HER LITTLE SON WAS DYING

Gave Him "Fruit-a-tives" And Saved His Life.

CAMPBELLVILLE, ONT., May 5th. 1913.

"Our little boy, Lawrence, was sorely affected with Chronic Indigestion, and the doctor did not think he would recover. He started with a sore mouth and it developed into this other trouble. Everything he ate just passed right through the system without change. He cried incessantly and life was a misery to him. My husband had been using "Fruit-a-tives" for Indigestion, getting much benefit from them, and I thought what did him good, might help our boy. We tried "Fruit-a-tives" giving Lawrence ½ a tablet at a dose, and the result was marvellous. Today, he is the picture of health, and he is perfectly well".
