INVALUABLE BOOK.—A general index to the statutes of Prince Edward Island, public and private, passed during the years 1869 to 1918; inclusive has been compiled by Mr. A. D. Fraser, Assistant Librarian, by authority of the Attorney General. This index will be invaluable to judges, lawyers, magistrates and the press and in fact to all who have occasion to refer to the statutes. The compilation of this index and the excellent arrangement of titles, year of enactment, page and chapter, must have involved a great amount of work and the thorough and systematic manner in which it has been done reflects much credit upon Mr. Fraser.
