LOAN McCALLISTER, EDMUND GWENN, PEGGY ANN GARNER STAR IN FILM

"Thunder in the Valley" Twentieth Century - Fox's gripping new screen drama starring Lon McCallister, Edmund Gwenn and Peggy Ann Garner, and photographed in color by Technicolor, opened yesterday at the Capitol Theatre. Hailed by preview critics as an unprecedented triumph of powerful drama suffused with deep human warmth and tender emotions, the film is being marked as one of the most exciting motion picture achievements of the screen year.

In unfolding its story, "Thunder in the Valley" is said to gain its tremendous impact by the blending of three separate and equally absorbing dramatic situations: a brooding and bitter conflict between a father and son; a simple people roused to white-

heat vengeance by a prowling killer; and a young love that battles to survive against the stern code of the valley.

The story, set against the background of Scotland's picturesque Highlands, centers around crusty Edmund Gwenn and his sensitive and moody son Lon McCallister, and the bitter conflict that splits the Valley even as the people's love for their land is being charged with suspicion and fury by a mysterious killer that stalks their farms. Through it all runs the tender romance between Lon and Peggy Ann Garner, as children of simple shepherds, whose lives are caught up in the tumultuous storm of events that sweep the Valley. When, through the inexorable force of fate, the story's separate threads become interwoven into a tapestry of all-encompassing drama, the picture moves with ever-exciting tempo, to a smashing climax.

Tignish Cooperative Potato Warehouse

Work is rapidly proceeding on the new co-operative potato warehouse at Tignish. This is one of the eight such warehouses being built under the Government plan to provide facilities for the handling and loading of potatoes. These buildings which are of standard construction on plans furnished by the Government, are 40 feet wide and vary in length from 80 to 120 feet (the one being built at Tignish is 120 ft. long). They have a solid concrete basement capable of storing about 40 cars of produce. The main building is 10 feet high with pitched roof and of wood construction. The walls which are 12 inches thick have two inch walls of plywood giving 2 airspace (6 inches and 2 inches) insulation, and will be absolutely frostproof. The main floor of the building will be used principally for the grading, receiving and loading purposes. Four of these warehouses have been already finished, ready for use. They are at Elmira, O'Leary, Wellington and Douglas while others are under construction at Tignish, Vernon River, Morell, and Bloomfield. 75 percent of the cost is furnished by the Provincial Government, to be repaid over a period of 30 years, in storage fees; the 25 percent balance is paid by the co-operatives. It is expected that all the above warehouses will be finished in time for this winter's shipping. During the off-season for produce, the main warehouse will be used for the handling of fertilizer, spray material, bags and other material in use in the produce business. The building at Tignish is being built under the foremanship of Mr. Hubert Gaudet. The forms

E. I. Musical Festival in Charlottetown next spring. The preparations for this South Shore Musical Festival are well under way. Mr. Royston F. Muggford, A.R.C.O., of Charlottetown, is to be musical adjudicator, and Miss Mary C. Geldart, of Summerside will be the official accompanist. As the competition is to include classes in elocution, Mr. Allan A. Niles, of Albany, will be the adjudicator for this art. The festival committee feels very fortunate in procuring the help of these talented and competent persons. Representatives of Institutes met at the home of Mrs. Spurgeon Clark in Tryon last Thursday for their second meeting. Scout And Cub Troop For O'Leary

In the Community Hall of O'Leary on Tuesday night, Oct. 5th, there was a public meeting of the citizens of O'Leary and a good number of boys and a Boy Scout organization was formed. Mr. Peter Pate was chairman. The special speakers were Brig. W.W. Reid of Charlottetown, Provincial President of the Boy Scout Association and Scout Commissioner Walter LePage of Charlottetown. Brig. Reid told something of the historical background of Scouting, made mention of the hiking, camping and instruction that a Boy Scout receives and said that there are three million Scouts in ninety-nine countries. Rev. G.O. Howlett of the Knutsford Baptist Church spoke about the splendid influence that the Scout movement has upon boys. Rev. W.G. Dickson of the O'Leary United Church, a successful boys leader, who was mentor of the Trail Rangers last year, which won the Certificate of Recognition from the Maritime Religious Education Council for the excellence of work done, spoke about the fine calibre of the boys of O'Leary and district and about the splendid program that the scout movement has to offer. Mrs. Fred Champion spoke briefly and pledged her support to the cause of Scouting. Mr. John Matthews, a former Scoutmaster, was then heard in a splendid address in which he stated that he had twenty-five boys and in the Second World War they all enlisted and three paid the supreme sacrifice. He told something of the fine times they had and Mr. Matthews was thanked by the meeting for his leadership and ability in boys work. Commissioner LePage gave a most informative talk on the ideals of Scout and Cub work and spoke about the way to organize a troop. It was most interesting. The following are the sponsoring committee of the Boy Scout troop: — Mr. Peter Pate, chairman; Mr.

Ralph Adams; Mr. Edwin Turndor, president of the O'Leary Legion; Mr. Albert Noonan; Mrs. Fred Champion; Mrs. Delbert MacLean of Milo; Mr. John Matthews and Rev. W.G. Dickson. The sponsors have power to add to their number, if necessary. It was decided that the former successful Scoutmaster, Mr. John Matthews be temporary Scoutmaster until a permanent appointment is made and representatives will contact Mr. Lewis MacKenzie, principal of O'Leary School to see if he will act as Scoutmaster. Miss Marcia Pate will be Cub mistress assisted by Mrs. Fred Champion and Mrs. MacLean. Miss Pate is a daughter of Mr. and Mrs. Peter Pate and was the successful swimming instructor of the Red Cross water safety course this summer at West Point and Fortune Cove in which many young people won their swimming badges. Mrs. Champion is one of the leaders of the O'Leary United Church Mission Band. Mrs. MacLean is one of the active workers of the Baptist Church. It was decided that at the first regular meeting of the Scout troop and Cub pack on Friday, October 15th, Scout Commissioner LePage will come up from Charlottetown and help the new leaders. It was largely due to the interest and enthusiasm of Mr. Peter Pate that the meeting was called and the Scout Troop formed. Mr. Pate is vitally interested in boys and in community projects and is president of the Alberton-Wes-Prince Board of Trade. With Mr. Pate and his committee sponsoring Scouting in O'Leary and with the wealth of leadership available there is no reason why O'Leary cannot have a most active and energetic troop. — O.
