**—FOUND DEAD.**—Mr. James Larkin was found dead at his residence near Alberton under tragic circumstances late last Thursday night. He had for years lived alone and was about 77 years of age. Apparently he had slipped in descending the stairs and his left foot became wedged in the V-shaped railing. He was found thus suspended, with his head resting on the floor. No inquest was considered necessary.

**—SERIOUS INJURY.**—Mrs. H. A. Compton, Summerside, received the sister's husband, Mr. Edward H. Webber, of Boston, had met with a serious accident. The Boston Globe to hand, gives the following particulars: While crossing Haymarket sq. early this morning, Edward H. Webber, 70 of 217 School St., Somerville, was knocked down by a taxi while near the subway station. Webber was taken into the Haymarket Relief Hospital nearby, where an examination disclosed a fractured skull, two broken ribs, multiple contusions and abrasions about the body. His name was placed on the danger list.

**—PATERSON WON**—By failing to throw John Patterson Canadian champion wrestler twice in an hour, Chief Montour, the burly Oklahoma Indian wrestler lost the special match held at the Agricultural Hall, Summerside, on Monday night. Before the match it was announced that because the Oklahoma weighed 50 pounds more than Patterson he would have to throw the latter twice in an hour to win the match. No final result was recorded but the good attendance of fans saw a real tussle. Montour said Patterson is the best man of his weight he had ever tackled and he has been wrestling for more than 15 years.

**—EXPORTING CHRISTMAS TREES**—One of the new industries for the province is the exporting of young spruce trees for Xmas. A carload of 1500 trees was shipped from the Kinkora district last week to buyers in New Jersey making the first shipment of its kind from this province it is believed.

**—PURSUIT OF THE INNOCENTS**—On Friday night last six men passengers from Summerside on the Western train were searched before boarding their train by one of the active and superefficient prohibition inspectors. Of the six men only one man had a bottle of liquor in his possession, and that was one obtained through a subscription! In his zeal to make an impression on the public this inspector is making a lot of bad feeling among men who are law abiding and who are good customers of the Summerside stores.

**—His many friends will be** heart with pleasure that Mr. Eric McKay of the Summerside post office staff is recovering from his recent illness.

**Discovered Bomb in Holy Candle**

(Special to the Guardian)

**MEXICO CITY, Dec. 13.**—Many worshippers at the shrine of Guadalupe escaped possible death or injury today when a bomb was discovered in what was supposed to be a holy candle. The dangerous nature of the candle was discovered in time to prevent its being lighted. In the afternoon, when the church was closed, the weight of the identified man who later made his escape, approached the altar, carrying what seemed to be a large unlighted candle which he handed to some worshipper, saying: "burn this for the Virgin." The worshippers surprised because of the weight of the candle called the police who found that it was a wax covered bomb.
