Ship Abandoned West of Azores

(Canadian Press Despatch.) BOSTON, Mass., Sept. 21.—Capt. George Birnie of the Portland schooner Lucia Porter arrived here today from Gibraltar with six members of his crew aboard the steamer Grete, and reported that his vessel had been abandoned six hundred miles west of the Azores. "Disaster has befallen my last three voyages," Capt. Birnie said: "I began them all on Friday because I thought that superstition was a dream. Now I have decided I'll never sail again if I have to start on that day. In February the Lucia Porter was stripped of her sails and her seams opened in a storm off the Maine coast and in May she was tossed upon the beach at Shampscott almost a wreck, and her crew taken off in a life boat. "After being rebuilt, the schooner sailed from St. John, N. B., on Friday, August 11 for Las Palmas with a cargo of pine and a few days later encountered a storm. Captain Birnie said he and his crew were forced to seek refuge on the after deck which, and had about exhausted their limited supply when the British tramp steamer Knight of the Garter picked them up on her voyage from Norfolk for Italy and landed them at Gibraltar."

Presbyterians Will Meet at Truro

The following is a copy of a letter which is being addressed to Presbyterians in the Maritime Synod:— Truro, September 15, 1916. To the Ministers, Elders, Members and Adherents of the Maritime Synod of the Presbyterian Church in Canada, who are in favor of the preservation and continuance of the Presbyterian Church in Canada: On the afternoon of October 3rd, immediately prior to the opening of the Maritime Synod at Truro, there will be a conference of all those favorable to an organized effort to preserve the identity and continued existence of the Presbyterian Church in Canada. The only qualification for attendance at this meeting of ministers, members and adherents, male or female, at Truro, is that you love the Church of your fathers and are determined on its continued existence. The meeting will be held in the County Assembly Hall in the Town of Truro on the afternoon of Tuesday, Oct. 3rd, at 3:30 o'clock. Arrangements have been made with the railway whereby all persons attending, who remember to get a Standard certificate while purchasing a first-class ticket, will be returned free. The certificate must be certified by the Secretary at Truro. We have reached a crisis in our Church's history. The time has arrived for united action if our rights and privileges are to be preserved to us and those who follow. The call for your presence at the Convocation is a personal one. Make a sacrifice if necessary to be there. Remember your presence alone will add inspiration. Yours respectfully, FRANK BAIRD, M. A., Woodstock, N. B. A. J. CAMPBELL, L. L. B., Truro, N. S. J. H. Major S. J. Robin in P. W. College Hall Tonight

SYDNEY, Sept. 20.—The people of Cape Breton County have during the last few days had the opportunity of hearing a speaker who for scholarly eloquence can perhaps not be excelled away from home. His audience came away feeling that they had been lifted to a higher plane, inspired by ideals which would remain with them and form a part of their lives. The speaker referred to is Major S. J. Robin, special recruiting officer for Canada, who addressed patriotic meetings at North Sydney and Sydney, Mines last night, and at Sydney this afternoon. Major Robin has a most attractive personality, he is by birth a Welshman and in the old country has taken part with that great noble Welshman, Hon. Lloyd George in some of his wonderfully successful political campaigns. Removing to Canada some years ago, Major Robin has become a most enthusiastic Canadian; in civil life he is a Baptist minister, but he has been engaged in military work since the war began, and a few months ago at the personal request of Sir Sam Hughes he accepted the post of Special Recruiting Officer for Canada and since his appointment has toured almost the entire Dominion. The people of Charlottetown will have an opportunity of hearing Major Robin at a patriotic meeting to be held in the Prince of Wales College Hall this evening at eight o'clock.

CONSERVATIVES WIN IN CARLETON COUNTY

Smith and Sutton Elected by Large Majorities. F. B. Carvell who Made it His Personal Fight Received His Political Death Sentence From His Own Constituents.

(Special to the Guardian) ST. JOHN, N. B., Sept. 21.—In the by-election in Carleton County today the Conservatives won a splendid victory. B. Frank Smith and his colleague, W. S. Sutton being elected over Andrew McCain and G. W. Uppam by a majority of 570 for Smith and 495 for his colleague. The vote stood Smith, 2828; Sutton, 2753; McCain, 2256; Uppam, 2211. The election was contested in F. Carvell's constituency and was held to be a test of his strength as he made it his personal fight and freely announced that he was prepared to stand or fall by the result. Practically the same announcement was made by ex-Premier J. K. Fleming who will oppose Carvell in the next Federal election. Mr. Fleming said: "The opposition has said that this election will decide my fate. I am sufficient of a sport to accept that challenge, and will abide by the result. The result is a great Conservative victory. Mr. Fleming is naturally elated. The campaign was the bitterest ever waged in this province. The Opposition had a large election fund to which they obtained contributions from all over Canada. J. G. Turritt, Liberal, M. P., for Assiniboia, came to Charlottetown two days before polling day and took an active part in the fight. It is also said that he brought the sins of war with him which had been collected in large part by W. D. Dewar, M. L. A., of Southwest Toronto, and M. A. Young, Liberal candidate in Nipissing both of whom are said to have solicited subscriptions in Toronto. The day was full of incidents. At Woodstock poll Mr. Carvell himself got into a spirited argument with a deputy returning officer over a vote which Carvell tried to work in while the official claimed he was not the man entitled to exercise the franchise. The row culminated in Carvell being ejected from the booth by a Constable. The Conservative candidates carried practically every parish in the county, and at no time was the result in doubt, while the size of the majorities even to the successful candidates is admitted to be a surprise. Tonight there is great jubilation in Woodstock and in east Florenceville the home of Mr. Smith. Hundreds of congratulatory telegrams have been received from all over Canada as owing to the Fleming case and Carvell's activities in St. John and Ottawa it was felt that the result of today's fight would practically decide his future. As it stands now the opinion tonight is that Carvell has suffered a political setback and that at the next Federal election his opponent will have no difficulty in defeating him.

They were, emphatically their praise of the hospitality extended to them not only by the local division but by citizens generally, many of whom had placed their auto and teams at their disposal for excursion to places of interest in the neighborhood. They were, undoubtedly, entertained, heard some of Charlottetown's best speakers, as well as their own and altogether had a delightful time during their three days stay. Their Island brethren were equally delighted with their visitors and the mutual goodwill they evinced during their short stay will long be remembered by them.
