W. M. S. WEETING—The Annual Supper and mite-box opening of the Brickley Methodist Church was held at the home of Mrs. Isaac Brynson on Wednesday evening last. The members of the W. M. S. are grateful to the many friends who came in from the surrounding districts, and they hope to make the affair successful that it was. Plans for the future of the programme, which was well patronized and the ladies are pleased to report an increase in their funds to the amount of fifty dollars.

RETURNED FROM LUMBER CAMP.—Messrs. James Perry, Ben Richard, Fred Souler, Oliver Schrier and Arthur Arsenault, of Summerside, who left here about the middle of November to work in the lumber woods at Papanochs, Quebec, have returned home. The camp in which they were employed closed on Tuesday, February 16th, and they returned to Summerside on Wednesday. These men report that a great deal of snow fell in that portion of Quebec and the weather on several occasions was pretty severe as the mercury registering as low as 15 degrees below zero. Coming home the men were taken off the Papanochs shore by an ice-breaker and landed at Quebec, where they took the train for home.

On Wednesday, December 15th, Gladys Eileen, the four months old child of Mr. and Mrs. Stephen Thompson of Springton, passed away. The little one had never been very robust, but hopes of its growing up into strong womanhood were entertained by its parents until a short while before the coming of the end, all that medical skill and kind friends could do was unavailing. She continued to fade gradually away, until on the above mentioned date its spirit took its flight. Gladys Eileen had got a very strong grip on the heart strings of the father and mother and they will feel her loss very keenly. In the family there are five brothers and one sister remaining, all of whom had become very much attached to the little one because of her not being very strong. She was the special care of all. But although all shall miss her knowing that she is now forever free from all sin, all suffering and all sorrow none would be so unkind as to wish her back again.

The funeral was held on the afternoon of Friday, December 12th. The service was conducted by Rev. R. H. Stewart. Interment was in Hartville cemetery.

There died at Panamure Island on Sunday, February 1st, Allan Joseph Morrison at the early age of thirty years. Deceased was a son of the late Peter Morrison and Bella Macdonald, of Gasperaux. He was left an orphan when about eight years of age, when he went to live with his aunt Mrs. Peter Condon of Panamure, where he received a good common school education. When about eighteen he went to Pictou, N. S. where he was employed in various occupations for two years, when he entered the

employ of Mr. John Munroe. Here by his honesty and strict attention to business he became one of the most trusted employes. He remained with Mr. Munroe until two years ago when he developed symptoms of tuberculosis. He went to the sanitarium at Kennebec, N. S. to try and regain his health, but after being there six months his condition was but little improved. He then returned to the home of his aunt, where he gradually wasted away until he died on the above date, leaving all that loving care and the best of medical attention could do for him.

The funeral which was largely attended took place on Tuesday, Feb. 5 to St. Paul's R. C. Cemetery, Summerside. The pall-bearers were William Soole, Aleck McKenna, Aloysius Macdonald, Fabian Murphy, Raymond Condon and Augustine Jameson.

K. OF P. SERMON—There was a large attendance at the Central Christian Church last evening, where the local Knights of Pythias and Pythian Sisters attended service in a body. A very eloquent sermon on "Pythian Contributions to Society" was preached by the pastor, Rev. Dr. Geage, who is himself a member of the order. Dr. Geage referred to the great power for good or evil which an organization of individuals possesses. The Knights of Pythias should stand for the principles of confidence and friendship, and there were practical opportunities for loyal K. P. members to contribute to the cause of the poor in the city of Summerside. The service was rendered by the church choir, there being a violin solo by Mr. H. L. Porter. The attendance of the Knights of Pythias was in commemoration of Diamond Jubilee of the Order.

The actual facts were quite simple. Pount had taken a "tree ride" on a passing grocer's sleigh after leaving the picture show and had ridden out as far as Park Street, where he had jumped off and started for home, but in a wrong direction. It was getting dark and feeling himself to be in an unfamiliar place, the friendly shouting of the boys on Park Street only served to further confuse him. He ran towards the Exhibition grounds, wandered aimlessly inside for a time, and getting out, more scared for home, again in the wrong direction. This time he started across the river. His zig-zag course must have occupied hours, but he lost all sense of direction but somehow avoided falling into fishing holes or crevices and finally reached the Southport shore, where he spent the night and morning, as already described, with the slight shelter afforded by the deserted summer cottage.

The family are very deeply indebted to His Worship Mayor McKenna and the City Councilors, Fire Chief Brighan and the members of the City Fire Brigade, the Police Force and other citizens who took an active part in searching for the missing boy Saturday afternoon.

Mr. Pount is an employee of the railway workshops. There are four young children in the family.

was not even dressed. Warnings, stimulants, warm clothing and as little excitement as possible, were all the prescriptions needed.

The rumor originated in the cotillion that a town boy, Mr. Geo. Carr's son, had spent the night at a farmer's house in New Haven. He was not "missing" in the same sense as Pount, however, and his whereabouts were not such a matter of alarm. The fact that the Carr boy, who was about the same size as Pount and also wore a stocking cap, had jumped on a wood-sleigh at Zion Church corner about 5:30 Friday afternoon after the picture show was over, was discovered by Mr. Hadley Weeks, Provincial Constable, whose active inquiries in the matter, though in this case proving unfruitful, were certainly to be commended. Mr. Weeks, reading of Pount's disappearance in the Guardian Saturday morning, traced a boy who had jumped on a sleigh and afterwards secured the information that the driver of the sleigh was Mr. Brown, of New Haven. He telephoned to New Haven, Mr. Brown was not at home, but a boy from Charlottetown had been at his place over-night and had been driven back to the city. This news quickly spread, it being taken for granted that the lad was young Pount.

This was early Saturday afternoon. Two teams, with Mr. Pount in one of the sleighs, left the city to meet Mr. Brown's team which was on the road about a mile from New Haven. Mr. Pount had been out to chop his son, the stocking cap of the muffled-up boy in the sleigh completely deceiving him until he had pulled the cap up to see his face. It was an intensely bitter moment for the father. The Carr boy, of course, knew nothing of the matter or of the cause for such excitement.

There were other rumors floating about. One youngster maintained stoutly that he had seen Pount Friday evening going across the river, "with a big wain in a blue box-sleigh."

Left on the River

Something quite new and altogether refreshing was the Variety Show at the Prince Edward Theatre last night, put on by local talent under the auspices of Empress Lodge, No. 19, Knights of Pythias, in celebration of the Diamond Jubilee of the order. There was a very large attendance and the frequent applause testified to the approval of the audience. The three excellent comedy sketches which made up the main part of the programme proved "sure-fire" laugh provokers and there was not a dull moment throughout the performance. The individual numbers were very warmly received.

The death of Mary T. Murphy, aged 18 years, eldest daughter of Mr. and Mrs. Michael Murphy of Hospital, Brighton, Mass., on Sunday, January 17th. She had entered that institution for treatment only a few weeks prior to her demise. Accompanied by father and sister, her remains were brought home for burial arriving on February 1st. Numerous spiritual and floral offerings were received from friends at home and abroad, bearing testimony to the love and respect in which she was held. Her funeral, which took place on Saturday, February 2nd, was unusually large one, being attended by all denominations. After a solemn High Mass of Requiem was sung by Rev. R. J. McDonald, P. P., who also conducted the service, at the grave, her body was laid to rest in the quiet cemetery of St. Columba's.

Eternal rest grant unto her O Lord and let Perpetual light shine upon her.

The address of Lieut. H. Rickard, formerly of the 14th Battalion, and the Royal Navy, under the auspices of the G. W. V. A. in the Prince Edward Theatre last night on "The Fading Poppies of Flanders Fields" was an eloquent appeal for the fulfillment of war promises made to Canadian soldiers and their dependants who today are in need of assistance and help. Attendance filled practically every seat in the theatre. There was a splendid supplementary musical programme and the silver coffee service, amounting to over \$100, evoked the sympathetic feeling of the audience.

The death occurred on Friday, Feb. 15th of Miss Margaret McDonald, 15 Grandville St. The late Mrs. McDonald, who was a devoted and consistent member of Zion Church, was one of the first communicants to join the new Zion Church in this city, when it was opened in 1913. During her illness she was regularly attended by Rev. George C. Taylor, whom she loved to see. Born in Strathalbyn about seventy-seven years ago, she lived in the city for a number of years, and made many friends by her quiet and pleasing nature.

SADLY BEREAVED—The Angel of Death entered the home of Mr. and Mrs. Fred Ferguson, Clifton, Tuesday morning, Feb. 17th and carried the soul of their little son, Harold Arthur, age four months, to the arms of Jesus. The little darling, the pride of the home was apparently in his usual good health on retiring to bed, but the mother was grief stricken to find her baby cold in death in the morning. Besides the sorrowing parents, there are left to mourn, one little brother, Fulton, who is seriously ill, which makes the funeral service in the Undertaking parlors a doubly sad. A PLEASANT GATHERING—A very enjoyable picnic social was held on Thursday last at the home of Mr. and Mrs. Charles Produe of New Wilshire.
