Canadian Team Wins Kalapore Cup

Dom. Marksmen Keep Up Sweeping Success At Bisley

Canadians Clean Up In Team Shoots While Still In Running For Other Rich Prizes.

(C. P. Cable By Guardian's Special Wire)

BISLEY CAMP, England, July 20—"Now for the King's prize" was the rallying cry in the Canadian hut at Bisley Camp tonight on the eve of the great climax of the Imperial Rifle Meeting of the N. R. A.

It was another day of sweeping success for the Canadian sharpshooters. Only a victory in the King's prize itself is needed to make this year the greatest that Canada has ever enjoyed since the Dominion started sending teams over to Bisley not long before the historic event started back in 1860.

Canada cleaned up the big team shoots, emblematic of the entire championship at long and short ranges, by capturing the historic Rajah of Kolapore's Imperial Challenge Cup this afternoon. The Mother Country, who took the trophy from Canada last year, was second by 10 points.

The Kolapore will travel back to Canada along with the MacKinnon Challenge Trophy, the junior event which the Canadians collared on Thursday. And if Canada's success holds out they will need extra space to show the trophies when the "Canadian Bisley" opens at the Connaught Ranges next month.

Nine In Final Stage King's Prize

Before they went out to capture the Kolapore, the Canadians sent nine into tomorrow's final stage for the King's prize. The silver medal for leadership in today's second stage was captured by Sgt.-Major W. R. Clarke of Bombay. Private P. J. Martinsen of La Tuque, Quebec, was only a point behind with 145 out of a possible 150.

Private Martinsen, it was announced, is to shoot off with two others for the Canada Challenge Trophy, first award in the grand aggregate, Bisley's biggest test of consistent excellence. The only two equalling Martinsen's mark of 589 out of a possible 615 in the 10 matches comprising the aggregate are Flying Officer C. Bunch and Sapper G. Ayres of the Royal Engineers.

Canada is in the running for other rich prizes besides the grand aggregate. Sgt. James Borland of Toronto is to shoot off with four others for the Prince of Wales prize, the richest event outside the King's prize itself. Captain A. C. Lucas is to shoot off with three others for the Daily Telegraph Cup. Borland is to shoot off with five for the Alexandra Challenge Cup, and Canada has six men in the final stage of the St. George's Challenge Vase tomorrow.

Canada's success in the Kolapore Cup shoot is the most important that can be gained by a team at Bisley, just as the King's is the Empire blue riband for the individual marksman. The Kolapore is at 300, 500 and 600 yards for teams of eight, whereas the MacKinnon is at 900 and 1,000 yards for teams of 12. In the Kolapore sharpshooters of England, Ireland and Wales may be lumped as the Mother Country's team. These countries fired separately in the MacKinnon.

Gruelling Battle

It was a gruelling battle. Canada and the Mother Country were tied at 300 yards. Canada edged into a four point lead at the 500 yard mark and they extended this margin in the final distance. Only six points separated the highest and lowest Canadian teamsmen, so closely did they shoot.

Martinsen, revealed by the grand aggregate to be one of the three most consistent shots of the meeting, and Sgt. Borland of Toronto topped the Canadian scoring with 143 each. Lieut. Neal Dow of Saint John and George Emslie of Toronto had 142; Captain Lucas of Toronto and young Donald McLeod of Saint John, 140; Cpl. B. W. Beaumont of Vancouver, 139, and Lieut. R. A. Sweet of Hamilton, 137.

In the second stage of the King's prize 13 Canadians were among the 300 survivors of Wednesday's first stage, when Private Martinsen won the bronze medal after a tie shoot. It called for 10 shots at the 300, 500 and 600 yard marks, 10 shots each distance.

While the Bombay man was compiling his 146 to win the silver medal, Martinsen put together two 49's and a 47 for 145 and young McLeod, protege of Lieut. Dow, came back with 144. The veteran Emslie, a Bisley shot since before the war, had 142, as did Lucas and Lt.-Col. F. W. Utton of Toronto. Lieut. Dow had 141, Captain H. W. Bishop of Ottawa and Corporal Beaumont 140. These qualified outright.

Sgt. James Borland and Lieut. Sweet with 139's had to fire off with others for 10 remaining places. Borland was successful. Eliminated with Sweet were Sgt. C. E. Iddiols of Calgary 138; R.Q.M.S. R. G. Hamilton of Ottawa, 136, and Sgt.-Major T. Trainor of Toronto, 134, a relatively low casualty list in view of the fact only one in three are allowed in the final stage.

As the second and third stage scores are counted in for the final, Martinsen and McLeod are in particularly good positions. The final for the King's hundred however is the hardest of the entire arduous competition, calling for 15 shots at 900 and 1,000 yards.

Today's victory in the Kolapore Cup was the 15th for Canada since the shoot was instituted in 1871.

STATIONS GUARD OVER ENDEAVOR

Atlantic Crossing Start To Be Made Monday — Alterations Being Made.

(A.P. By Guardian's Special Wire)

PORTSMOUTH, Eng., July 20—With departure for the Atlantic waters off Newport, R. I., set for Monday, T. O. M. Sopwith tonight stationed a guard over his Endeavour after workment left for the day. Sopwith said the guard would stand nightly watch over the America's Cup challenger until the craft sets sail sometime Monday morning.

The boat is being altered for the Atlantic crossing and it had been hoped the start might be made Sunday to give Sopwith and the crew an extra day in United States waters.

The America's Cup races will be contested off Newport beginning Sept 1st, and continuing every week day until one has won four.

Big Time Aug. 1st At New Annan

We publish today "Big Jim's" ad for his races on Wednesday, Aug. 1st. The time is short and the announcement is therefore laconic, but that doesn't mean a thing, as everywhere we talked to a bunch of horsemen they say that "Jim" has made a hit with his classes. Another big day's fun similar to Northam is in prospect. The race in the 2.12 class will give owner McInnis a chance to stack Heatherbelle, 2.10, up against the fast pacers. That will mean a wow of a race as Heather seems in super form, having cavorted the Charlottetown race track in 2.12 flat yesterday. This will give Betty S., Patrick Direct and the others something to think about. The 2.19 mixed should be a humdinger if the entries come through as we expect, with Lusty Frisco, 2.07¾, The Willys, 2.13, Claire Napoleon, 2.13, Winnie Winkle, 2.13¼, Mack Volo, 2.12¼, and a whole bunch of other eligibles starting. The 2.26 class should draw to full capacity and produce as good a contest as the others, but not so fast. "Jim" himself will not be as much in the limelight or rather in the press as in former years, as he is helping out his native country with a bridge contract, but rest assured all the standard attractions which make New Annan such a good place to have a day's fun at will be in full swing next Wednesday week and "Big Jim" with his popular personality on the job.

Hawks Defeat Maples

Bunching two of their five safe blows in the sixth inning, one of them a double by Gillis, that led to two runs, "Pomp" Bolger's Hawks climbed to within one point of a play-off position in the Industrial Baseball League when they turned back the Maples last night 3 to 1.

It was a real pitcers' battle last night with Pius Bolger allowing not a single safe blow until the seventh when singles by Stanley and McKeigan leading to the Maples only run.

The winners first run came in the second frame. Gillis first man up hit safely and after the next two batters had been retired, came home on Lawlor's sharp single.

LINEUPS

Hawks: Stewart, Doyle, Donovan, Bolger, Gillis, Kenslow, Callaghan, Lawlor, Mullins.

Mapes: Roach, McDougial, Stanley, McKeegan, Ryan, Sherry, Gillis Dunn, McDonald.

Umpire: F. McCabe.

Montrealer Whips Defending Champ In Straight Sets

Rainville Rises To Brilliant Heights In Winning Second Most Important Victory Of Career — Nunns Overpowers Murray.

(By Elmer Dulmage, Canadian Press Staff Writer)

(C. P. By Guardian's Special Wire)

TORONTO, July 20—The masterful molecule of Canadian tennis, Marcel Rainville of Montreal, looking more like a grammar school boy than ever in natty white shorts, subdued giant Walter Martin of Toronto, the country's ranking player, here today for the second most important triumph of his career on the courts.

Not since he whipped lanky Sidney Wood of United States in a Davis Cup match in 1930, thereby becoming something of a national hero, has the black-haired little Frenchman, no. 2 in the Canadian rankings, put over such a brilliant victory. It sent him into the final for the Ontario title against Gilbert Nunns of Toronto.

While Rainville was upsetting the six-foot, three-inch Martin, defending title-holder, in straight sets, 6-2, 6-0, 6-3, Nunns was overpowering 19-year-old Bobby Murray of Montreal, also in straight sets. The scores were 6-3, 6-4, 6-1.

Rainville and Nunns meet tomorrow in the final of a tournament that started out with virtually the same field that will start here next week in the Canadian championships. The winner will become favorite for the national event as John Murio of San Francisco, 1933 champion, is not defending.

Mrs. Gilbert Nunns, the former Bea Symons of University of Toronto, will precede her hard-hitting husband on the courts in defence of her women's singles title. Her opponent is Mrs. W. D. Patrick of Montreal. Their semi-finals were played yesterday.

Martin's tumble from the heights at the hands of Rainville was accentuated an hour later when the big fellow teamed with his conqueror in a quarter-final doubles match and lost a three-set decision to Douglas Grant of Halifax and Gordon Shields of Toronto. Grant and Shields advanced to the semi finals with a victory at 6-2, 3-6, 6-3.

Out of a terrific battle in the men's doubles division emerged the Jamaicans Leahong and Harry Dayes and the Montreal pair, Watt and Murray. They will meet tomorrow in the final.

The Jamaican duo won a brilliant duel from Doug Grant of Halifax and Gordon Shields of Toronto in four sets, 6-1, 3-6, 6-4, 9-7. Watt and Murray struggled through five heated sets before winning over Roland Longtin of Montreal and George Leclerc of Ottawa, 2-6, 6-4, 6-0, 6-1.

An excited gallery watched Leahong and Dayes in their close fight to upset a hastily formed team that made a remarkable showing. After the first two sets had been divided, it became a seesaw contest with Leahong firing the heavier Jamaican guns and Grant providing the hard-hitting Shields with great support.

Grant's brilliant volleying was as spectacular as anything the match produced. The king of Canadian badminton players was quite at home when he went to the net and his smashes were decisive. But the Jamaican team were steadier in the long run and their experience in playing together was an important factor.

SUMMARY

Men's Singles, Semi Finals

Marcel Rainville, Montreal, defeated Walter Martin, Toronto, 6-2, 6-0, 6-3.

Murray and Laird Watt, Montreal, defeated Maurice Margesson, Toronto, and Bill Piggott, Hamilton, 10-8, 7-5.

Roland Longtin, Montreal, and George Leclerc, Ottawa, defeated Ross Wilson and Jim McDougall, Toronto, 6-2, 3-6, 6-1.

Men's Doubles, Semi-finals

Leahong and Dayes, Jamaica, defeated Grant and Shields, 6-1, 3-6, 6-4, 9-7.

Watt and Murray defeated Longtin and Leclerc, 2-6, 6-4, 6-0, 2-6, 6-1.

Three Yankee Homers Not Enough As Chicago Wins 13 - inning Battle 7-6

(A. P. by Guardian's Special Wire) Myers.

NEW YORK, July 20—The White Sox's base hits proved more effective than the Yankees' home runs at Chicago today but it took 13 innings to prove it. Getting only one extra base blow in their 14 hits while the Yanks got all their runs through circuit swats, Chicago won the overtime battle 7-6.

The defeat of the Yanks evened the series and left New York 2 1-2 games behind the league-leading Detroit Tigers.

Lou Gehrig hit his 25th homer in the first and Frank Crosetti hit for the circuit in the fourth. Earl Combs' homer tied it up in the ninth.

The winning run came off Red Ruffing when Jocko Conlan singled, advanced on Jimmy Dykes sacrifice and tallied on Luke Appling's base hit.

Browns Creep Up To Fifth

Winning their second consecutive game from the Senators, and their sixth straight victory, the Browns at home defeated Washington 7-4 and advanced to fifth place in the American League standings.

Washington, last year's league champions, descended to the place in the standings vacated by the winners.

Gill and West hit home runs. Gill's first inning blow also scored

Tigers Lose To A's

Detroit Tigers were brought up smartly by a mighty swing of Jimmy Foxx's bat in the eighth inning and lost their series' opener with the Athletics 5-4 at Detroit.

Foxx's bat connected with one of Hamlin's pitches for a home run, his 29th, which proved to be the winning margin. The teams were tied four-all at the time.

Philadelphia took an early lead in the third inning when they got to Lynwood (Schoolboy) Rowe for two runs, combining two singles, a double and a grounder. The Tigers broke into the scoring column in the third when Marvin Owen slammed a home run over the scoreboard.

Goslin got another home run for Detroit in the fourth but the bases again were empty and a pop fly by Gehringer followed by a double play by Higgins and Foxx retired the Tigers.

Sox Humbled by Tribe

Cleveland Indians at home stretched their winning streak to four games and climbed into third place in the league's standings by defeating Boston Red Sox 5-3.

Monte Pearson was credited with the Tribe's victory, but had to be rescued by Mel Harder, ace right hander, in the eighth inning, after he developed a touch of wildness.

CONTENDERS ARE BEING OVERHAULED

fense of America's Cup Preparing For Final Series.

(A. P. By Guardian's Special Wire)

BRISTOL, R.I., July 20.—Intensive efforts were begun today to improve the three contenders for the defense of the America's Cup before the final trials open off Newport next month.

Weetamoe, Frederick Prince's candidate, was hauled out today at the Herreshoff Yard, where she was built four years ago, and a major operation will be performed with the theory of aerodynamics; her keel this spring had been given a bulbous entry to the water. This will be discarded and the lead moved father aft, giving the entire keel a natural curve.

Yankee will haul out in the Williams and Manchester yard in Newport and have her underbody polished before engaging in the next series of races. She also will undergo some minor repairs and alterations and receive an entire new suit of sail.

Rainbow, Harold S. Vanderbilt's new candidate, also will wear new canvas when she returns to competition.

PROV. TENNIS TOURNAMENT NEXT WEEK

A tennis tournament open to members of the clubs belonging to the Provincial Tennis Association opens on Monday, weather and other conditions permitting and will continue throughout the week. A large number of entrants have signified intention of competing in the tournament, and some close sets are assured.

Tennis has gained unprecedented popularity in the City and province this season. At the present time in Charlottetown the City Courts, the Maple Leaf Courts, the Holy Name Courts, and the Holy Redeemer Courts are crowded daily.

Along The Sport Trail

Expressing dissatisfaction with the work of Umpire Dougan, the Cubs baseball team withdrew from the City League last evening.

* * *

But while the withdrawal of the said team is a severe blow to the loop, Falcons and Stars are to finish out the league with the play-off series of three games to take place immediately after completion of the scheduled games to decide the city champions.

* * *

Rumors were going the rounds yesterday of the Cubs abdication but nothing definite was known until last evening when Manager Cooper informed an executive meeting of the league on the stand taken by his team.

* * *

From here it looks as if their action is a bit too drastic. While Umpire Dougan may have erred at times in his decisions, and no umpire is perfect, nevertheless he has given conscientiously of his time and services for the past number of years in officiating at these games and at the same time has stood a lot of undue criticism.

* * *

If present plans materialize local fans will have the privilege of seeing a fast mainland club in action here in the near future against the Falcons. Manager Ennis says negotiations are under way but at present nothing definite is known.

* * *

Canadian riflemen at Bisley are certainly catching the headlines these days with some remarkable shooting. So far they have captured the two big team shoots and are in line for several other top positions.

* * *

Today sees nine Dominion marksmen in the final stage of the King's Prize and all fellow Canadians will be pulling for one of them to come through, Lt. Desmond Burke being the last Canuck to capture this coveted award a number of years ago.

* * *

When Jimmy McLarnin gets into the ring with Barney Ross next September he will weigh 147 pounds, the welterweight limit, and at that poundage he expects to even the count with the Chicago mittman. McLarnin strongly suspects that his manager, "Pop" Foster, was outsmarted when it was agreed that he would weigh not more than 145 pounds, and at the same time risk his title in his first meeting with Ross. And there'll be no more of that.

Giants Come From Behind To Defeat Reds 11-5; Cards Triumph Over Braves

(A. P. by Guardian's Special Wire)

NEW YORK, July 20—The weather came to the rescue of the Giants here today when they seemed about to suffer the indignity of a drubbing from the Reds, and when they finished they had another victory, 11-5, and their lead over the second place Cubs was increased to 3 1-2 games.

The league leaders were trailing 4-0 when a storm struck the field and delayed the game for an hour. During the wait, Si Johnson, the Reds' pitcher who had given only one hit in three innings, cooled off. When he resumed his duties, the Giants smacked him off the hill to score seven runs in the fourth and put the game on ice.

Mell Ott rapped his 23rd home run of the year in the fifth to equal last year's total for the full season and to drive in his 98th run of the year.

Cards Again Beat Braves

A home run by Wally Berger saved the Boston Braves at home from a whitewash at the hands of St. Louis Cardinals as the dropped their second game of the current series 5-1.

Tex Carleton pitched a perfect game for the visitors until the seventh, allowing not a single man to reach first base. Berger put a finish to Carleton's no-hit, no-run hopes in this inning when he hit the homer, his 21st of the season.

THE BACK STRETCH

(Continued from Page 7)

Jimmie Boutilier is expected to pay us a visit at Exhibition time. He is at present at the Halifax race track training Miss Maggie 2.11½, and a green pacer called Harry Aubrey that he is getting ready for the 2.25 pace.

May Tell, 2.16¼, which Tom Holmes raced for Jimmie Hennessy of River Hebert last season won the Free-for-All at Shediac last Saturday. Best time 2.20. Among the other starters were Golden Peter, Lone Eagle and Plate Glass. We had forgotten all about this trio. Many of our horsemen friends will remember Plate Glass, 2.12½, when he was brought down from Ontario by Alderman Frank Adams of Halifax. He looked like the real goods after he had tramped an exhibition mile at Fredericton in 2.12. After cleaning up a couple of events he met Major S in a five heat affair at the Charlottetown Exhibition, won the first two and lost the last three.

At Port Elgin the same date the 2.29 Trot was won by Billy M., and the 2.27 Pace by Doris Grattan. Best time 2.23, which was in the second heat won by Miss Jean Grattan driven by the one and only Professor S. A. Rockford.

Alderman Frank Adams of Halifax has a new speed prospect in Todd Brewer, a four year old by Peter Brewer, dam Eliza Todd, 2.20, by Kentucky Todd. Both sire and dam were formerly owned by Alderman Adams, but the four year old was bred at the farm of Earl Rowe, M.P., Newton Robinson, Ontario.

According to Jimmie Power's column, Halifax Herald, where the above information was gleaned from, Alderman Adams has in the Merrytime Stables in addition to the above, the well known pacers Leila Frisco, 2.08, Star G., 2.09, Beeton Grattan, 2.10, and Dazzling Stout, 2.17, with nine saddle horses all placed in attractive quarters at the Halifax race track.

When King Spruce won the first heat of the 2.18 Trot and Pace at North Sydeny last Wednesday in 2.10 he stepped the fastest heat of the day. The next fastest heat was the second heat of the Free-for-All won by Calumet Brownie in 2.10¼.

In Sport Notes of twenty years ago appearing in Jimmie Power's column, Halifax Herald, July 19th, is the following item: "Fifteen hundred people attended the horse races at Vernon River, Prince Edward Island. Doctor Sharper (MacKinnon) won the 2.19 pace in 2.20, 2.22, 2.23, defeating Hilda S., Helen R. and Cherry Ripe. Orwell Belle (MacKinnon) won the 2.24 class in 2.23, Zealot owned by Mike McKenna, Vernon, winning the first two heats in 2.24½, 2.24½." Riley D. owned by Henry Hooper, won the Three Minute Class Half Mile heats in 2.15.

The Matinee races at the Halifax race track on Wednesday were nice racing. In the Class "A" Star G. won the first heat in 2.14, Maggie Great the second in 2.15 and Beeton Grattan the third in 2.15½. The Class "B" was won by Fireglow Maid, Maggie second, Todd Brewer third. Best time 2.16½. Class "C" half mile heats was won by Sparkle, Best time 1.10.

Napoleon Hal, 2.02¼, and Jeanette Royal, 2.04, have been mated, being respectively the fastest sire and the fastest mare on Prince Edward Island. The resulting foal to have a speed inheritance of 2.03 Marge Direct, 2.13¼, has also been bred to Napoleon Hal.

Two New Records Set Up On Second Day Of Race Meet

(C. P. by Guardian's Special Wire)

THORNCLIFFE PARK, Toronto, July 20—Two new records were established today at the second programme of Toronto's Grand Circuit meet.

The Royal York Hotel Stake progressive pace, first division, one heat of which was raced Thursday was the race in which the first record was made. After finishing eighth in the first heat, Dick Reynolds, the bay son of Single G. Estabella, and owned by R. J. Reynolds and driven by Harry Stokes of Goshen N. Y., set a new Canadian record when he won the second and third heats, travelling the second heat in 2.01 flat with the first half in 1.01 3-4. The previous record of 2.01 3-4 was held by Zombro Hanover, made at Fort Erie, two years ago. Cold Cash won the initial heat of this race.

The second record was in the Canadian owned 2.17 pace when Billy Hugo, Br. G. by Sir Hugo-Darkey Lady, owned by Fraser Bros. of Ridgetown, Ontario and driven by W. L. Fraser of the same town, covered the mile in 2.03.

Miss Ontario, owned by P. J. Dowsey, Worster, Mass., and driven by Vic Fleming of Syracuse, N. Y., won the Toronto Globe Stake in straight heats, in rather easy fashion.
