

An Investment Better than Ponzi's

When if Ponzi's get-rich-quick scheme had proved a wonderful success, it would not have been such a blessing to humanity as is Buckley's Bronchitis Mixture, the one sure remedy for colds, coughs, bronchitis, chronic asthma and other throat and chest troubles. Ponzi's scheme only meant wealth. Buckley's means health and perhaps life. If you have a cold or hacking cough, beware the saying: "Cold—cough—cough." Don't run risks. Get a bottle of Buckley's Mixture—and get it to-day. One dose will bring relief. It has helped thousands, and it can do the same for you. Buckley's Mixture is not a soothing syrup. It is a scientific preparation twenty times more effective than other cough mixtures. Ask your druggist for it, and look for the name on the carton. Take no substitute. Price 75c a bottle. For sale at all Drug Stores or by mail from W. K. BUCKLEY LIMITED, 148 MUTUAL ST., TORONTO.

—AT DARNLEY.—On the afternoon of Monday, December 20th the half yearly examination of Darnley school was held in the Darnley school house. The gathering was so large that many were unable to get inside. The school room was prettily decorated with Christmas bells, evergreen and Christmas drawings. After the examination of the scholars in their various lessons by their teacher, Miss Jeanette MacDonald, assisted by Rev. Mr. Murchison, Mrs. McNutt and Mrs. Woodside an enjoyable Christmas programme was rendered by pupils, after which the small tots were delighted by the appearance of old Santa Claus who proceeded to unload the Christmas tree of its bags of candy and apples for each pupil. Among the many nice things given out were a gold wristlet watch, writing paper, handkerchiefs and fountain pen for the teacher. Satisfactory remarks were made by the chairman Mr. McKay, also by Messrs Mahar, Crozier, Champion and Rev. Mr. Murchison. The proceedings were brought to a close by singing the National Anthem.

To Parador People Of P. E. Island

At the commencement of my tenth year as representative of the Parador Company, I desire to thank all friends, known and unknown, who by their kindly advice are doing much to promote the spread of health in this province.

I would like to enter into detail concerning some of the grand results achieved during the past year, but time and space will not permit. A few of these results have appeared in the daily press and more will appear as time goes on.

Although there have been some instances of failure the great majority of those who have given the Parador a fair trial have been cured or greatly benefited. The result would be still more satisfactory if people would begin the use of the Parador early in their illness instead of taking it as a last remedy.

I would again remind my patrons of the advisability of lending their Paradors to me occasionally in order that they may be tested. The cord connection sometimes becomes defective through carelessness or long use.

With best wishes, I remain Yours for health,
W. EDGAR ENMAN.

—*CHRISTMAS AT NEW PERTH—The Christmas tree and concert given by the pupils of the New Perth school was held in the hall on the night of 23inst and was a success. The stage was tastefully decorated the tree making a fitting background, the representative audience by their presence showing their appreciation for the untiring efforts of their teacher Miss Mary McDonald and those who assisted in this good work. Mrs. Lloyd Shaw presided at the organ. And the program which consisted of chorus, recitations and duets was carried out with that correctness which showed thorough training, even the smallest pupils performing in a manner that would do credit to professionals. Homemade candy was offered for sale and found a ready market at fancy prices after which Santa Claus appeared and delighted the children by presenting them with the presents that the tree was laden with. The singing of the National Anthem brought a pleasant evening to a close.

SCHOOL EXAMINATION
The semi-annual examination of Millview school was held on Dec. 23rd and was largely attended by the parents of the pupils and others there being over forty visitors present. The pupils were examined in the various branches by the teacher Miss Hazel Townsend assisted by Miss Eileen Macdonald, of Vernon, and showed by their ready answers that good progress was being made in the school. Great credit is due our efficient teacher Miss Townsend for the work she has accomplished in the past year as the school is a very heavy one there being forty four pupils in attendance. At the conclusion of the examination a short programme of songs, recitations and drills was rendered in which the children acquitted themselves admirably. The teacher was then presented with nice gifts from the pupils when all present were treated to candy and apples each pupil receiving a generous share from the teacher. Speech making now being in order short addresses by several of those present were made all testifying to the good feeling existing between teacher, pupils and parents. The singing of the National Anthem brought to a close a very pleasant and profitable afternoon.

HUNTER RIVER SCHOOL EXAMINATION

ANOTHER AUCTION IN MONTREAL. The Canadian Company is planning a fur auction in Montreal on January 31, a couple of weeks after New York has broken the ice. St. Louis will follow Montreal and by that time it is hoped steady buying power will have come in to support the market. The retailers are cutting prices deeply, as well as the fur garment manufacturers, so that stocks of made-up goods are being liquidated fairly well. The man in the honey-moon is no creation of the imagination.

DICKY DUFFY'S DIARY

THURSDAY: AT A LITTLE GAME THE OTHER NIGHT I HELD TWO ACES AND DREW TWO MORE, AND I LOOKED SO HAPPY THAT EVERYBODY STAYED OUT! ALL I WON WAS 60 CENTS!

SO, AFTER WARDS, WHEN I CALLED ON EDITH PEACHLY AND HELD HER HAND IN MINE, A LOOK OF SUCH INEFFABLE SORROW CAME OVER ME THAT SHE SAID: "WHY DO YOU LOOK SO SAD, DICKY?"

"AH!" I SIGHED. "A MAN SHOULD ALWAYS LOOK SAD WHEN HE HOLDS A LOVELY HAND."
