FARMERS ATTENTION

We are at present compiling a list of Prince Edward Island farms being offered for sale.

This list will be widely distributed, not only on the Island but in the other Provinces of Canada and in the New England States, where ex-Islanders are showing a desire to return to their native Province.

If you wish to offer your farm for sale, we will include particulars of same without charge to you, unless we make a sale for you, and then only a small commission.

In no case will the names of the owners be printed in the list.

Write to us and we will send you a questionnaire to be filled in, giving the required information regarding the property to be sold.

Do it now before the list is completed.

GRAIN

WINNIPEG, Dec. 9 —(CP)— Strong export business in Canadian wheat, estimated by some traders as high as 1,250,000 bushels, together with a firm Liverpool market boosted Winnipeg wheat futures prices today.

Export wheat was estimated at 1,000,000 bushels yesterday and influenced a strong opening here. Prices stayed up throughout the day although they moved erratically. The close was 5-8-1-4 cent higher, Dec. at 60 3-4, May 62 7-8-63 and July 63 5-8-3-4 cents.

Cash wheat trade was dull again with spreads generally unchanged. Pit trade in coarse grains brought out gains of a cent in barley on good support from exporters. Trade in oats was routine and flax was neglected.

Currencies

NEW YORK, Dec. 9 —(AP)— Most leading currencies tended lower in terms of the United States dollar today as continued continental tension kept foreign monies under pressure.

The British Pound closed 1-8 cent lower at $4.66 3-4, the French franc off .00 1-4 to 2.63 cent, the Netherlands guilder off .04 of a cent, and the Swiss franc down .01 of a cent. The belga was unchanged. The Canadian dollar held unchanged at a discount of 27-32 cent.

MONTREAL, Dec. 9 —(CP)— Pound Sterling declined 3-16 of a cent on Montreal foreign exchanges today to $4.70 7-8 while the United States dollar remained stationary at 27-32 premium. French francs eased slightly to 2.65 7-32 cents.

Stocks Move Fractionally Lower In N.Y.

BY FREDERICK GARDNER
Associated Press Financial Writer

NEW YORK, Dec. 9 —(AP)— Buyers made feeble passes at selected stocks in today's market but the list, as a whole was permitted to slip fractionally lower at the close.

The day's drift generally was considered unimportant by market analysts who attributed the lackadaisical performance mainly to further tax selling and continuance of apprehension over Italo-French war threats.

Canadian issues were generally inactive. Walkers, Lake Shore and Ford gained fractions while Distillers dipped as much.

The day's turnover amounted to 698,960 shares compared with 739,150 the day before. The Associated Press average of 60 issues was off 3 of a point at 49.9.

A handful of steels, aircrafts and specialties contested the trend with mild advances. Rails were up most of the day, but slipped a shade at the finish. Carriers were buoyed by a more than seasonal jump in last week's freight loadings.

U. S. Steel and Bethlehem ended on the upside as improvement in orders for finished products was reported. General Motors eased and Chrysler was unchanged despite cheerful statistics on sales and production.

Minard's kills pain.

Slight Losses Registered On Montreal Mart

MONTREAL, Dec. 9 —(CP)— Profit sellers gave the stock market a shake-down today, knocking the leaders over for losses of fractions to as much as a point. Volume contracted on the decline.

Selling forces concentrated on the papers, where declines of around a point each came out in Price Brothers preferred at 55, Howard Smith at 12 and St. Lawrence Corporation preferred at 15. Bathurst worked narrowly higher but the remainder gave up fractions.

Metals traded slowly with prices generally pointing downward. Off fractions each were Nickel, Hudson Bay and Noranda while Smelters strengthened 1-4 to 58 on a last-minute sale. In oils, International Pete sold off but Imperial and McColl held unchanged.

Weakest of rail equipments was National Steel Car, off 1 1-8 at 64 3-4, while Canadian Car preferred and C. P. R. declined narrowly. Utilities losses of small amounts included Bell Telephone, Brazilian and Montreal Power.
