The St. Fleanor's Grammar School was examined by Supt. Anderson and Inspector McIntyre on Wednesday. An address of welcome to Dr. Anderson was read by Miss Gladys McIntyre, daughter of the Inspector which was acknowledged by the Doctor in his usual felicitous style. The examination was thorough and comprehensive in most departments and the visitors expressed themselves as highly satisfied with the results. The Principal Mr. Thomas Gafer, it will be remembered was at one time Principal of the Alberton High School, which under his management ranked the highest of any grammar school in the Province. Miss Annie Lockhart who conducts the Primary department is a resident of the district and has given entire satisfaction during the three years she has been teaching. In the evening Dr. Anderson gave an address upon educational matters before a number of the rate-payers of the district. It is to be regretted that so few attended but those who had the pleasure of hearing the learned gentleman were highly pleased with his discourse. At the close brief speeches were made by Principal Gafer, Inspector McIntyre and also by Messrs. R. H. McDonald and R. H. Montgomery who always take a deep interest in anything pertaining to education.

O'LEARY NEWS.—The teachers and scholars of oneshool at O'Leary are practicing for a concert and pie social which they intend holding in the Hall December 29th. The proceeds are to go towards the erection of a flag staff and bell for our school, Mr. H. W. Turner our genial merchant having donated to the school a beautiful flag. Our enterprising merchants Turner, Campbell and Pate are doing a rushing business. Trade is brisk. A constant traffic is kept up by the farmers shipping their produce. The Rev. Mr. Whitman has organized a Normal Class for the study of Bible history. The meeting will be held weekly in the Orange Hall. Thanks to the energy of our clergymen Mr. Whitman, Mr. Pepper and Mr. Pierce, we will during the winter months have service every Sabbath in the Public Hall. Last evening Mr. Pierce conducted the service and spoke very eloquently to a large and attentive audience from the text Behold a blind man sat by the wayside begging. The Presbyterian church has undergone extensive repairs, the inside of it having being all sheathed and varnished, seats repainted and grained, new lamps and carpets taking the place of the old. All expenses have been covered by the Ladies' Aid Society who have had the funds laid by for some time. Their intention at first was to have donated it towards a new edifice but since have decided to repair the old. The Ladies' Aid Society was organized some eight years ago under the ministry of the Rev. Mr. Coffin who was at that time our Pastor.

BIG GOLD VALUES

Last season I advertised a list of stocks for sale give the Old Gold and Primrose shares a first place. Now we have the OLD GOLD actually shipping from a 5 foot vein of ore, the solid ore running \$125-00 to the ton. The Primrose has just struck a beautiful vein of ore running \$180.00 in gold to the ton besides silver and lead. The railway is finished to within 4 miles of the lake and freight is actually being accepted for the Lardeau over our line. Full copies of the Reports will be gladly sent to anyone interested and applying for same. This is one of the best chances I know of just now for good investment.
