CHARLOTTETOWN'S NEW POSTMASTER

The Guardian learns on good authority that Edward Hackett Esq. has been appointed Postmaster of Charlottetown. Hitherto the offices of Post Office Inspector and Postmaster of the city have been joined and were both held by Mr. Whear. It had been intended by the late Government to divide the two offices and appoint a Postmaster, and the new Government at Ottawa has now carried forward the same policy, but have selected a different man for the place from what the late Government would have chosen. Mr. Whear will retain the office of Inspector at his former salary, and will be relieved of the duties of Postmaster, which will be assumed by Mr. Hackett. The Inspector's quarters will be up-stairs in the Dominion building and Mr. Hackett will occupy the room now held by Mr. Whear.

The Parliamentary Companion for 1897 gives the following particulars of Mr. Hackett's public career:—Father and mother came from Ireland in the early part of the nineteenth century and settled near St. Peters on the eastern end of the Island, from whence they removed to Chatham, N. B. and back again to Tignish, P. E. Island about fifty years ago. Born at Tignish in 1840. Educated there. Married 1860, Hannah Maria, third daughter of James Fitzgibbon, shipbuilder, Annapolis, N. S. Is a merchant. He was J. P. from 1872 to 1876. Sat in the Legislative Assembly of P. E. Island from 1876 to 1878. First returned to the Dominion Parliament at the general election 1878 and re-elected in 1882; an unsuccessful candidate at the general election of 1887; and re-elected at the general election of 1896. Was an Inspector of Fisheries from 1st July 1888 to June 1896.

BERLIN, Dec. 6.—The Moroccan question came up at Riechstag yesterday. The Imperial Chancellor gave a plain and unimpassioned statement of the position of the German Case.

The discourse was not marked by either hostility to England nor unnecessary flourishes of friendship.

It made clear that the Anglo German relations in future would depend on deeds rather than on assurances.
