We ask you to bring to our store any catalogue from any Mail Order House anywhere and we will duplicate prices on any goods. We have proved it this Season to many who have come to the test. We ask you as a favor to bring your Catalogue with you to our Store, as it is but fair to yourself and to us to do so. We guarantee to duplicate any prices. Another Case in which Dr. Hamilton's Pills Saved a Life that Physicians Despaired of.

What a pitiful sight it is to see a handsome, able man being gradually robbed of good looks, health and ability to work. Such cases are frequent—that of E. P. Lascelles, a well known Printer's Supply man, residing in Hamilton. "About six months ago I began to notice a worn, tired feeling coming over me. I was unable to shake it off. It was not fatigue that I felt, as I had not been doing any unusual work. I was so tired that I was anxious to work but didn't have the energy. Something was dragging me down, robbing me of my health and spirits. I got tired of taking prescriptions that did me no good and used Dr. Hamilton's Pills regularly. They cleanse my liver and acute indigestion. Dr. Hamilton's Pills brought back my appetite, cared the heavy pain in my side and gave me a new grip on life. I gained in weight and now I am stronger, look better, work better than ever before I was taken sick."

If you want to get back the vigor and spirit of your youth, if you want the sparkle of robust health on your cheeks—use Dr. Hamilton's Pills regularly. They cleanse your system, strengthen—make the sick well, give this grand medicine a faithful trial, 25c per box, or five boxes for \$1.00, at all dealers, or The Catarthozone Company, Kingston, Ont.

"Streaks of sunshine dancing on a field of many colors, some soft and subdued, some deep and rich—that gives you a sort of a general idea of the millinery department as it looks today. Ask to see our outing hats at \$1.50. Jas. Paton & Co. 6-19dtf

Why you should use DUSTBANE

It saves labor in sweeping
It saves one-half your dusting
It saves your carpets and rugs
It saves damage by moths
It saves taking up carpets
It saves your health
It saves your money

is a green colored powder, packed in tin cans ready for use. In sweeping a carpet, take one or two handfuls, according to the dust. Sprinkle where you are to begin (not all over the carpet) then sweep as you always do. The powder is swept ahead of the broom and falling on the carpet absorbs the dust, leaving the carpet clean and bright. The dust is not thrown into the air to settle back on the carpet and furniture.

SANITARY POINTS.
Sickness and Disease are often contracted by breathing into the lungs germ-laden dust. Dustbane contains an antiseptic fluid which kills germs. The evaporation of the fluid while sweeping thoroughly disinfects the room. "An ounce of prevention is worth a pound of cure."
