This afternoon the new firm will be ready for business and from a spectacular standpoint the surroundings conjure to thoughts of how much of the goods one will have to sign a cheque for. Some delightful new groceries are being unpacked. The premises occupied by the new firm are particularly adapted for the carrying on of a large business. Eczema in Its Worst Form.

Back Covered With Blisters—Terrible Itching—No Sleep Possible—Dr. Chase's Ointment Simply Marvellous in Its Curative Powers.

Mr. John Kelly, 79 Trinity street, Toronto, in an interview, made the following verbatim statement: "I have been troubled with eczema in almost its worst form for the past three years. At times my back and shoulder blades were literally covered with patches like water blisters, and these, accompanied with terrible itching on my legs, put sleep out of the question. I tried various well-known ointments (names mentioned), and did everything possible to obtain relief, but with little success. I had frequently heard of Dr. Chase's Ointment, but meeting with so many disappointments, I had not tried it. Seeing the advertisement one day I concluded to get a box. Since using Dr. Chase's Ointment, I am like a new being. Its soothing and healing properties are simply marvellous, and I am honestly grateful to Dr. Chase's Ointment for the release from long suffering."

Dr. Chase's Ointment, a positive cure for all itching skin diseases, 60 cents a box, at all dealers, or Edmanson, Bates and Co., Toronto.
