WEDDING BELLS.—A very pretty wedding took place at St. George's Church on Tuesday, July 12th when Mary E. Morrison, daughter of Nell D. Morrison of Launching was united in the holy bonds of matrimony to Joseph A. Morrison of St. George's East. The ceremony was performed by Rev. J. C. McDonald, P. P. The bride was attended by her cousin Mary A. Walker, while Peter Morrison, the groom's brother did the honors as best man. The bridesmaid was dressed in salmon color crepe-de-chine dress with a black picture hat. After the ceremony they motored to the bride's home for breakfast, then they went to St. Peter's returning at noon to the groom's home where a sumptuous dinner awaited them. About four o'clock in the afternoon they motored to Charlottetown and left the following morning on a honeymoon trip to Montreal, Quebec and other Canadian cities. The bride's traveling suit was a blue ensemble suit with white felt hat. On their return they were met at the home of the bride by about two hundred and fifty invited guests. After congratulations were exchanged all sat down to a well-timed and delicious dinner. Dancing was indulged in till the wee sma hours to the excellent music of the McPhee brothers of Big Pond and Campbell and Banks of Pointe-aux-Lacs. His morning sermon was on Matt. 27:22 "What Shall I do with Jesus which is called Christ," and in the evening II. Chron. 29:27 "When burnt offerings began the Song of the Lord began also." Dr. MacKenzie is a very earnest speaker and his discourses Sunday were fine and thought-provoking. He was the speaker again next Sabbath. The holiday season told heavily on the work of the choir there being many absentees. Prof. Thompson is enjoying a well earned rest at Murray Harbour, following a strenuous season in his former field in Ontario prior to taking charge in Zion. During the evening service a mixed quartette consisting of Misses Flo. Campbell and Marion McLennan and Messrs. D. McKinnon and M. McKinnon sang very favourably "Some-time We'll Understand." BASEBALL

This evening at 5 o'clock at the Abegweit grounds the Rovers and Stars will meet in the seventh game of the Second Section of the City League Baseball Schedule. There is only three more games of this League left and all three teams are a tie in the Second Section.

The Rovers and Stars are noted for their close games and with the teams a tie there is in store for the fans this evening one great little old ball game.

In this section so far the Rovers won one game, from the Stars and the Stars won one from the Rovers so it looks as if the team will play ball like they never played before and then some.

The fans have played a great part in stimulating good ball this season by their attendance and hearty support of their teams and with only three games to go there should be record crowds out each game as there is no doubt the games will be well worth watching.

MONCTON NOT COMING

The Moncton players for the second time this season have let the Abbies down on ball games arranged here. They were to meet the Abbies today in a double header, but from advice received they cannot make the grade.

U. S. Champion Scores 288 To Cop The Title

TORONTO, Aug. 8.—Scoring a sparkling 70 three under par, for the last 18 holes of the 72 hole test, Tommy Armour of the Congressional Club, of Washington, D. C., United States open champion, won the Canadian open golf championship here Saturday with a total of 288.

Armour came in late to nose out MacDonald Smith, of Great Neck, Long Island, who with 289, had shortly before taken first place from William Burke of Greenwich, Conn. Smith had a 69 for the final round while a 68 that tied the complete record for the course had given Burke the temporary leadership with 290.

Abbies Track Team Returns Victorious

Yesterday the Abegweit field and track team returned victorious from Halifax, where on Saturday they for the twenty-first consecutive time, emerged from the Maritime Championships with a splendid victory, the Abegweits not only clinched the largest number of points by one of their team, Phil McDonald grabbed off the high honors of the day with twenty-five points and was also selected for the Olympic trials to be held in Toronto on August 20th.

When you look back and think of the small amount of training and the lack of athletic meets on the island to fit these wonderful athletes of ours for competition with the other Provinces the feat won on Saturday is really remarkable.

There is no reason why Charlottetown with its numerous athletes and with good material in the rural districts to compete could not boast, at least one such an event in the course of the summer and give our athletes a chance to extend themselves before competing against the cream of other Provinces.

A demonstration of our athletes like in Halifax should be worthy of a record following of people in our own province and it is hoped when the next meet is called for Charlottetown the Abegweit management will receive the best encouragement from a record at tending audience.

The Abegweit Club who are the foremost club in the Maritime Provinces, are invited to be commended for the fostering of sport in such adverse circumstances as to be able to send such a worthy representation of young athletes to Halifax that proved themselves different events of the season.

To the team hearty congratulations are certainly due and may they keep up the good work of the past twenty-one years and continue to uphold the island on the athletic field.

Fly-Tox

Your Doctor Will Confirm This
The fly's mouth and tongue are covered with fine hairs. Consequently some of the filth in which they mess clings to them. And the microscope discloses these tiny drops of unspeakable uncleanness alive with bacteria—disease germs.

A fly touching anything it touches, milk, food, baby's eyes, open wounds are favorite sources of infection.

But with Fly-Tox a house can be kept free of flies and similar insects. Fly-Tox is fragrant, stainless, Fly-Tox is harmless to humans but sure death to flies, mosquitoes and similar disease-carrying insects.

MAYORS EXCHANGE GREETINGS

The City of Winnipeg, in turn, forwarded by the new train, its felicitations to Regina, Brandon, Vancouver and other cities on the route.
