On Sabbath the 17th the Rev. J. Parkins conducted the services in the Methodist Church Souris with much acceptance. The large congregation in the evening will be glad to hear him again.

Miss H. L. M. Lodge has returned to St. John from a visit to her brother, Dr. Fred Lodge of Charlottetown, and resumed her position as organist in the Methodist church last Sunday.

THE storm on the 17th inst was very severe at Souris and at Magdalen Islands when the vessel belonging to Mr. Acorn of Souris was driven ashore with the cargo of lumber a total wreck, a great loss to the owner.

On the 20th inst. the Souris Methodist and Presbyterian Sabbath Schools united in holding their annual picnic. Favored with a beautiful fine day with a large attendance of friends they spent a very enjoyable time on grounds near the cheese factory.

YESTERDAY morning Alex. Mitchell, the fifteen year old son of Joseph Mitchell, Rocky Point, while shooting plover at Kelly's Point met with a painful accident resulting in the loss of part of the first finger of the right hand. Dr. Conroy dressed the finger and the boy is now doing nicely.

THE picnic under the auspices of the I. O. F., New Glasgow, was held yesterday in the picturesque shore field of James Moffat. Quite a number of members and their friends whiled away the afternoon. Bagpipe music by C. W. McInnis, Charlottetown and music from the organ manipulated by Miss Laura Houston were pleasing features. The speeches were fittingly appropriate, especially would we mention that of Dr. Douglas. We will note particularly the date of the next Forester's picnic at New Glasgow.

THE Garden Party held Thursday evening on the beautiful grounds of Mrs. Geo. Deacon, Little York, in aid of the Women's Missionary Society was a grand success both financially and otherwise. The night being an exceptionally fine one there was a large crowd gathered, among them being many visitors from the city. The grounds were lighted with Chinese lanterns which aided in making a brilliant appearance. During the evening many games and amusements were indulged in which were heartily enjoyed by both old and young. At the close the cakes were auctioned by James Duck, Pleasant Grove.

YESTERDAY the Guardian had a pleasant call from John H. Curtis, Peake's Station, owner of the Primrose trotting track, who informs us that the different classes for the races to be held there on Wednesday next are filling fast and far exceed his most sanguine expectations. Many fast horses are already entered in the 2.45 and three minute classes which promise Wednesday next to be one of the best days' sport ever held in that section. Although Primrose track is but newly built this season, the soil being so hard and firm, the ground and surroundings so level, if properly looked after will be one of the swiftest and most beautiful tracks in this province. The trotting horses, Montrose, record, 2.20; and Progress Lad are expected to give exhibition miles between races. No doubt, the above will be a grand afternoon's sport and will be largely attended.
