

MR. JUSTICE FINNEMORE

Judge of the Natal Supreme Court, Sends the Following Remarkable Testimonial

TO CUTICURA

The World Is Cuticura's Field, Used Wherever Civilization Has Penetrated.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies. I have suffered for some time from an excess of uric acid in the blood; and since the middle of last year, from a severe attack of Eczema, chiefly on the scalp, face, ears and neck and on one limb. I was for several months under professional treatments, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dreadfully disfigured and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies and I gave them a thorough trial with the most satisfactory results. The disease soon began to disappear and my hair commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under their notice when a poor person is so afflicted, so that your remedies may be resorted to."

ROBERT ISAAC FINNEMORE (Judge of the Natal Supreme Court), Pietermaritzburg, Natal, Oct. 29, 1901. Cuticura Resolvent, liquid and in the form of Chocolate Coated Pills, Cuticura Ointment and Cuticura Soap are sold throughout the world. Agents: London, J. Carter, House No. 7, Paris, 2 Rue de la Paix; Australia, R. Towns & Co., Sydney; Boston, 117 Columbus Ave.; Boston, J. & C. Chem. Corp., Sole Proprietors. "Send for 'All About the Skin and Scalp.'"

CARTER'S Seed Catalogue for 1904, a copy of which has just been laid on the table by the publishers, Carter & Co., Limited, is very complete, containing forty pages wholly devoted to the interests of the seed business and will be found a valuable aid to every farmer or gardener. Its pages are replete with information as to the getting and growing of the most suitable varieties of vegetable, flower and farm seeds most suitable to our Island Province. The title page reads that "Twenty-four years of successful seed selling, the largest seed business in the Maritime Provinces, and our seeds on sale by merchants in all the trade centres of P. E. Island; this is our record" and a good record it is. We speak for Carter's Seed a larger sale than ever this year. The catalogue has been printed by Messrs. Murley & Garnham, Steam Printers, and reflects credit on this printing house for the excellent work done.

POWNAI.—According to previous announcement a public entertainment was held in the Pownal Methodist Church under the auspices of the Woman's Missionary Society, assisted by the Church Choir, and the Mission Band. The church was tastefully and profusely decorated with flowers, and was comfortably filled by an attentive and appreciative audience. At 8 o'clock Rev. Mr. Ople as Chairman opened the proceedings. The selections were excellent. Every number was well rendered and received merited applause. The President, Mrs. Sarah Jones report embraced a brief and concise review of the work of the W. M. S., showing the wonderful increase numerically and financially and the great good that is being accomplished by those devoted women. Space will not allow the notice that each number deserves but there are a few that we cannot pass in silence. The Easter exercise by twelve young ladies was unique, instructive and highly pleasing.

The recitation by Miss Muriel Mutch entitled Patchwork, was splendid and well rendered. The readings were choice and well calculated to awaken the missionary spirit. The choir surpassed all previous efforts, the different parts being well taken and sustained throughout, showing careful training. Owing to sickness several of the ladies were unable to assist in arranging and perfecting the different selections so that the burden fell to Miss Linda Smith, who pluckily arose to the occasion, and to her efforts and ability is largely due the unparalleled success that attended the services. Rev. Mr. Wason, Montague, who was present, expressed himself as delighted with the evening's entertainment which was most instructive and profitable. By the way the plates were filled, the collection was worthy of the audience.
