MENTAL ATTITUDE

It is not natural to be unhappy all the time, assert doctors in the Department of National Health and Welfare, Ottawa. Pointing out that "every cloud has a silver lining," the health authorities urge a search for the rainbow and an appreciation of the inevitable sunshine which

pinch is an enemy of health, the rational official advocate cultivation of a philosophical and cheerful outlook, follows the storm. Since unhappiness is an enemy of health, the rational official advocate cultivation of a philosophical and cheerful outlook, follows the storm. Since unhappiness is an enemy of health, the rational official advocate cultivation of a philosophical and cheerful outlook, follows the storm.
