HEART HUMBUG.

It is fashionable to day to have a ew heart scare every 24 hours. The ommonest symptoms of dyspepsia or erve trouble, such as palpitation, eak spells, loss of appetite and poor circulation, are magnified and distorted into serious signs of heart trouble, with the object of frightening the public into taking this or that heart remedy. If a hundredth part of the heart trouble we hear about were real, the cemeteries would be filled in a month. A wrong construction is put upon common ailments in order to humbug the people into the belief that heart disease is prevalent, where as real heart trouble, which is so sadly and suddenly fatal when it does occur, is a rare disease. Lopsided arguments cannot convince an intelligent people. Iron is a vital element of the blood. Too little iron means weakness, lack of spirits, pallid cheeks, shortness of breath, sleeplessness, nervousness, loss of vital force, ending in general break down. The iron in Dr. Ward's Blood and Nerve Pills is in the soluble form you need, in combination with other curative agents in such a manner that disease can't resist their action. You feel yourself getting well when you take Dr. Ward's Blood and Nerve Pills.

CAN CATARRH BE CURED?

Shepherd G. Frost, Chatam, N. B., writes: "For a number of years I have been troubled with catarrh and headache, and have tried many remedies during that time, but without avail. WAR LETTERS TO FRENCH PRESS.

Boers Carefully Saving Provisions—Many Mines at Johannesburg Ruined and Mrchinery Rusting.

PARIS Jan. 14.—The Temps publishes interesting details from correspondents in the Transvaal, the letters being sent by the way of Suez. They say that the Boers are prudently saving their provisions. The women have taken the places of the men in the fields and are plowing and planting. The next harvest, it is anticipated, will supply sufficient food to carry the Boers for at least another year.

The mines, that are not being worked by the government, are in a deplorable condition. The machinery has been left unprotected, and is rusting badly.

The Temps declares that the great lack of foresight that left the mines in such condition means a terrible loss to thousands of the shareholders.

His Opinion of the Great World's Remedy Dodd's Kidney Pills.

"Do you sell many boxes of Dodd's Kidney Pills in Murray Harbor?" Mr. Sharam was asked.

"Dozens and dozens," replied Mr. Sharam. 'I always keep them in stock."

"Do you ever hear of any failure on the part of Dodd's Kidney Pills to do what they are recommended?"

"Never," said Mr Sharam. "From my own case to all the others with which I am acquainted."

"What was your own case?"

"Well, some three years ago I strained my back with lifting, which sprain resulted in urinary and kidney trouble. In 1896 I was so weak I could hardly stand. After using various other remedies with no effect it struck me that a remedy for my trouble should be one advertised for kidney disease only, so I tried Dodd's Kidney Pills. I used ten boxes all told and since then I have had no further trouble."

Mr. Sharam is well-known throughout this district.
