## A VALUABLE PRIZE CONTEST

The Charlottetown Guardian has secured the right to use the International Newspaper Bible Study Club Lessons each week for the term of one year, commencing with the lesson for August 23rd, 1908. But one paper in each town can use these. The Guardian takes pleasure in being able to present to its readers such a valuable help along the lines of Bible study. They will be published each week in the Morning Daily and the Rural Daily. Only paid-in-advance subscribers to either paper are eligible to join this club. There is no fee for entrance, and no conditions other than those stated below. Everybody stands the same chance and has the same opportunity to get the valuable prizes without the investment of a cent. There is one condition that must in every case be complied with and that is, that every one entering the contest must be a regular subscriber as above.

Dec. 6th, 1908.

Solomon Chooses Wisdom.—I Kings iii:4-15.

Golden Text.—The fear of the Lord is the beginning of wisdom. Prov. ix:10.

Verse 1.—What is the chief dependence alike of a king and a citizen? What was the chief object of sacrifices in those days? Was it to appease God, or to develop a spirit of giving to God; and did they have any idea that it prefigured the death of Jesus?

What are the chief benefits to the givers, of money to the church, to missions and to the poor? Which is the richer man and the one who dies leaving an estate of pose, he who dies leaving no estate, but having given to God's cause \$20,000.00 during his life, or one who dies leaving an estate of \$100,000, and having given away practically nothing during life?

Verse 5.—Are such visions or dreams, as Solomon had, unusual in these days to spiritually minded people?

How could Solomon distinguish this dream from an ordinary dream?

Does God still give his children a choice as to what they would like, or does he choose for them?

If God does not choose for his children, does he influence their choice, and what is the difference in the two supposed methods?

Verse 6.—What help is it to us, to be able to praise God for the lives of our fathers and mothers?

Do you think it probable that our fathers and mothers, on the other side, look back and see their sons and daughters here, and take pleasure in their prosperity?

Verse 7.—Should we, like Solomon, recognize the hand of God, in putting us into our present positions?

Are great men ever boastful and is true humility always a mark of greatness?

Verses 8-9.—Solomon's chief desire was, to have wisdom to properly administer the trust committed to him; what should be our chief desire?

No matter how grave our responsibilities, or difficult our position, is it absolutely sure that God will give us in answer to our prayer, the necessary wisdom and facilities to successfully administer our trust?

Should all men in positions of public trust, feel their insufficiency and call upon God, as Solomon did?

Verses 10-12.—Why did Solomon's

request please the Lord? Does God to-day answer every true or wise prayer, as he did this prayer of Solomon?

Would not all public, and private, sin and folly be prevented, if men only relied upon God? What is some of the evidence, that God gave Solomon great wisdom?

Verse 13.—If our prayers are for goodness, and not greatness, to be of service and not to be served, may we depend that God will give us every other necessary thing, without our asking? (See Math. vi:31-34.) (This question must be answered in writing by members of the club.)

Will every true Christian have all the riches and honor, that are good for him?

Verse 14.—Were God's promises in this case conditional upon obedience, and are they so conditioned in every case?

Verse 15.—Does communion with God always make us strong and brave and generous?

Lesson for Sunday Dec. 13th, 1908—Solomon Dedicates the Temple.—I Kings viii.

### FRUIT JUICES CLEAR THE SKIN

The skin mirrors faithfully the state of the blood, and the blood shows how well—or how badly—the liver, bowels, kidneys and the millions of tiny glands in the skin are doing their work. If these organs are not properly clearing out the waste matter, the blood will be poisoned and the skin sallow, "muddy" and sprinkled with pimples.

Plenty of ripe fruit helps more than any other food to cure this condition, but even more effective, as well as less expensive, are "Fruit-a-lives." These are little tablets of concentrated fruit juices, combined in such a way as to many times increase their action on those organs that eliminate impurities. One or two "Fruit-a-lives" a day will keep the blood pure and give the skin the clear glow of health. 25c for trial size box—50c for regular size—6 for \$2.50. Dealers everywhere should have both sizes. If you are unable to obtain "Fruit-a-lives" in your neighborhood, they will be sent on receipt of price. Fruit-a-lives Limited, Ottawa.

### Card of Thanks

To my Customers and Friends. For the last five years I have done business at 182 Queen Street cleaning, repairing, pressing and altering ladies' and gentlemen's suits, cutting and making coats, pants, and vests. My success has been marked by many as first class work which I know has been the case as it was the handwork of a first class cutter and tailor of 45 years experience. "Not by an apprentice boy's". My prices are reasonable for work well done. I now beg to solicit the public for the continuance of their favors. Respectfully LESLIE WILLIAMS 11-30dtstmpd.
