## RAILROAD MEN MUST KEEP FIT

There is a splendid fraternal spirit among the men who earn their living on the railroad. Good news is passed along from man to man, and it was in this way Mr. Frank Ide, a well-known Buffalo Pullman car conductor, learned how he could free himself of terrible pains in the groin and back and painful urination from gravel, the result of his kidneys being out of order.

He treated for two months, when one of his railway friends whose life had been despaired of, but who had made a very quick recovery through using Gin Pills, strongly recommended Mr. Ide to try them, and as he says, "The pain left me entirely. I feel as well as I ever did in my life. I recommend Gin Pills to everybody in any way troubled with kidneys or bladder."

Not only do Gin Pills assist nature to cleanse the system through the kidneys, but they stimulate the bowels, quickly relieving constipation.

All good dealers sell Gin Pills at 50c. a box or 6 boxes for \$2.50. Free sample upon request to the National Drug and Chemical Company of Canada, Limited, Toronto.

## CABINET CHANGES IN BRITAIN, TOO

LONDON—Political circles are absorbed in a discussion of supposed actual or impending resignations and a redistribution of posts in the Ministry. The only officially admitted resignation thus far is that of Baron Devonport, the food controller, his Parliamentary correspondents of the morning newspapers predict several other changes involving Dr. Christopher Addison, Minister of Munitions; Viscount Cowdray, Chairman of the Air Board; Baron Rhonda, President of the Local Government Board; Albert Illingworth, Postmaster-General, and others of minor rank, who are expected to obtain promotion. The likelihood of Colonel Winston Spencer Churchill rejoining the Government is again to the fore.

The several reports of the correspondents contradict one another and none of them can be confirmed in authoritative sources. While some of the correspondents deny Dr. Addison will quit the munitions post, the Times says he will leave it and probably will join the War Cabinet without portfolio.

The Daily Chronicle has Mr. Illingworth on the slate to succeed Baron Devonport, in whose case it says, Dr. Addison probably will become Postmaster-General. Viscount Cowdray's resignation is referred to by some of the correspondents as an indefinite possibility, while others imply that he has actually resigned. The Daily News, which says he will resign and also that it now understands Mr. Adams will retain the munitions post, asserts that Colonel Churchill is being seriously considered as the new chairman of the Air Board.

The Daily Express forecasts the immediate resignation of Baron Rhonda while the Daily News says it hears that Lord Cozens-Hardy is about to retire from the post of Master of the rolls, to which Sir George Cay, Secretary of State for the Home Department, will succeed, resigning his present portfolio.
