What Sulphur Does

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium Sulphide and sold in drug stores under the name of "Stuart's Calcium Waters." They are small chocolate coated pellets and contain the active medicinal principle of sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health; sulphur acts directly on the liver and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Waters is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins, who has experimented with sulphur remedies soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or indigestion, I have been surprised at the results obtained from Stuart's Calcium Waters. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Waters is a proprietary article, and sold by druggists, and for that reason looked by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin disease as this remedy."

At any rate people who are tired of pill, cathartics and so-called blood "purifiers," will find in Stuart's Calcium Waters, a far safer, more palatable and effective preparation.

IT IS IMPORTANT.

To Know What You Are Taking When Using Catarrh Medicines.

Catarrh is the short route to consumption, and the importance of early and judicious treatment of catarrh, whether located in the head, throat or bronchial tubes, cannot be too strongly emphasized.

The list of catarrh cures is as long as the moral law and the forms in which they are administered, numerous and confusing, from sprays, inhalers, washes, ointments, and salves to powders, liquids and tablets.

The tablet form is undoubtedly the most convenient and most effective, but with nearly all advertised catarrh remedies it is almost entirely a matter of guess work as to what you are taking into your system, as the proprietors, while making all sorts of claims as to what their medicines will do, always keep it a close secret as to what they are.

The success and popularity of the new catarrh cure, Stuart's Catarrh Tablets, is largely because it not only cures catarrh but because catarrh sufferers who use these tablets know what they are taking into their systems. Stuart's Catarrh Tablets being composed of Red Gum, Blood Root and similar valuable and antiseptic ingredients, and are pleasant to the taste and being dissolved in the mouth they take immediate effect upon the mucous lining of the throat, nasal passages and whole respiratory tract.

The cure that Stuart's Catarrh Tablets have accomplished in old chronic cases of catarrh are little short of remarkable, and our advantage of knowing what you are putting into your stomach is of paramount importance when it is remembered that the cocaine or morphine habit has been frequently contracted as the result of using secret catarrh remedies.

Stuart's Catarrh Tablets meet with cordial approval from physicians, because their antiseptic character render them perfectly safe for the general public to use and their composition makes them a common sense cure for all forms of catarrhal troubles.

All druggists sell them at 50 cents for full sized packages.

CURES SUCH ILLS PERMANENTLY BY STRENGTHENING THE NERVES AND MUSCLES.

Dr. Chase's Nerve Food stands high in women's favor because it is especially successful in overcoming the peculiarities of their sex.

When, on account of a run down condition of the system, the muscles and nerves fail to control the action of the feminine organism, there is bound to come much suffering.

Headaches, pains in the back and limbs, indigestion, feelings of discouragement and despondency, weakness and irregularity rob life of the joys which would otherwise be possible.

Stimulating medicines cannot possibly be of more than slight temporary relief. To be of lasting benefit the nerves and muscles must be fully restored by such treatment as is afforded by Dr. Chase's Nerve Food.

Not only is the action and vigor of the bodily organs fully restored, but new firm flesh is added, the form is rounded out, the weight is increased, and pale, anemic faces give way to that healthful glow of complexion which tells of the full enjoyment of health.

Mrs. Symons, 12 St. Clair street, Belleville, Ont., states: "Some weeks ago I began a course of treatment with Dr. Chase's Nerve Food, and have found it a very satisfactory medicine. I was formerly troubled with nervous exhaustion and a weak, fluttering heart. When my heart failed I would have spells of weakness and dizziness, which were very distressing. By means of this treatment, my nerves have become strong and healthy, and the action of my heart seems to be regular. I can recommend Dr. Chase's Nerve Food as an excellent medicine."
