..FORTUNE BRIDGE.—Mrs. Elmer Harris left on route for New York, on Sept. 19th. ..SERIOUS ACCIDENT.—Misses Marion and Nan Lea, daughters of Mr. and Mrs. Paul Lea, of Monton, and well known in Charlottetown, had a narrow escape from death on Friday afternoon, through being thrown from their carriage while returning home from Skenetoe, Albert County. The accident occurred on a hill about four miles from Hillsboro. A portion of the harness gave way and the horse ran about a mile before being captured. The young ladies were thrown from the carriage. Miss Nan Lea sustained a broken bone in her right arm and her left shoulder blade was broken and besides she sustained a number of bruises and cuts and a bad shaking up. Miss Marion Lea was more fortunate. She did not sustain any broken bones although she was painfully bruised. The young ladies did not lose consciousness and were able to proceed to the nearest house and Dr. Lewis was summoned. They were brought to their homes in this city and both passed a satisfactory day Sunday. Miss Nan had intended leaving on Tuesday for Vancouver, where she was to have been one of the principals in an interesting event in October but owing to the accident, all present arrangements will have to be postponed, says a Monton exchange. The many friends of the young ladies hope for a speedy recovery.

IN ANY LINE OF BUSINESS

—a trained man is much more valuable from a producing standpoint than one who has to be put through a drilling process. In handling your business experienced men are employed because your work is more efficiently and expeditiously done.

It follows, too, that in the appointment of an executor the best results can be obtained by a company which is empowered by law and has the necessary experience to act in that capacity.

The Dominion Trust Company has a staff of experts, each one of whom is trained in some particular branch of estate management.

In appointing this company as your executor you secure the services of our experienced officers, paying therefore no more than the charges of the individual executor. You also secure the assistance—if needed—of any of the company's 14 branch offices.

FALL EXCURSIONS TO MONTREAL

Montreal is always a city of interest and especially so in early autumn when the weather is enjoyable, the many stores crowded with seasonable novelties, and the places of amusement in full swing. A visit there at this time of year cannot be otherwise than enjoyable, and with the very low fares prevailing on the Intercolonial Railway in connection with the annual fall excursions, the round trip can be made more cheaply than at any other time. On September 17, 18, and 19, the round trip fare from Charlottetown will be \$1.85, tickets good for return October 5th. On Oct. 1, 2, and 3, the same rates will prevail with the return limit October 19th. Travellers from the Maritime Provinces have the choice of two of the finest trains on the continent, the "Ocean Limited" and the "Maritime Express," both renowned for the excellence of their sleeping and dining car service.—5663-9-21ME61.
