New Idea Patterns and Magazines

The New Idea Patterns, Magazines and Fashion Sheets for August are to hand.

The sale of these splendid patterns during the last 10 months has been simply marvellous. Every one wants them—and at the extremely low price of 75cts each every one can afford to get them.

Twice each week we order patterns to fill up the numerous vacancies made by our swift sales, so that, if there is any particular pattern, not in stock, which you may wish for, we can easily get it for you in a few days.

As you are no doubt aware, there has lately been an increase of Canadian postage on all Magazines of this kind, which necessitates charging the public 75cts a year for the New Idea Magazine, instead of 50cts a year as formerly. However we have adopted a plan, by which the Magazine will be practically only raised 15cts a year, viz:—by giving a **FREE PATTERN** to each subscriber.

From this date we will receive subscriptions for the New Idea Magazine at 75cts a year, and each subscriber can choose a pattern free.

When you consider the New Idea Magazine is easily worth \$1.00 a year in any household you will conclude that this is a most generous offer.

We greatly regret that last month our supply of Magazines, fell short of the demand which was far greater than we anticipated—and thus several customers were disappointed. We have this month procured a far greater supply, which are being rapidly sold over the counter at 75cts each. The Magazine is brimful of interesting things, and we advise every one to procure a copy.

Fashion Sheets Will Be Given Free

We wish to remind our country friends, that orders for patterns, Magazines etc, coming by mail, must be accompanied by postage in addition to price.
