IN A LITTLE WHILE.

(Chicago Record-Herald.)
On the hillside lambs will gambol,
In a little while;
Down the lane the cows will amble
In a little while;
Fragrant blossoms will be swaying
In the gentle breeze;
Lovers will go forth a-Maying,
Full of ecstasies.
In a little while.

Robins will be blithely singing
In a little while;
Maid in hammocks will be swinging
In a little while;
Foolish fellows will be rocking
Overladen boats;
Glib spellbinders will be flocking
Out our capite votes,
In a little while.

Bumble bees will gladly bumble
In a little while;
Into pitchers flies will tumble
In a little while;
Passing people will be hearing
Golfers crying "Fore";
Wall street will be busy shearing
Trusting lambs once more,
In a little while.

All the woods will ring with glad- gess
In a little while;
People will forget their sadness
In a little while;
Doves will be serenely cooing
Kites will cleave the air;
Maddened mobs will be pursuing
Umpires here and there,
In a little while.

ONCE MORE WELL

"FRUIT-A-TIVES" ALONE CURED HIM
Clarence J. Placey is a farmer of Ulverton, Que., known as a man of integrity and good judgment. He writes in no uncertain terms of the great benefit he derived from taking "Fruit- a-tives" for a long standing kidney trouble.

Ulverton, Que.
I suffered for many years with kidney trouble, with bad pain in the back and all symptoms of disease of the kidneys. I took every known kidney remedy and kidney pill but nothing gave me relief and I was getting discouraged. I was advised to try "Fruit-a-tives" and I did so—and this medicine cured me when every other remedy failed. I used alto- gether fifteen boxes of "Fruit-a-tives" and from the outset they gave me relief and I am now practically well again, no pain in the back, no distress, and all the symptoms of severe kidney disease have entirely left me. I am very thankful to be once more well and I freely make this statement for the sake of others who may suffer as I suffered and to them I say "Try 'Fruit-a-tives.'" 151 (Sgd) CLARENCE J. PLACEY.

"Fruit-a-tives" — or "Fruit Liver Tablets" are sold by dealers at 50c a box — 6 for \$2.50—or will be sent on receipt of price. Fruit-a-tives Limited, Ottawa.

IMPORTANT Investment Facts

IN these days of high interest rates, it is absolutely unnecessary to take any chances with your money in order to secure a liberal income. Excellent investment bonds and stocks of demonstrated value can be bought at prices to yield from about 4% to 7% under existing conditions, your money is en- tirely safe, and the rate of interest with every degree of conservatism.
Keep in mind also that the responsi- bility of investment banks to clients cannot be overestimated. The quality of the service rendered should never be measured by the amount of money to be invested. A \$100 investment should receive the same careful attention as a \$10,000 investment.
This is our business policy and is based on many years' experience.
We have prepared a list of securities which have been carefully selected to meet the requirements of investors in the Maritime Provinces. This we will be pleased to mail to all inquirers. All the information we can command is at your disposal.

POLITICS CAUSE DEATH.

NEW YORK, March 16—In the vil- lage of Amitee Louisiana, yesterday, a senator-elect and a young man of twenty-four years, quarrelled over the recent Democratic primary. The younger man called the older one a liar, the older one, with a revolver in one hand, slapped the other in the face whereupon the younger fol- lowed the older one on to the public street and shot him dead.
