Prizes Awarded by VICTOR HERBERT, one of America's most popular composers and conductors; and G. W. CHADWICK, one of the greatest native American composers, and Director of the New England Conservatory of Music.

Greatly Reduced Size. Full Size, 7x9 1-2 inches

The Heart Songs of 90,000,000 People Many of these songs cannot be found in any other collection. They came in yellow, time-worn, tear-stained sheets—that had been sacredly treasured from childhood—others were written out from memory—some were given by titles only—or remembered verses, involving a long search to obtain the whole. Of the thousands received it is safe to say that the several hundred finally selected—as having the largest number of votes and the highest endorsement—represent today the taste of the American people in its choice of music. We believe that the distribution of this unrivalled song collection will bring more happiness into the homes of our Readers; will do more to make them attractive to young and old; do more to inculcate a love for music; to soften, elevate, and refine the home life; to cultivate the nobler, and higher virtues of the fireside—than any other means we could adopt. Favorite songs from the song-lore of the English, German, French, Danish, Irish, Italian, Swedish, American, Scottish, Spanish, Norse, Negro. Filled with the memories, the longings, the regrets, the hopes the fears, the smiles, the tears, that make up the warp and woof of human life—with all its changing lights and shadows.
