'Help Wanted' Advertisements

Under the new government regulations which became effective on September 4, it is still permissible to publish over an advertiser's own name "Help Wanted" advertisements for domestics; farm help; teachers; nurses and probationers; fishing and trapping help, and for students employed after school.

All other "Help Wanted" advertisements, however, must be submitted by the advertiser to the National Selective Service officer, Unemployment Insurance Commission, I. O. O. F. Hall, Richmond Street, and on receiving the officer's approval the advertisements can then be inserted in The Charlottetown Guardian.

25% Increase of Island Objectives over 1942 in Order to Reach $50,000

The Prince Edward Island objective of $50,000 is a minimum objective. It is earnestly hoped that this objective will be exceeded by a wide margin.

This 1943 Invasion Year Appeal is an "All out" effort to place at the disposal of the Canadian Red Cross Society sufficient funds to take care of every contingency during the coming year. And if the invasion of the Continent takes place this year, as everyone confidently expects, the demands that will be made upon the Canadian Red Cross for war services will be stupendous.

If everyone strives to increase their givings by 25 per cent the result will be eminently satisfactory.

Prince Edward Island has the largest per capita representation of any province of Canada in the armed forces. It is therefore incumbent on this province to be correspondingly generous in war services to back up these men.

HOW MUCH IS IT WORTH TO KEEP THE WAR AWAY FROM US?

VICTORY

Are we worthy of victory?

Have we the quality of mercy in our make-up?

What appeal have the bony, outstretched hands of prisoners of war on us? Do the gaunt, half-starved inhabitants of the over-run countries touch our hearts?

What about the war-maddened mothers who have had their children blown to bits by bombs before their eyes?

Are we satisfied to give a pittance from our plenty for the relief of all these wonderfully worthy appeals?

The 1943 Red Cross Invasion Year Campaign will prove our willingness to do justly and walk humbly. The quality of mercy is never strained. It blesses him that gives as well as him that receives.

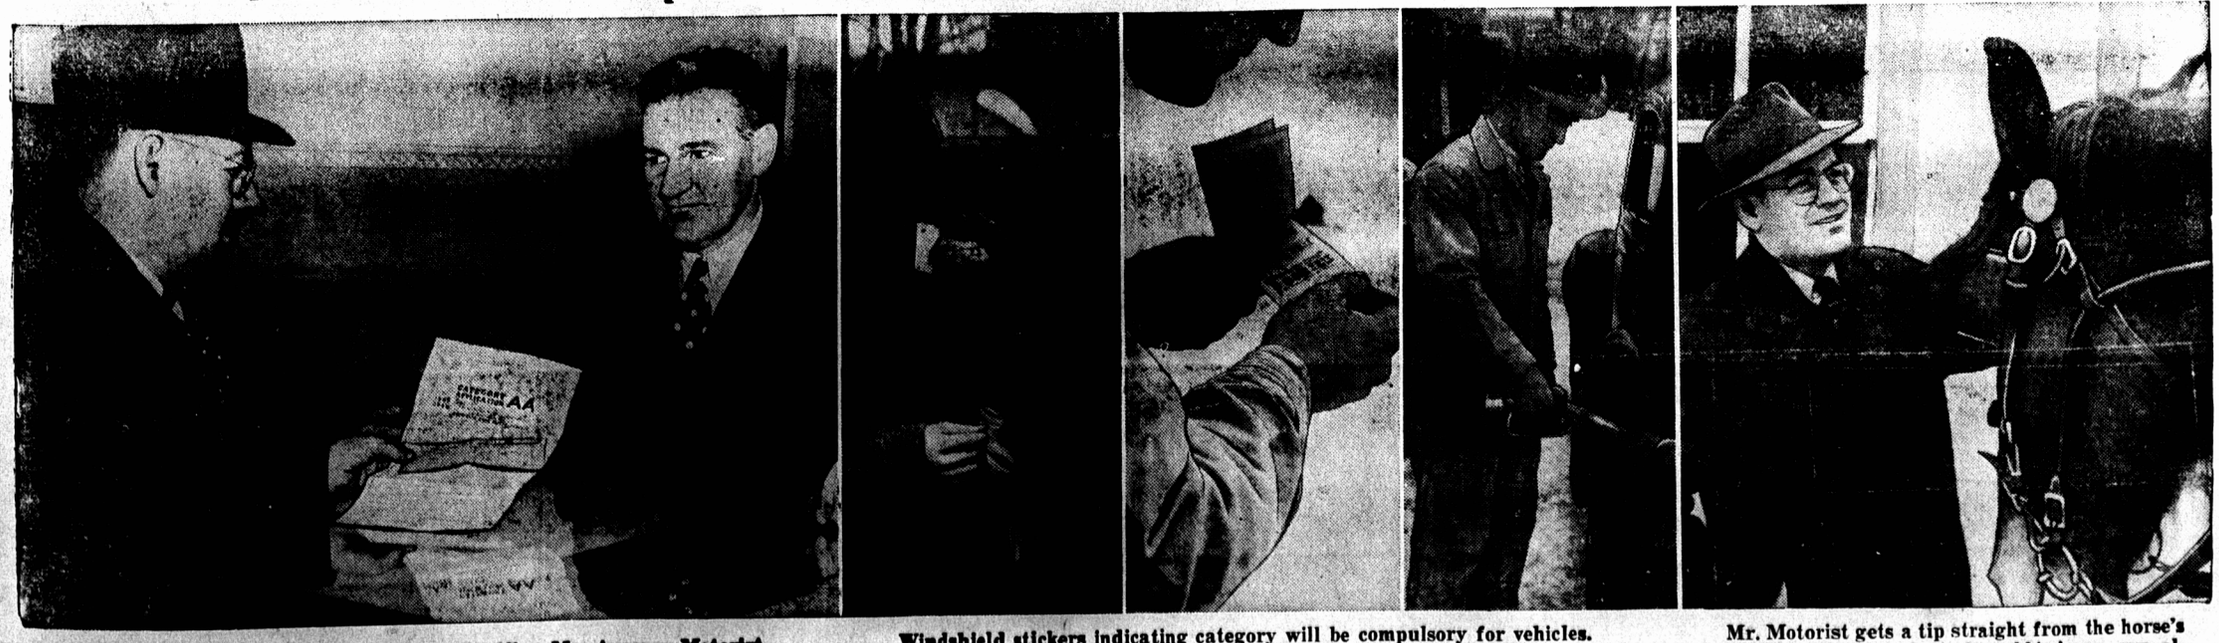
Mr. Motorist Prepares For New Gas Rationing System Effective April 1



With application form secured from post office, Mr. Average Motorist goes to nearest issuer of provincial license plates who will give him AA boo': (for non-commercial, non-privileged categories) upon presentation of $1 fee and 1943 vehicle license. New system provides basic allowance of 40 units.

Windshield stickers indicating category will be compulsory for vehicles. Motorist (left) displays his AA sticker. Attendant (centre) takes coupon from book after comparing number on cover with license plates. Category of book must be same as on sticker. Flippant "Fill 'er up" is thing of past.

Mr. Motorist gets a tip straight from the horse's mouth: "For gas don't be sobbin,' you can always come back to 'Ole Dobbin'." Mr. Motorist takes it with a smile and thinks of added fuel for victory.
