**FIRE AT MAYFIELD**—Early Saturday morning as Mr. E. Dolron was passing the store of Mr. Harold Toombs at Mayfield, he discovered that the building was on fire. He quickly notified Mr. Toombs whose house is nearby and with the aid of other hastily summoned neighbors a bucket brigade was soon busy and finally succeeded in getting the fire under control, but not before a great deal of damage had been done by smoke and water. Mr. Toombs left his store around 9:30 p.m. and it was 1 a.m. before the fire, which is thought to have been smoldering for hours, broke out. There is some insurance.

**INJURED DURING COMPETITION**—During the sports carried on by the Light Horse Saturday afternoon. Sergeant R. P. Dolron, Charlottetown, C. Squadron, received injuries which necessitated his removal to the City Hospital for observation. It appears that, during the running race, the horse which Sergeant Dolron was riding collided with another animal. The Sergeant was thrown to the ground and his arm rolled over him. Though it is thought that he sustained a fracture of several ribs the injured man quickly remained in the competition, and made a very creditable showing.

**LORING—FAULDS** One of the prettiest weddings during the month of marriages was solemnized at the United Manse, home of Mr. W. S. and Mrs. Loring, Kensington, June 27, when Miss Kathleen R. Loring of Maccan, N. S. became the bride of Stephen Paulds, Supt. Canada Electric Co., Maccan. The ceremony was performed by the bride's brother, Rev. W. S. Loring, against a bank of tastefully arranged cut flowers and potted plants. Miss Loring was modestly dressed in a very fashionable suit of moment blue, with wide soft lapels of egg-shell crepe. Her hat was of the same shade of blue with purple, gloves, and shoes to harmonize. Her attendants were the season's sweetest flower girls, Fern and Elroy Loring, nieces of the bride, who carried twin bouquets of "babes breath," and were very charming in frocks of apple green taffeta. She was given in marriage by her mother, Mrs. Jeanne Loring who wore a becoming gown of silver grey crepe. The vocal chorus from "Lohengrin" was played by Mr. R. J. Colgrove of Strathroy, Ontario, who also played the melody of Love during the playing of the register. The bridal party left for Borden by motor, returning via Halifax for Bermuda, where they will be present. Amongst those present were Mrs. Kerr, Fox River, N. S.; Mrs. W. D. Hatfield, Salisbury, N. S.; and Mrs. C. G. Colgrove, Strathroy, Ont. and Dr. and Mrs. A. A. Lockhart, Kensington.

Mr. E. G. Love, veteran rifleman of this city, now in his 83rd year, performed a remarkable feat at the Provincial Rifle Ranges, Saturday afternoon. When firing at the 600 yards range he scored five consecutive bulls eyes. Mr. Love does not use glasses. We doubt if there is another man in America who could duplicate this performance.

The late Mr. Noonan was born in Bedouque and was 69 years of age. He came to Summerside as a child with his father, who was the late Daniel Noonan. He received his education at the Summerside High School and afterwards attended the Charlottetown Business College. He later went into business on Water Street, Summerside, carrying on very successfully until his last illness. He was one of Summerside's most outstanding citizens and was very highly esteemed by every class of citizen. He took a great interest in St. Paul's Church of which he was a trustee for many years. He was also a member of the Knights of Columbus. Early in life, he married Miss Margaret Murphy, of Summerside. They had eight children; a boy and a girl died in infancy. Another daughter, Edna, wife of Mr. R. H. Morrison, of Quebec, died last year. Mr. Noonan was a devoted husband and father. He was very fond of children and his chief delights were his grand children, several of whom were at home when he died. There are left to mourn, besides his widow, his only son, Dr. Ralph Noonan, of Summerside, and four daughters, Mrs. Tallimire and Mrs. L. E. McLellan, of O'Quinn, Mrs. E. F. Foley, of Summerside and Miss Pauline, R.N., who tenderly nursed her father in his last illness; and two brothers, John, of Boston, and Daniel of Bedouque and one sister, Mrs. John Sherry, of Fernwood, to all of whom much sympathy is extended.—S.

A substantial grant from the Carnegie Corporation, to be donated over a three year period for the purchase of approximately 5000 books for the Prince of Wales College library, is likely to be obtained as a result of negotiations carried on between Mr. George H. Locke, LL.D. of Toronto, chairman of the Library Commission for Canada of the Carnegie Corporation, and Hon. Dr. MacMillan, Provincial Minister of Education. Dr. Locke, who arrived here on Thursday for the purpose of looking over the situation at Hon. Dr. MacMillan's invitation, is recommending the grant. While formal sanction of the Corporation will be necessary, he has no doubt that that part of it will be available by the latter part of this year or early next year, whenever the new College opens.

Dr. Locke has also been in consultation with Rev. Dr. Murphy and staff of St. Dunstan's University, and is recommending a grant for similar purposes for that institution.

**BOATING ACCIDENT**—A party of boating enthusiasts got twenty minutes' ducking in the Charlottetown harbor yesterday afternoon when the yawl-rigged boat in which they were sailing turned over in a squall. The party included Messrs. Jack and Len Connolly, Frank Lappin, Cyril Ryan and Harry Hennessy. The accident occurred between the black and red buoys, about 4.10 p.m., when there was a strong westerly wind blowing in the water, lunged to the drifting boat until rescued by Leslie McKay, mate of a lobster boat owned by Mr. Thomas H. Allen, Cape Traverse, which was lying at Paoli's wharf. Mr. McKay, accompanied by Emmanuel Riley and Edward Bernard members of the crew, pluckily put out in the teeth of the gale and reached the party just in time to prevent a serious mishap. The crew of the visiting French sloop, Ville D'Ys, also lowered a boat, but their assistance was fortunately unnecessary. The party was landed at Pownal Wharf, none the worse for their experience. The sailing craft drifted ashore and was located a short distance below Hillsboro Bridge.

That the prospects for crops in this Province are as good as, if not better than, the average, is the opinion of Dr. J. A. Clark, Superintendent of the Experimental Farm, who bases his statement on observation made on the Farm and in various sections of the Province. Due to unusual lack of moisture during May and June, cereals had been showing lack of colour, Dr. Clark stated, and from the same cause timothy is short. The hay will be below the average in the Charlottetown section and in the eastern part of the Province generally, but will be good in the western section where there was a better supply of moisture. At the present time roots and potatoes look promising, and a number of splendid fields are to be seen. Pasture is good, and consequently live stock are in good condition. There are indications of a good crop of small fruit, Mr. Clark states. Strawberries are very satisfactory, and the apples give promise of a good yield.
