

**His First Shave**

**He's starting right**

Dad knows it. For hasn't he vivid memories of other times, before the eventful day when he bought his cherished Auto-Strop Razor? So he is happy to find that his boy won't have to put up with what he went through—dull blades tingling face, half removed stubble—these are the things that make dad wince as he thinks of them. But happily all that is past—to stay.

And now for the boy there is only cleanliness and comfort, the sense of physical well being that follow a cool, clean, satiny shave such as only an Auto-Strop Razor can give. This and the fact that the Auto-Strop Razor sharpens its own blades, and is not taken apart for stropping or cleaning, has led thousands of dads everywhere to recommend the Auto-Strop Razor to their sons.

The price you pay for an Auto-Strop Razor, strap and blades—\$5.00—is on deposit till you're satisfied.

**WEDNESDAY**  
**LIBERAL CANDIDATES.**—At a Liberal convention yesterday, held in Charlottetown, Messrs. George E. Hughes, Charlottetown, and B. W. LePage were nominated to contest the Second District of Queens.

**FUNERAL SERVICES.**—The remains of the late Mr. J. D. Enman were accompanied to Summerside from Westskilwin by his son Mr. Chas. Enman on Monday evening, and the funeral took place Tuesday afternoon from the residence of Mr. John Murdoch under the auspices of the Masonic Lodge, being largely attended. Rev. Mr. McQuarrie of Bedouque officiated. The pall-bearers were Messrs. J. S. Allan, John Goss, John McKay, Mayor J. A. Morrison, Thomas Frizell and D. Gordon.

**RECEIVES HER B.A. DEGREE.**—Many friends in this province will be interested to learn that among the successful graduates at the Commencement Exercises on June 6th in the Faculty of Arts at Toronto University is Miss A. C. Irving. Miss Irving holds a brilliant record as a student, and has now obtained her B.A. degree at Toronto University. She is the talented daughter of Mr. and Mrs. W. H. P. Irving, Cape Traverse, and her many home friends heartily congratulate her on her success.

At a meeting of the Provincial Rifle Association held at the offices of Major A. A. Bartlett last evening, it was decided that the annual prize meeting be held at Charlottetown on August 6 and 7, 1919.

The usual prizes will be shot for, under the following regulations, namely: Any member of the Active Militia and all returned soldiers will pay \$1 to the Association, all other men \$2, in order to qualify for the meeting. It is expected that a large attendance will start the great old shooting game going again. Any person who wishes to practice may have the caretaker at the range at any time required, if they will ring the Drill Shed and make the time known to either Lt. Colonel Leigh or the caretaker.

**FAREWELL PARTY.**—A social was given at the home of Joseph L. Gallant on the eve of the departure of his son Arsene, who after spending an extended visit has returned to Laurence, Mass. Mr. Gallant had been absent for over 15 years having travelled all the way to Alaska where he enlisted in the American Army. Mr. Gallant was deeply touched by the address which was read to him by Mr. Philip Bernard. He responded in fitting terms and assured all those present that he would not be so long before returning to his native place. Speeches of complimentary nature were made by Messrs. Alme D. Arsenault, Philbert F. Arsenault and Stephen Bernard. Accompanying Mr. Gallant to Laurence was his niece, Miss Amenda Arsenault, who also had spent a few days visit in Abram's Village. Reference was also made to her in the address, as Miss Arsenault has many warm friends who regretted her departure. The many friends of both hope to see them back on the Island before long.—M.

The home of the Hon. and Mrs. I. S. Martin, Kinross, was deeply saddened by the death on the 23rd of May, of their son John W. Martin, Pte. Martin was born July 14th 1896. He enlisted with the 105th and spent three years overseas. At the time he enlisted he was a splendid type of man. After training in England he crossed to France but was obliged to return to England for hospital treatment. During his training he was selected for a tug-of-war. In a contest with a stalwart team he received some injuries which was the beginning of his illness. After a period of hospital treatment he was invalided home, and on arrival looked well, although not so robust as formerly. In the course of a few months he began to fail, and gradually wasted until a shadow of his former self; on the above mentioned date he fell asleep. He was most patient during his illness, always cheerful and optimistic, and glad to see his friends. All that medical skill and careful nursing could possibly do was done to hold him here without avail. His young life ended here in the prime of manhood—but he lives on; having finished his task here below.

The funeral services, the largest held in the community were conducted in the Orwell Head church on Sabbath May 25th, by the pastor assisted by Rev. J. C. Martin, uncle of the deceased. The interment was in Orwell Head Cemetery.

The pall bearers were returned soldiers who tenderly laid away the remains of a comrade to rest in the common bed of mankind until the resurrection morn. The spirit had taken flight upwards to be with the redeemed.

Besides his parents, two sisters and three brothers Mrs. A. McLeod, of Montague and Mrs. W. Jenkins, of Westskilwin and Messrs. J. Milne, Hugh James at home mourn their irreparable loss. The community sympathizes deeply with the family in their sad bereavement.

**THURSDAY**

**NORRIS-MCKINSTRY WEDDING.**—Dogsland was the scene of a very pretty and quiet wedding on Wednesday, April 16, when Lena Pearl, eldest daughter of Mr. and Mrs. Robt. McKinstry, Dogsland, Sask., was united in marriage to Mr. Joseph Henry Norris, of Broadacres. They were attended by Miss Alice Jones and Mr. William McClurg, both of Kelfield. The Rev. Mr. Challis officiated. After the ceremony they motored to the home of the bride's parents, where a wedding supper was served, the closest relatives and friends of the bride and groom being present. Miss McKinstry was formerly of Mayfield, P. E. I., Mr. Norris being of Brantford, Ont. The happy couple will reside in their new home near Kelfield.

The lamented death of Clifford L. Mullins, briefly reported yesterday, Mullins, son of Mr. and Mrs. W. D. was due to the rupture of a blood vessel in the brain, not to the blow received on the head, as he fell in a faint. He had been fishing with other boys at the time on Hillsborough Bridge and whether through over-exertion or otherwise he practically fell dead. He was rushed at once to the Prince Edward Island Hospital, where everything possible was done for him, but he never regained consciousness and passed away about half an hour after reaching the hospital. There are left to mourn, besides his parents, four sisters and two brothers, all at home. The tragic ending of a bright young life has evoked the heartfelt sympathy of all. The funeral will take place this morning, leaving the home of his parents, on Fitzroy street, at 8 o'clock for the 8:30 Rocky Point boat. Interment will be at South Shore cemetery.

**WEDDING BELLS.**—A quiet but pretty wedding took place at St. Dunstan's Cathedral Wednesday morning, June 4th, when Miss Margaret Hughes of Charlottetown was united in marriage to Mr. Simon Paquet, of Souris. The ceremony was performed by the Rev. Father McQuaid. The bride wore a tailored suit of blue serge with hat of blue georgette with gray trimmings, and taupe furs. She was attended by Miss Lena McQuaid who wore taupe silk with white satin trimmings and gray hat. The groom was supported by Mr. Arthur Paquet of Souris. After breakfast the wedding party left by the train for Souris where a reception was held at the groom's home, about sixty guests being present to welcome the happy

**MARTIN SENOUR PAINT & VARNISH**

**"Protection" For Your Home—No "Free Trade" With Decay**

Everything with a surface needs surface protection. Not only the outside of your home, but every part of the inside—the floors, walls, furniture, woodwork and meta parts.

To paint, means protection and preservation and money saved on repairs, for wear and decay always start at the surface.

To leave a surface unprotected by paint or varnish, means "free trade" with decay and waste.

**"100% Pure" Paint**  
The Paint for wear and weather.

**Senour's Floor Paint**  
The old reliable—it wears, and wears, and wears.

**"Neu-Tone"**  
The sanitary washable Flat Oil Paint for Interior Decorations.

**"Wood-Lac" Stains**  
Improve the new—renew the old.

**"Marble-ite"**  
The one perfect floor finish—will not mar or scratch white, under hardest wear.

**"Varnoleum"**  
Beautifies and preserves Oil Cloth and Linoleum.

**"Save the surface and you save all" Paint & Varnish**

With  
**MARTIN-SENOUR PAINTS AND VARNISHES**

They are the greatest material protectors you can use—and the cheapest—because they spread easier, cover more surface and last longer.

GREENSHIELDS AVENUE, MONTREAL.

**It is the Flavour that counts**

You know, yourself, that 95% of what you buy to eat, is purchased rather for the flavour than its food value. In other words, we eat what we enjoy, and usually eat only what pleases our palate. There is nothing inviting or appetizing about a loaf of bread made of western spring wheat flour, with its coarse texture, and lack of flavour.

But when the bread and rolls and biscuits are made of

**BEAVER FLOUR**  
MILLED OF BLENDED WHEAT

Ah! that's another story altogether. While the food value of Bread, made of "Beaver" Flour is not to be belittled, it is the delightful flavour, the delicious antlike "homey" taste, the fine, even texture, the creamy lightness, that make homemade "Beaver" Flour Bread such a treat for young and old alike.

And when it comes to things like Apple and Mince Pie—Chocolate or Layer Cake—or a batch of Cookies or Gingerbread for the children—well—just try "Beaver" Flour once, that's all—and you'll see and taste the difference.

"Beaver" Flour is a blend of the famous Ontario winter wheat and enough western spring wheat to give it strength. It has the flavour of the one and the strength of the other, and being milled of scientifically blended wheat, it is always the same in flavour, in quality and strength.

Why miss so many of these good things, by using western wheat flour? Order a sack of "Beaver" Flour, at your dealer's, and begin to enjoy the delicious bread and pastry it makes.
