sports writers and photographers.

The newspapermen were permitted to see the affair which was a regulation paper providing for Ruth's playing with the Yanks during 1927, 28 and 29 for $70,000 a season. It is unusual for clubs to permit newspaper men to see contracts with players.

Ruth signed the contract with his right hand," I handle money with my right hand, and play ball with my left," Babe commented.

Both Jacob Ruppert, owner of the Yanks and Ruth were in a happy mood. "I'm tickled to death it's all done," said Ruppert. Ruth will leave tonight for St. Petersburg.

Young Canadian Athletes Win Praise

BOSTON, Mass., March 4.—"The Observer", writing in the Boston Traveler, has a good word for the youthful athletes of Canada, giving especial praise to Johnny Miles of Nova Scotia and George Young of Toronto. He writes:

"Canada may well be proud of the enduring qualities of its young men. Jack Miles of Nova Scotia startled the sport world last April when he won the B. A. A. marathon classic, defeating Clarence DeMar and other marathon greats at 26 miles 383 yards. Now George Young, a 17-year-old lad from Toronto, distances the greatest field of swimmers ever gathered and wins $25,000 in gold to boot. They make them sturdy up in the north country.

HOCKEY

A friendly game of hockey was played Friday at the Rink between the Night Hawks and the Night Meres, which resulted in a victory for the Night Hawks by a score of 2 to 1.

Night Hawks	Night Meres
Goal	
Stephen H. Gillis	Maurice Kelly
Defence	
Arthur McGuigan	Aloysius Gaudet
Charles O'Neill	Gussie Murnaghan
Forwards	
Robert Bradley	Billy Brown
Eric Robin	Everett Toombs

Referee—Ernest McGuigan.

NOTES

Someone tripped the referee.

Puddin' fell and the ice was cracked

Aloysius is slow but sure.

Arthur J. and Shake played good combination.

Sussex Defeat Amherst In Fast Game

(Canadian Press)

AMHERST, N. S., March 4. — Sussex outlucked the Amherst team on home ice and won the first game of the northern finals 3 to 2 tonight. It was hard and strenuous hockey with two evenly matchel teams striving for supremacy. Sussex had practically all the breaks and took advantage of each opportunity to register their scores. The dairy kings tallied all their goals in the second period, Harold Radcliffe taking the first tally, Wall the second and Harold Radcliffe the third. Bartlett scored both goals for Amherst, one in the second period and another in the third.

Amherst endeavoured to tie the score and beseiged the Sussex nets for minutes at a stretch only to have the rubber bounce from Roach's pads.

The Sussex goalie and the two defence men, Hay and Radclifie, saved the game for the visiting team. Amherst outshot the dairy kings but on the other hand the Sussex forwards were in better scoring positions for their shots, only to have Farrow prove the obstacle in their path. The little Amherst goalie was on the job constantly but Amherst missed innumerable chances. Three times during the game the locals had an open net in front of them only to shoot wild.

It was the fastest game witnessed in the local arena for years. The pace pursued in the first period was terrific and while the players slackened their efforts in the second frame, the pell mell clip was resumed again in the third period. Amherst had the advantage of play in the first and third frames and although Sussex scored their three tallies in the second period the actual play was evenly divided.

As a result of this victory Sussex is now favored to win the series, the next game being in the Creamery Centre on Monday night.

Grippe, Influenza, Ended By "Catarrhozone"

Preventive measures are advisable with so much Grippe in the air. It is easy to keep the throat and nostrils clear of infection germs by inhaling the balsamic vapor of CATARRHOZONE. By this means you send the healing and soothing properties of the famous "Blue Gum" of Australia through the air passages of the head and throat.

Catarrhozone stops a grippy cold —it's splendid for irritable throat, relieves headache and quickly drives out the germs of Catarrh, Grippe and Bronchitis. Get Catarrhozone to-day. Complete outfit, $1.00, and lasts two months; smaller size, 50c. At all druggists.

Halifax Curlers Are The Champions

TORONTO, March 4. —The Halifax ring, skipped by Prof. Murray MacNeil, captured the Macdonald Brier Tankard and the Canadian National Curling Championship by defeating Sarnia, the Ontario champions here yesterday afternoon by 13 shots to 9. The afternoon's victory marked six wins in seven games for the champions, the only defeat they sustained being inflicted by the Saint John rink.

Halifax took the lead in the bonspiel yesterday, when they won in three straight games.

They curled in steady, careful style winning their morning game from Montreal and clinching the title by downing Sarnia in the afternoon.

As the champions trotted off the ice amid a shower of congratulations they were taken into the main room of the club house where they were presented with the handsome silver MacDonald Brier Tankard, emblematic of the Canadian championship.

Bearcats and Atlantics In Six-All Draw

TRURO, March 4. — To a six all draw, the Truro Bearcats and Moncton Atlantics gave an exhibition of hockey here last night that for speed and stickhandling has seldom been seen on the local ice.

Memorial to British-Canadian Veterans

PAWTUCKET, R. I., March 4. — The British-Canadian Great War Veterans and their auxiliary are seeking $10.000 to renovate and remodel the Dexter Street Mission so that it may serve as a suitable memorial to the veterans who served under the crown in the World War.

A campaign is to be carried out under the direction of the British-Canadian Memorial committee, which represents more than 300 members of the veterans' organization and its auxiliary. It is planned to remodel the structure and to provide lounging rooms and pool rooms. The advisability of building a new hall in an adjoining open lot is also being considered. A series of entertainments will be conducted to raise funds.

"SUGAR BAG" HAT

The "Sugar-bag" is the English spring successor to this winter's "vagabond" hat. It really looks more like the dust bag on a vacuum cleaner, but appears very smart when worn. You pull this quaint thing on so that it recedes in front, following the line of the head, and then, when you have squashed it down, you get the Dutch boy effect with the crown flat against the side of the head.

Decline in Horses and Cows Increase Sheep and Swine

WAKEFIELD, Mass., March 4. — A general decrease in the numbers of cows and horses took place in New England last year, but was accompanied by an increase in the number of swine and sheep, according to the annual report of the federal crop reporting service here.

Cows and heifers two years old or over decreased by two percent, but showed an average gain of 9.1 percent in value. There was an eight percent decrease in numbers of all neat cattle with 7.7 percent gain in average value. There was a gain of 1.6 percent in the numbers of heifers one to two years old, accompanied by an average increase of 6.7 percent in value.

"These changes," says the report, probably mean that in numbers and values dairy cattle are nearer a normal or balanced relation with demand for milk cows and dairy products than has prevailed for some time. No large changes in numbers seem likely for 1927 but value may rise somewhat further. With food prices at favorable levels and milk prices reasonably satisfactory, rather stable conditions seem likely and young heifers for milk may show a larger increase in 1927 than in 1926.

New England now has 780,000 cows and heifers two years old, or over, as compared with 852,000 seven years ago. The number of heifers one to two years old is 127,000 as compared with 176,000 seven years ago. Cows and heifers two years and over were valued at $92 in 1920 against $84 now, and heifers one to two years old at $40.48 then compared with 32.75 now."

Horses decreased four percent in numbers but gained 1.7 percent in value, on the average.

Sheep gained 3.4 percent in numbers and 3.8 percent in average value.

Swine of all ages increased their numbers 5.7 percent but lost one percent in average value.

Decreases in horses were larger in southern than in northern New England. Heavy shipments of western horses came into Maine during the last year to supply the demand accumulated during the past years of depressed conditions in the potato regions.

Standardization Cuts Costs!
