When appearance is a consideration! SHOREY'S Ready to Wear Clothing becomes a necessity. Who can afford to ignore his personal appearance? A large manufacturer who studies the want of the people, and whose business depends upon supplying those wants, will give better results than a tailor whose opportunities are limited and trade local. If your local dealer does not keep Shorey's Clothing—Remember there are others!—Write to a larger and more enterprising merchant elsewhere. See that Shorey's Guarantee Card is in the pocket of each garment. These goods can be purchased from JAMES PATON & Co., Charlottetown.
