

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS

MONDAY
W. B. Leard and M. S. Acorn, Souris, returned Saturday evening from a short business trip to St. Peters.

H. H. Acorn of the Klondike Lumber Mills, Souris, left by the morning train Saturday on a short business trip to Charlottetown.

It is reported that the police have a clue of the persons who composed the disorderly gang that paraded through Souris Thursday afternoon singing shouting and destroying property and if definite evidence can be obtained, they will have cause to regret their misdeemeanors.

H. A. McPhee, Tryon, representing the Tryon and Fur Trading Company, was in Charlottetown Saturday, his way to Digby, Sydney, and probably Michigan, where he will arrange for purchases of mink, fox and racoon.

The death occurred in the City Hospital yesterday of Newton N. McDonald, aged 42 years. The deceased was unmarried and leaves a number of brothers in Boston. The funeral will take place this afternoon at three o'clock from the Hospital to St. Dunstan's Cathedral and thence to the R. C. Cemetery.

A letter has been received by Wm. Tanton, Charlottetown, from his daughter, Mrs. Wm. Small of Vancouver, B. C., informing him of the death in Cranbrook, B. C., of Master Fred Small, son of Wm. and Mrs. Small, formerly of Charlottetown. The deceased was well known in Charlottetown, especially among the members of St. James' Church, of which he was a member. He was highly respected in Cranbrook and the mayor of the city had all business suspended during the hours of the funeral.

Mrs. Cann entertained the girls of the Coal Co's telephone exchange and their gentlemen friends at the home of Mrs. J. J. Prowse, King Edward Street, Friday evening, Mr. Roche at the close of the evening presented Mrs. Cann with an address and some pieces of silver on behalf of the girls of the exchange, at which Mrs. Cann was an obliging and efficient operator prior to her marriage. Mr. Cann responded on behalf of his wife and thanked the girls, and hoped that by Cupid's guiding hand they would all soon follow Mrs. Cann's footsteps—Glouce Bay, Exc.

The death occurred in Charlottetown last evening of George H. Ledwith, teamster and grocer, after a brief illness. The deceased was in his sixty-first year and was taken ill on Friday night, being removed to the Hospital on Saturday morning and operated on. Complications set in ending in his death. The late Mr. Ledwith was for many years employed with Carvell Bros and latterly was a teamster and conducted a grocery store at 44 Edward St. He was universally liked, was a diligent worker and of a quiet and unassuming nature. Before taking ill he was preparing to remove west and his property was advertised to be sold tomorrow. He leaves to mourn a widow, at present weakened through illness, one son, Lester, in Calgary, and three daughters, Mrs. Harry Riggs and Miss Ruth, at home, and Mrs. Robert Duncan in Calgary. The funeral notice will appear tomorrow.

The weekly meeting of the Red Cross Literary Institute was held on Monday night. The subject, a very interesting and important one, was: Reciprocity with the United States. The subject was opened by E. J. Campbell who in a very clear and able manner pointed out the ways in which Canada would be benefited by reciprocity. He said it would open up new markets, that the fishermen and farmers would get the same price for their fish and produce as prevails in the United States and also said it would be a grand thing to have free trade relations with such a nation as the United States. He was replied to by Frank LaPiere who contended that prices in Canada at the present time were all that could be desired. He said reciprocity thirty years ago would benefit us, but we were denied it then. He showed how Canadian industries would be injured, etc., and concluded by advising the farmers to improve the soil, that the great secret of success in farming was soil fertility. He said—wake up farmers, produce the products, as we have unexploitable markets in Canada. Addresses were given by various other speakers, comprehensive and to the point.

The postponed Institute meeting will be held at North Bedouque on Saturday evening, March 9th.

Walter and Mrs. Simpson, who spent the week end, guests at Experimental Farm, Charlottetown, left yesterday on return home.

WEDNESDAY
A very enjoyable evening was spent last Tuesday night when a party of young people drove to the Provincial Infirmary, and held a surprise party in honor of Miss Jessie Bonnell, matron of that institution. The evening was pleasantly passed in all forms of social entertainments, such as dancing, games, etc., after which Miss Bonnell was presented with an address and a completely equipped leather dressing case. Miss Bonnell who has held the position of matron for nearly three years at the infirmary severed her connection with that institution yesterday (Monday) and leaves shortly for the Canadian West, where she will follow the vocation of professional nurse. Before leaving she was presented with a pearl-set, gold brooch by the nurses and employees of Falconwood Hospital as a slight token of the esteem and respect with which she is held by her co-workers.

On February 25th 1912, at the hour of six o'clock in the morning, the Angel of Death visited the home of Malcolm Gillis, Fredericton, and took away the soul of his aged father, Duncan Gillis, at a ripe age of eighty years. In 1840 he, with his parents, emigrated from Scotland at the age of eight years, and always lived at the old home at Junction Road. He was a man of sterling character, a peaceable neighbor and a civil citizen in all that was possible for a man to be. His wife was believed of this world thirty-one years ago; also one son William died six years ago. He leaves to mourn four sons—two in British Columbia, John and Duncan; Dan in Leominster, Mass., and Malcolm at home; also two daughters—Mrs. Dan Nicholson, Junction Road; Mrs. Dan McIntosh, Springton; one brother, Angus Gillis, Junction Road, and one sister, Mrs. Andrew Robertson, Granville; besides a large circle of relatives and friends. The funeral took place on the 27th, conducted by Rev. John Gillis of Strathalbyn. The pall-bearers were—Malcolm McKeaney, William McDonald, Malcolm McPherson, Charles McKenzie, Malcolm B. McKenzie and Daniel Nicholson.

WASTED AWAY TO A SHADOW
"Fruit-a-lives" cured me after 12 years Suffering
HULL, QUE. Dec. 24th, 1910.
For the past twelve years, I had painful attacks of Dyspepsia. Finally, in March 1908, I suffered such tortures that I was compelled to stay in bed. I could not digest my food and everything I ate caused the most agonizing pain in my stomach. I also had a fearful attack of Constipation, and at times I had no movement of the bowels for two weeks.

The Undergraduates' Society of Applied Science of McGill College, Montreal, are electing their officers. Among the candidates nominated is Harold Stanley, Charlottetown, for Secretary.

His many friends in Charlottetown will be sorry to learn that Theodore Halderston, boys secretary of the Y. M. C. A. in Toronto, is in the hospital in that city, suffering with typhoid fever.

The remains of the late Gregory I. McKenna were removed yesterday afternoon from the residence of his father, Capt. McKenna, Sydney St. Charlottetown to the Railway Station and forwarded to Tignish for interment. The following were the pall bearers:—J. E. R. McEwen, J. A. Kelly, P. V. Robins, J. P. Hooper, Elmer Boyver and Louis McDonald.

The will of the late Alexander McKenzie, confectionary, Charlottetown, has been presented for probate. The estate was valued at \$2063.50 in real and personal estate and the deceased's sons Alex R., and Lawrence C. Worlby were appointed executors. Under the will these were empowered to sell all of the estate and of the amount realized therefrom \$100 was to be paid to Mrs. Amelia Schurman, Summerside, P. E. I., widow, a sister of the deceased, while the balance was to be equally divided between the following of the testator's sons and daughters:—Florence, Thos. J., Alex R., and Gertrude.

Recently a party from Summerside who imported three racoons from the mainland via the winter steamers received only two on the arrival of the ship at its destination. One of the racoons was in the freight handlers in the Charlottetown freight office, while handling a box containing some rather heavy bundles of paper loosely packed, was greatly surprised to find a racoon therein. The little animal, on escaping from the original box, had eaten its way into the box of paper and despite the loose manner in which the paper was packed, the racoon fortunately escaped being crushed to death.

Owing to the school being closed on account of a disease in district the honor roll for January was not prepared. The following is the standing of the pupils of Alberton High School for the months of January and February combined:—Principal's Dept., M. E. Francis, Grade IX—1st, Beatrice Campbell; 2nd, Calvin Lewis; 3rd, Lucy Campbell; 4th, David Bennett; 2nd, Reagh Ellis; 3rd, Elaine Woodman. Vice-Principal's Dept., R. C. McCarville, Grade VII—1st, Marion Campbell; 2nd, Bertha Bennett; 3rd, Helen Bell. Grade VI—1st, Gertrude White; 2nd, Geo. Bearl; 3rd, Mary Cahill; 2nd, Willie Redmond; 3rd, Frank Dunn. Miss Fielding's Dept.—No examinations.—A.

The marriage of Miss Annie Gertrude Tweedy, daughter of the late Joseph Tweedy, of Earncliffe, to Mr. John Furness Hayden, of Vernon River, took place at the home of the bride on Wednesday noon, Feb. 28. A large number of the relatives and friends of the contracting parties were present, the parlor where Rev. Mr. Orman performed the ceremony being beautifully and artistically decorated for the occasion. The bride was given away by her brother, John Tweedy, and the wedding march was played by that accomplished organist, Mrs. J. C. Irving. After the bride and groom had received the sincere congratulations of all present a sumptuous wedding feast was served. In the evening after the guests had spent a most thoroughly enjoyable afternoon and had concluded the happy time by the singing of Auld Lang Syne, Mr. and Mrs. Hayden departed for their home in Vernon River, accompanied by the hearty good wishes of their many, many friends. As testified by the large number of costly and useful presents the bride is one of the most popular and estimable young ladies of this little Province that can proudly boast of producing the smartest and best girls in the whole Dominion; while the groom is one of the Province's noblest and most honorable citizens.

Eczema Always Burning and Itching
Mr. N. Ostiguy.
I have suffered from eczema for two years. The itching began one afternoon when I appeared a red spot of about a five-cent size, and it always widened, all the time itching and burning. The first days I didn't care, but seeing that it gained in size, I tried Cuticura Ointment, but without success. It was always burning and itching. Having seen the newspaper advertisement of the Cuticura Remedies, I tried a little, and seeing that it improved, I bought a box of the Cuticura Ointment. After having used one box, my eczema completely disappeared. The Cuticura Ointment should be kept in every home. (Signed) N. Ostiguy, Mariville, Que., Jan. 14, 1911.

A Generation of Success
For more than a generation Cuticura Soap and Cuticura Ointment have afforded the speediest and most economical treatment for itching, burning, scaly and bleeding skin and scalp humors, of young and old. A single set is often sufficient. Sold by druggists and dealers everywhere. For a new sample of Cuticura Soap and Ointment, postpaid with 2-cents, book on skin eruptions, send to Potter Drug & Chem. Corp., sole props., 24 Colburn Ave., Boston, U. S. A.

THOUGHT COLD WOULD TURN INTO CONSUMPTION
LEFT LUNG GOT VERY SORE, HEART DID NOT FEEL ANY TOO GOOD.
Mr. Robert McLarnon, Shawville, Que., writes:—"I am writing to tell you an experience I had with a bad cold and a bottle of your valuable medicine. I was up in the lumber camps teaming horses, and I caught a very bad cold. I thought it was going to turn into consumption, for my left lung got very sore and my heart did not feel any too good. I came home and tried some different remedies but they did me no good. I read in the paper about Dr. Wood's Norway Pine Syrup, so I tried it, and when I had taken two bottles my cold was gone. I think it is a great remedy, and will advise any one with a cold to use it. I can't praise it enough.

Dr. Wood's Norway Pine Syrup contains all the lung healing virtues of the Norway pine tree, which combined with Wild Cherry bark and other pectoral remedies, makes it one of the greatest known preparations for Coughs, Colds, Bronchitis, and all Throat and Lung Troubles. Put up in a yellow wrapper; three pine trees the trade mark; price 25 cents. Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

The funeral of the late George Ledwith took place yesterday afternoon from his late residence, Edward Street, to the Peoples' Cemetery, Revs. Heaney and Harrison officiating. There was a very large attendance at the funeral and the floral offerings were very large. Much sympathy is felt for the bereaved family in the great and unexpected bereavement they are called to bear.

The death of Miss Annie Burk, Fortune Bridge, took place at the hospital, Boston, shortly after undergoing an operation on Friday, Feb. 23rd, at the age of 23 years. Her remains were brought home for interment. The funeral services at Bay Fortune Presbyterian Church and grave were conducted by Rev. A. D. MacIntosh, Souris. Deceased leaves to mourn beside her father and mother, four brothers—Clayton, Daniel, Henry and Perry, all at home, who deeply mourn the loss of a loving, dutiful daughter and affectionate sister. The Guardian joins with the many friends in extending to the bereaved family sincere sympathy.

At a regular meeting of the Presbytery held in St. James Hall, Charlottetown yesterday morning, opening at ten o'clock, Rev. Geo. Millar, Alberton, was appointed Moderator and Rev. A. Craise, New Dominion, was reappointed Clerk for another year. Rev. A. S. Stewart, Valleyfield, was appointed Moderator for the next six months.

Among the items of business transacted was the receiving of reports from the Presbytery Sabbath Schools Committee and the Committee on the Young Peoples' Societies. Commissioners to the General Assembly were appointed as follows: Rev. John Gillis, Strathalbyn; Rev. John Hawley, Marshfield; Rev. T. P. Fullerton, Charlottetown; Rev. W. H. Spencer and Rev. Geo. Millar, Alberton.

Reports were read from congregations showing the vote on Church Union vote but as all of the congregations have not yet reported a special session will be called on Tuesday, March 19th, at 11.30 a. m. to receive the complete returns. The vote on Church Union so far as received is overwhelmingly in favor of Church Union.

Reports were received from the chaplain to the P. E. I. Hospital and the Infirmary. An appeal was put to the Home Mission Committee for Catechists for Tryon and Hampton and also for two catechists for Tyne Valley and Inverness for the summer. Other business of a routine character was transacted.

(Special by Phone.)
SUMMERSIDE, Mar. 5.—Today was the opening day of the seed fair in this town but was not very largely attended. A great number of entries are in and the fair promises to be a great success. The opening will take place tomorrow at twelve o'clock. At the meeting of the fruit growers association held in the market hall in the afternoon Albert Schurman, Central Bedouque, presided. He pointed out the importance of the fruit industry and the difficulties connected with it, he then introduced Thomas Peters, Fruit Inspector, Sussex, who spoke at length on the packing of apples in boxes and barrels, Prof. Ross, who brought an apple press and proper box for packing apples to the meeting, which helps to make clear Mr. Peters' remarks. Mr. Peters then read a report he had received from the representative of the fruit division in England of the shipment of apples made last autumn. A lot of apples had been picked too ripe and on that account had gone back. There were too few barrels of one variety to make the shipment profitable. Apples packed in boxes brought a bigger price, than those packed in barrels. Of the varieties Kings brought the best price and Ben Davis next showing that the taste of the English people differs from our own. Prof. Ross called attention to some of the advantages of packing in boxes and also discussed some of the practical difficulties in packing apples.

Mr. Peters then gave an interesting talk on insects injurious to orchards and illustrated his talk by colored charts, showing the insects in their different stages. He took up the following—Oyster Shell Bark Louse, Coddling Moth, Canker Worm, Green Looper, Red Humped Caterpillar, and several others.

The following is the judging up to a late hour tonight.

ARE YOU IN THE THICK OF THINGS OR THE THIN OF THINGS?
It takes the steady nerve, the elastic step, the energetic body to meet modern conditions, and the quick mind grasps the fact that body and nerves must be properly nourished.
Weak, hesitating, doubting natures are those who lack vitality. Their kingdom is the crust or outer edge—the thin of things.

SCOTT'S EMULSION
is the vitalizer for all ages. It feeds nerves, body and brain with pure, wholesome food- tonic. It does not stimulate—it nourishes.
