A very pretty wedding was solemnized in the Presbyterian Manse, Summerville, at nine a.m. February 2, when the Rev. Charles Carney officiated in the marriage of Margaret June McEwen, daughter of Mrs. Emma McEwen, New London, and Sgt. Charles Aretas Clark, R.A.C.F., son of Mrs. Esther Clark and the late Richard Clark of Summerville, who is stationed at No. 6 District Depot, Halifax, N.S.

Only the charred hull remains of a ship which was wrecked on the morning of the fire. The fire broke out about eight o'clock in the morning. Firemen fought a sea-saw battle with the flames for about two hours before it became evident that the building was doomed. By eleven o'clock the whole structure was a mass of flames and at about 11.40 the 18-foot steels with its large cross supports fell into the body of the water. Only the brick walls now remain standing.

The pastor, Rev. Mr. G. J. MacLennan, had just begun his first service of the sanctuary. Two minutes after the congregation investigated and found that the furnace room beneath the vestry was aflame. The alarm was immediately turned on and the congregation left the church. All the church vessels and vestments, along with most of the stonework and the new stations of partly covered by insurance.

Pastor Discovers Fire.—The value of the building is placed at somewhat over \$100,000, and the congregation of the church was found to be frozen and others at a greater distance had to be used. Fortunately the fire was completely extinguished and a whole section of the town might have been destroyed. The fire was, clearly, lighted at the home of the Knights of Columbus and it was necessary to turn water on it. People living in an adjacent house removed their furniture.

Six years ago the exterior of the church was completely renovated and the interior was repainted and the steeple strengthened. Later the building was completely renovated and only last summer and fall the interior was beautifully re-decorated.
