MONDAY

WEDDING BELLS.—A marriage of much interest to many P. E. Island friends took place at the Church of the Good Shepherd, New York City, on Saturday, August 17, the contracting parties being Miss Marion McDonald and Mr. Lee Charles Averbach. The bride, who is the daughter of Captain and Mrs. John D. McDonald of Cable Head, is a graduate of Community Hospital, New York. After the marriage ceremony, which was performed by Rev. Father Devine, Mr. and Mrs. Averbach motored to P. E. Island to visit Mrs. Averbach's parents. On their return they will reside at 10, Cooper St., New York City.

ON INSPECTION TRIP.—Dr. Frank T. Schulth, Dominion Chemist, and Mr. L. E. Wright, assistant chemist, spent the week-end at Beach Grove Inn. They are on an inspection trip to Prince Edward Island, where they will pay an official visit to the Superintendent of the Experimental Station, Charlottetown, and accompanied by Mr. Clark will visit as many of the Illustration Stations as time permits. They also plan attending the West Prince Exhibition at Alberton, on Tuesday, and the East Kings Exhibition on Wednesday.

MR. T. GEDDIS GRANT RETURNS.—Mr. T. Geddis Grant of Trinidad who has been visiting his brother Rev. George Grant, Winslow, left the Island on return Saturday on board the Hochelaga. Mr. Grant is the head of a large manufacturing agency which has large interests in Trinidad and the Barbados and is director of the Trinidad Publishing Company. This agency represents a large number of Canadian firms. Mr. Grant's mission, apart from his visit, was an attempt to promote island trade with the Barbados, especially the trade in Demerara rice. This product is rapidly replacing sugar as an important production in the Barbados. There was a greater island trade some years ago than that which now exists since the passing of the sailing vessel.

—DEATH OF MR. JOSEPH S GALLANT.—The death occurred in the Prince County Hospital last Wednesday evening of Mr. Joseph S. Gallant, of Summerside, at 62 years of age, following an illness of two weeks from pneumonia. The deceased formerly belonged to Fifteen Point but sold his property there only a few months ago and came to reside in Summerside. He was well and favourably known throughout the district. He leaves to mourn, besides his sorrowing widow, two sons and two daughters, all residing in Summerside, namely:—Messrs. Emmanuel and lead Gallant, Mrs. William Corney and Miss Georgie, at home to whom the sympathy of the community is extended. The funeral took place on Friday morning from the residence of St. Paul's Church and Cemetery. Rev. J. J. MacDonald officiating, and was very largely attended.

TORONTO WEDDING.—The marriage of Mr. James MacKenzie and Miss Margaret Ann Lamont, daughter of Rev. D. M. and Mrs. Lamont, late of P. E. I., took place on the 10th September in the Bloor Sherbourn Presbyterian Church, Toronto. Rev. F. W. Goodwill, formerly of P. E. I., officiated, assisted by the bride's father. The groomsmen and bridesmaids were Mr. Archy Laing of Uist, and Miss Effie Forrester of Edinburgh, Scotland. A large congregation assembled to witness the ceremony and facilitate the young couple. In old Highland fashion, the bride party was escorted to the bride's home by the well known war veteran, Pipe Major D. A. MacPherson. On the same evening Mr. and Mrs. MacKenzie left Toronto for their future home in Lewis. Prior to the marriage, a representative gathering of the congregation gave the bride a surprise party, including a handsome cheque from the ladies of the church, testified to the good wishes of her many friends.

—PASSED AWAY WHILST ON A VISIT.—There passed away in the Prince County Hospital on Friday last, Mrs. Catherine White, of Brookton, Mass. Mrs. White was a native of Fort Hill, but left the Island when quite young. It was her custom to visit her native place every year, and was on one of these visits when she was taken suddenly ill and an operation was considered necessary, but in spite of all that could be done, she did not rally. She was 70 years of age. Besides her son, Maynard, who had accompanied her on her visit, there are left to mourn the following brothers and sisters, namely:—Messrs. Charles Maynard of Fort Hill; Edmund Maynard of Northam; Henry and Herman Maynard of Boston, Mass.; Arthur Maynard in Western Ontario; Mrs. Ed-

mund Birch, Port Hill; Mrs. Artemus MacArthur, of Arlington, Mass.; Mrs. Peter Carrol of Tanton, Mass.; and Mrs. M. L. F. MacKenzie, of Summerside. Sincere sympathy is extended to the bereaved relatives in their sudden sorrow. On Friday afternoon, at Compton's undertaking parlors, a funeral service was held, attended by a large number of relatives and friends, Ven. Archdeacon White officiating. On Saturday morning the remains were conveyed to the railway station and taken, accompanied by her son, to Brookton, Mass., to be laid beside those of her husband, who died many years ago.

An outstanding figure in the medical profession and a citizen known and esteemed throughout the city and Province passed away yesterday evening in the person of Dr. Stephen R. Jenkins. The deceased, who became ill last Monday while engaged at his duties at the Charlottetown Hospital, was seized with a gall bladder attack but by Wednesday, his symptoms having improved, was again able to be about. On Thursday morning, however, left sided pneumonia developed and his condition from that time on became steadily worse. Despite loving care and most expert attention he gradually sank, passing away at 5:15 p. m. yesterday at his home, Brighton Villa.

The late Stephen Rice Jenkins, M. D., F. A. C. S., was born in Charlottetown on Nov. 12, 1858. His father, the late Dr. J. T. Jenkins, was a native of Prince Edward Island while his mother, who bore the maiden name of Jessie R. Rice, was born in Newfoundland. Stephen R. Jenkins was educated in the public schools and in St. Peter's School, Charlottetown, and King's College, Nova Scotia. His preliminary medical training was received in his father's office, after which he entered the medical department of the University of Pennsylvania, where he graduated in 1884. After his graduation he served for some time as house surgeon at Brockley Hospital, Pennsylvania, and in 1885 returned to Charlottetown, where he entered upon the practice of his profession, his first duty being the taking over of the small-pox hospital and the combating of this dread epidemic, which had broken out with great violence in the city. In the following February he was commissioned surgeon of the Fourth Prince Edward Island Regiment of Artillery. He enjoyed a large and constantly increasing practice and bore throughout a lengthy career the highest reputation as a skillful and careful surgeon, being connected in this capacity with both of the local hospitals. He succeeded the late Dr. Warburton as registrar of the Medical Council of Prince Edward Island and was a past president of the Maritime Medical Association and the Canadian Medical Association, having presided as president of the latter organization at its last annual meeting at Montreal.

The deceased was a member of the first Dominion Medical Council and a Fellow of the American College of Surgeons. He also served on various medical committees of national importance, such as Cancer Research and Social Hygiene. As regimental medical officer of the Fourth Regiment, Dr. Jenkins received the rank of Lieutenant Colonel. He was A. D. C. to His Honour Lieutenant Governor Hearty and also his two predecessors. Keenly interested in every movement of benefit to the community, Dr. Jenkins was for many years secretary of the Prince Edward Island Branch of the Canadian Red Cross Society. He was also president of the Anti-tuberculosis Association, and devoted much of his time freely and generously to this great work, and to the free Dispensary for the poor of the city, of which he may justly be regarded as the founder.

The Coal Fund, started by his father for the relief of the poor of Charlottetown during the severe winter months, was continued by Dr. Jenkins, and this generous movement has been the means of bringing comfort into many a destitute home in this city. Much of Dr. Jenkins' professional time and services were given to the Charlottetown Hospital, of which he was the chief of staff, and where he was justly regarded with the utmost affection and veneration. So long and so intimately had his name been associated with the Hospital that two seemed inseparable. His work in connection with this splendid institution will be a lasting memorial to his Christian character, his warm-hearted generosity and humanity, as well as to his sage counsel and brilliant professional abilities. He was also senior member of the staff of the Prince Edward Island Hospital, and saw both hospitals grow from small beginnings into their present important position in the community. He was also a member of the Char-

lottetown School Board. The late Dr. Jenkins was a devout Christian, in the true sense of the word. Though he never paraded his religious or moral opinions, no one could converse with him for long without recognizing this characteristic of the man. He was a devout member of the Roman Catholic Church, ever faithful and loyal to its interests, and took a leading part, as layman, in all Church activities. A staunch Conservative, Dr. Jenkins took an active part in local politics, being elected for the constituency of Charlottetown in 1912 and 1915. In the latter year he became a member without portfolio in the Executive Council. As a member of the House, Dr. Jenkins was little given to speech-making, but he possessed a keen grasp of affairs and his wide experience as a medical man proved invaluable in the consideration of measures of public importance.

During the War, although past military age, Dr. Jenkins, at great financial loss to himself, took command of Rockhead Military Hospital, Halifax, giving up his practice in Charlottetown while so engaged. The deceased leaves to mourn, besides a sorrowing widow, the following sons and daughters: Dr. J. S. Jenkins, D. S. O., Charlottetown; Mrs. Ivan Reddin, Pincher Creek, Alberta; Harry G. Jenkins, Paris, France; Miss Helen Jenkins, Charlottetown; Miss Nora Jenkins, R. N., New York; Miss Hilda Jenkins, R. N., New York; Miss Margaret Jenkins, Charlottetown; Charles Jenkins and Miss Stephanie Jenkins, Charlottetown. Also two brothers, Hon. L. Jenkins, formerly Speaker of the Provincial Legislature, now residing at North Willshire, P. E. I., and Harry Jenkins, Twin Butte, Alberta; and two sisters, Mrs. A. W. Holroyd, Winslow, P. E. I., and Mrs. John S. Morris, Charlottetown, to all of whom The Guardian tenders sincere sympathy.

All the family, with the exception of Mrs. Ivan Reddin, are now at home. On Thursday noon, anticipating the seriousness which followed, an urgent message was despatched to Dr. Ray Brow, of Montreal, a native of this Province and an expert in serum treatment of pneumonia and a recognized authority on the heart. Dr. Brow immediately threw up his other duties and proceeded to Charlottetown at once, arriving here by aeroplane on Friday. The nature of the illness was such, however, that the serum could not be used with any hope of success.

TUESDAY

—PAINFUL INJURY.—Mr. Benj. Cairns of Summerside, East had the misfortune to have his finger bitten by a fox while working in his ranch. A doctor was immediately telephoned for but the poison seemed to have gone through his system. His friends however are pleased to hear he is doing nicely and hope he will soon be back to his old job again.

—RETURNED TO SASKATOON.—Mr. and Mrs. J. C. Townsend left on Saturday for their home in Saskatoon. They have been spending the summer months with Mrs. Townsend's parents, Mr. and Mrs. T. M. Linkletter, of Summerside. It is pleasing to report that Mr. Townsend, who was very seriously ill when he came to the Island, is now fully restored to health and will be able to take up his duties again in the express office of the C. N. R. at Saskatoon.

—INJURED IN MILL.—An unfortunate accident occurred at Messrs. M. F. Schurman and Co.'s mill at Summerside, on Monday morning, when an employee, Mr. Linkletter, son of Mr. and Mrs. Archibald Linkletter of Linkletter Road, was badly hurt. Mr. Linkletter was using the small planing machine and being in a hurry was planning two boards at once and went to adjust the belt to reduce the speed, when the belt flew off the pulley and struck him on the side of the head. He was rendered unconscious for a short time and when he came to was taken to a doctor who dressed his injuries, which consisted of a bad cut over one ear and cuts and bruises about the head, which will confine him to his home for some time.

—WORK PROGRESSING.—Work on the Robert Harris Memorial Library is progressing favourably. The workmen are now employed upon the construction of the roof and it is expected that all outside work will be completed in about two weeks. Once the outside work is finished the inside construction should be quickly completed and the whole building, it is expected, will be erected by the time, if not before the time the contract requires. The building is a three storey structure, though the second storey is really a mezzanine floor. It is made of attractive red brick and with its ideal location on the market square should prove an asset of great utility to the city and province.

—SERIOUS LOSS.—Yesterday forenoon a fine four-year-old horse owned by Mr. Edison Mutch, North River, dropped dead on Paoli's Wharf while the owner was in conversation with Mr. Paoli. Acute indigestion was the cause of death.

—KINDLY REMEMBERED.—Professor L. W. Shaw is leaving this morning for Sackville, where he has been appointed lecturer on Pedagogy at Mt. Allison University. When bidding farewell to the staff of Prince Street School yesterday, the teachers took the occasion as a suitable one to present Mr. Shaw with a handsome walnut end-table as a souvenir of the pleasant times they had had together and a tangible expression of the good wishes which follow him to his new duties.

—AN INTERESTED VISITOR.—The Rev. H. F. Thomas, M. A., of Toronto, is a visitor to the Island and is loud in his praises of the beauty of the landscape and the delightful climate. Mr. Thomas is a guest at the Manse, Belfast, and will occupy the pulpit of St. John's Presbyterian Church, Belfast, on Sunday, September 22nd and 29th at both services. Mr. Thomas is a preacher of great ability and a profound student of the Bible and many will doubtless wish to take advantage of the opportunity of hearing him upon these occasions.

—IN NEWSPAPER WORK.—Mr. J. P. Hood, who had charge of the advertising department of this paper for several months and now with the Stockton Record, was in town and visited this office. He created a host of friends along the avenue while with us. Mr. Hood has charge of the rural circulation of the Record in Stanislaus county, with office in Modesto. His experience, and ability have been felt in the increased circulation of that prominent daily of the San Joaquin Valley. The congenial work, the climate and the success of his endeavors have rejuvenated this veteran newspaperman. —The Oakland (Calif.) Telegraph, Sept. 6th, 1929.

—DELEGATES ENTERTAINED.—The entertainment for the visiting delegates of the Good Roads Association and their wives was amply provided for. The ladies of the local committee yesterday entertained the visiting ladies at 4 p. m., at the Experimental Farm. At 9 o'clock yesterday evening the Gyro Club entertained the delegates and their wives at the Beach Grove Inn. Most of the delegates availed themselves of the opportunity to spend a thoroughly enjoyable evening.

—ELECTRICAL DEMONSTRATIONS.—The Maritime Electric Company are holding a series of demonstration lectures which began yesterday afternoon in the I. O. F. Hall. After the opening remarks by Supt. J. T. McKee, Miss Warren gave a cooking demonstration, and a number of short talks on electric ranges, refrigerators, washing machines and other labor saving appliances were given by the Managers of the various departments handling same. The afternoon door prize was won by Mrs. Russel Clarke, while in the evening Miss M. Irving was the winner.

—PRESENTATION.—On Sept. 11, the W. M. Association of the Kingston Baptist Church, met at the commodious and beautiful home of Deacon and Mrs. Ackland, Hampshire. After the entire meeting was called to order by the president, Mrs. D. Fraser, when an address was then read by the secretary, Mrs. Mack McSwain, to their daughter, Miss Grace, presenting her with a beautiful and useful present on her departure for Acadia, to take up her new studies. The presentation was made by Mrs. Frederick Kilson, after which Miss Grace recovering from the surprise, thanked the members very much for their kind remembrance. Ice-cream and

cake were then served by Mrs. Ackland and her four talented and accomplished daughters, Miss Grace, Miss Hilda, Miss Gertrude and Eleanor, assisted by Master Horace Willis. Ice cream and cake being of the highest excellency, the remaining part of the evening was spent in social conversation.

—FROM HOLLYWOOD.—Mr. Nat. Carr, movie actor, Hollywood arrived in the city yesterday accompanied by Mrs. Carr, formerly Miss Gertrude Viola White, of Charlottetown. Mr. and Mrs. Carr motored here from New York. Mr. Carr recently played in the feature talkie picture "The Talk of Hollywood" prior to which he played in Al Jolson's picture "The Jazz Singer." He has just finished three of a series of Jewish comedy talkies. He is on his first visit to the Maritimes.

FRIDAY

PRIZE WINNER.—At the Fredericton Exhibition, Louis W. Roper, of Charlottetown, won four championships, thirteen firsts, fourteen seconds, five thirds, four fourths, with his pure bred Guernsey cattle. He will leave for the Chatham fair with his herd on Sunday morning.

ISLAND PRIZE WINNERS.—The Toronto Globe of Sept. 16, contains a photo of the Junior Champion Holstein Bull, Kerck Rocharm, and the Junior Champion Heifer Debora Pluto, at the Canadian National Exhibition this year. They are both owned by Mr. J. Walter Jones, Burnaby, P.E.I., who is shown in the illustration, standing with his herdman. The junior champion female was sired by the \$5,000 bull Abegweit Pluto, recently sold to an American buyer. The Maritimes are getting on the map better and better every day.

officiating. The bride, who was given in marriage by her father, wore a white crepe dress with long tight sleeves coming to a point over the hands, and made with a draped circular skirt very long on one side. Her veil was arranged from a cap of lace and pearls, and she carried an arm bouquet of cream poodles. She also wore the groom's gift, a necklace of pearls. Her attendants were, Miss Mary Gallant and Miss Pierce. The wedding march was played by Miss Hoffman. Following the ceremony a reception was held at the lovely home of the bride's parents of Greenfield Ave. Later the bride and groom left by motor car for Racine, where they will reside for the coming two years.—Milwaukee News.

WEDDING BELLS.—On the 17th inst., a beautiful marriage took place in St. Ann's church, Lennox Island, when Mary Tuplin was united in the holy bonds of matrimony to John Feehan, of St. Andrew's. The bride wore a very becomingly gowned in silver blue silk, with veil and wreath, while she carried a rosary in her hand. She was attended by Miss Eliza Francis, also attired in blue. The groom, John Feehan, was ably supported by Daniel Mitchell, one of Lennox Island's soldier boys. The ceremony was performed with the nuptial rite by the pastor, Rev. John A. McDonald. Mr. John P. Francis presided at the organ and played the wedding march after mass. The choir was led by John J. Sark. After the marriage they partook of a sumptuous breakfast at the home of the bride. After the usual wedding festivities in the Lady Wood Hall, they will take a motor trip in Jas. P. Larabee's new sedan, to Scotchfort and St. Andrew's.—Com.

FAREWELL GATHERING.—The Young People of Hazelbrook church, together with the Canadian Girls in Training gathered at the home of Mr. and Mrs. Will Wood, Pownal, on Friday evening, Sept. 13, to honor Miss Brien Lindsay, daughter of Rev. R. W. Lindsay and Mrs. Lindsay, who are leaving the Island shortly to take up their new work at Canard, N. S. The first of the evening was spent in singing followed by a much enjoyed Automobile Contest, then Mr. Harold Lawton, a former teacher of Miss Brien, read a very appropriate address, during which Miss Helen Wood presented the guest of honor with a crystal pendant. She replied with her winning smile and a sincere "thank you." Mr. Lindsay then spoke a few words of appreciation. The hearty hand clap and the whole-hearted singing of "She's a Jolly Good Fellow" showed how much Brien was loved by all. Mrs. Lindsay then favored the company with a very delightful reading, followed by a wholesome lunch served by the hostess.

The remainder of the evening was spent in music, including violin solos by Misses Edythe Lawton and Helen Wood, which were very pleasing. Miss Frances Wood, in her usual capable manner, presided at the piano. After singing Auld Lang Syne and wishing Brien every success in her college life the young people wended their way home.

—TAKING ISLAND MINK TO NORWAY.—Mr. Knut Vilke, of Harald, Norway, who paid his first visit to Prince Edward Island four weeks ago and has since made his headquarters at the Queen Hotel, Summerside, left this morning for Halifax and sails on Saturday on the S. S. Bergenshan for Oslo, Norway. He is taking with him forty-two pairs of live Island mink, forty pairs of which he bought in Charlottetown and two pairs in Summerside. Mr. Vilke came to the Island for the express purpose of buying mink to stock the mink farm of his uncle, Mr. Ellengsen, at Kirkehyengen. The Norwegian Government do not allow live mink to be brought into Norway from any other part of Canada but Prince Edward Island, as this Province is recognized as being the only Province in Canada free from rabies, nor can mink be obtained from the United States and taken to Norway. Mr. Vilke was very much impressed with the Island in general and was delighted with the prosperous appearance of the majority of the farms. He considered the climate here was not so good as Norway for raising mink for their fur, as Norway had a longer winter, but mink ranches in Norway could learn a good deal from Island mink raisers in the methods of feeding the animals to obtain the best class of fur. He considered that the Island pelts were far superior to any he had seen. Mr. Vilke is taking frozen fish and rabbits from Charlottetown with him to feed his animals during the sea voyage. The mink industry was started in Norway three years ago and has progressed to such an extent that Mr. Vilke expects to see it become a very important business in a few years time. The Newsw

fur has already made a name for itself and the pelts are sold at Lampson's auction sales, London, for upwards of \$45. The Germans have been buying live mink in the United States for \$50 per pair, but the skins were of such light color that they fetched a very low price on the London market and showed a financial loss in breeding. Mr. Vilke states that a Mink Breeders' Association is to be formed on the Island and in the meantime he has been appointed sole representative for the sale of Island mink in Europe. He will upon his return to Europe wage a campaign to induce the fur breeders of that continent to purchase only Island mink for the foundation stock. It is Mr. Vilke's intention to return to the Island at some future date to buy a suitable property and go extensively into the mink raising business. S.
